[Testament of Youth](#) Lulu.com

Set in a remote future in a post-nuclear holocaust England (Inland), Hoban has imagined a humanity regressed to an iron-age, semi-literate state--and invented a language to represent it. Riddley is at once the Huck Finn and the Stephen Dedalus of his culture--rebel, change agent, and artist. Read again or for the first time this masterpiece of 20th-century literature with new material by the author.--From publisher description.

The Handmaid's Tale Forge Books
A brilliantly conceived novel imagining the little understood lives of Moses de León, the 13th-century Spanish kabbalist thought to have authored the Zohar, the central work of Jewish mysticism, and Carlos Castaneda, a 20th-century Peruvian anthropologist who claimed extraordinary experiences in the modern mystical classic, *The Teachings of Don Juan: A Yaqui Way of Knowledge*. In this novel, Alpert matches their visions with his own conjurings of their inner lives. Dreams of strange figures; encounters with kabbalists and curanderos; and studies with unlikely spiritual guides, intertwine across traditions in uncanny ways. Praise for *The Books of Splendor* An imaginative novel that hyperloops the interior lives of two of the most important authors of world mystical literature: 13th-century Castilian Rabbi Moses de Leon (Zohar) and 20th-century Peruvian and Californian Carlos Castaneda (Don Juan). In creative

pre-histories we meet De Leon's adopted son, the Yanuka, and Castaneda's Cajamarcan mentor, a renegade Chabad Hasid who experiments with the entheogen ayahuasca. A fascinating literary doppelgänger, if not a soul-impregnation.- Menachem Kallus, author of *Pillar of Prayer* If you want to learn the mysteries of Kabbalah in a delightful manner and, at the same time, be enthralled by an amazing tale, then this book is for you. Dive in! ... The author-composing this work pseudonymously, as did the authors of the Zohar-is an esteemed scholar of Jewish spirituality and a gifted writer.- Daniel Matt, author of *The Essential Kabbalah*, and translator of the multi-volume annotated, *The Zohar: Pritzker Edition*

[The Testaments of the Twelve Patriarchs](#) Harper Collins
NEW YORK TIMES BEST SELLER • WINNER OF THE BOOKER PRIZE • *The Testaments* is a modern masterpiece, a powerful novel that can be read on its own or as a companion to Margaret Atwood's classic, *The Handmaid's Tale*. More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes. "Cat Person" and Other Stories Simon and Schuster
The Testaments of the Twelve Patriarchs is of especial interest to students of early Judaism and Christianity, though this importance is not always recognized. This collection preserves extra-biblical traditions about the sons of Jacob, it reflects a moral worldview of Jews and Christians around the turn of the era, and it casts light on its authors' eschatological imagination. Robert A. Kugler

introduces the student to the Testaments' contents, their relationship to other texts of the era, textual witnesses and sources, and rehearses the debate regarding authorship, compositional history and purpose. He also examines the Testaments from the fresh perspective of rhetorical strategy, asking what sort of theological notions the Testaments would have conjured in the minds of early Jewish and Christian listeners or readers.

#1 NEW YORK TIMES BESTSELLER • In a plush Virginia office, a rich, angry old man is furiously rewriting his will. With his death just hours away, Troy Phelan wants to send a message to his children, his ex-wives, and his minions—a message that will touch off a vicious legal battle and transform dozens of lives. Because Troy Phelan's new will names a sole surprise heir to his eleven-billion-dollar fortune: a mysterious woman named Rachel Lane, a missionary living deep in the jungles of Brazil. Enter the lawyers. Nate O'Riley is fresh out of rehab, a disgraced corporate attorney handpicked for his last job: to find Rachel Lane at any cost. As Phelan's family circles like vultures in D.C., Nate goes crashing through the Brazilian jungle, entering a world where money means nothing, where death is just one misstep away, and where a woman—pursued by enemies and friends alike—holds a stunning surprise of her own.

Between the Testaments Simon and Schuster This informative volume highlights the "four hundred silent years," the intertestamental period, about which the Bible gives no information. Here is a popularly written account of this period, an overview that explains the forces that shaped the world in the centuries immediately preceding the birth of Christ. Both the Persian and Hellenistic eras are covered in broad but informative strokes, and special attention is given to the status and problems of Jews during these periods. After reading this work, Bible students will have gained a deepened understanding of the world to which Christ came "in the fullness of time."

NEW YORK TIMES BESTSELLER • A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago • **A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK** At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified

documents—and discovers deeply buried truths about herself. *The Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired *Zhivago*'s heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.

Red Clocks Hachette Go

The hit international thriller from Eric Van Lustbader, the New York Times bestselling author of *The Bourne Legacy* For centuries, a hidden splinter sect of the Franciscans has guarded secrets that could transform the world. Now the safety of those secrets—and much more—depends on one man. Braverman "Bravo" Shaw always knew his father had secrets. But not until Dexter Shaw dies mysteriously does Bravo discover the enormity of his father's life as a high-ranking member of the Order of Gnostic Observatines. For more than eight hundred years, the Order has preserved an ancient cache of documents that could shake Christianity to its foundations. But the rival Knights of St. Clement will stop at nothing to obtain the treasure, and now Bravo is a target and a pawn in an ongoing war far larger and more deadly than any he could have imagined. From New York City to Washington, D.C., to Paris, to Venice, and beyond, the race is on for the quintessential prize...the Testament. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

R. H. Charles (1855-1931) was Professor of Biblical Greek at Trinity College Dublin (1898-1906), He was elected a fellow of the British Academy in 1906, and a fellow of Merton College, Oxford in 1910. In 1925 he was the first recipient of the British Academy Medal for Biblical Studies. Charles also received honorary degrees from the Universities of Belfast in 1923 and Oxford in 1928. His publications include: 'The Apocalypse of Baruch,' 'The Testaments of the Twelve Patriarchs,' and 'The Apocrypha and Pseudepigrapha of the Old Testament in English' (2 vols.)

Riddley Walker Wipf and Stock Publishers

Before *The Testaments*, there was *The Handmaid's Tale*: an instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). *The Handmaid's Tale* is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population. The story is told through the

eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

LONGLISTED FOR THE SCOTIABANK GILLER PRIZE INTERNATIONAL

BESTSELLER Margaret Atwood's dystopian masterpiece, *The Handmaid's Tale*, has become a modern classic—and now she brings the iconic story to a dramatic conclusion in this riveting sequel. More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third voice: a woman who wields power through the ruthless accumulation and deployment of secrets. As Atwood unfolds *The Testaments*, she opens up the innermost workings of Gilead as each woman is forced to come to terms with who she is, and how far she will go for what she believes. "The literary event of the year."

—The Guardian "The international literary event of the season." —Globe and Mail "It's terrifying and exhilarating." —Judges of the Booker Prize 2019

The Testaments Vintage

This volume, which appears on the occasion of Marinus de Jonge's retirement as Professor of New Testament at Leiden University, brings together twenty essays which he wrote recently for various periodicals and collective works. A number of articles deal with the expectation of the future in Jewish sources, like Ps. Sol., the Qumran Scrolls and Josephus. Closely connected with these are some essays on the question of how such titles as 'Christ', and 'Son of David' came to be applied to Jesus. Eleven essays delve into various important aspects of the Testaments of the Twelve Patriarchs: eschatology, ethics, paraenesis, but also their use of Jewish source material and their view of the history of God's dealing with man, a view related to that held by Justin and Hippolytus. This book throws light on the Jewish origins of early Christian theology and on its relationship with the Hellenistic culture in which it developed. The book also includes Marinus de Jonge's

bibliography.

The Heart Goes Last McClelland & Stewart
From the #1 New York Times bestselling author of *The Handmaid's Tale* Cat's Eye is the story of Elaine Risley, a controversial painter who returns to Toronto, the city of her youth, for a retrospective of her art. Engulfed by vivid images of the past, she reminisces about a trio of girls who initiated her into the fierce politics of childhood and its secret world of friendship, longing, and betrayal. Elaine must come to terms with her own identity as a daughter, a lover, an artist, and a woman—but above all she must seek release from her haunting memories. Disturbing, humorous, and compassionate—and a finalist for the Booker Prize—*Cat's Eye* is a breathtaking novel of a woman grappling with the tangled knot of her life.

Milan Kundera has established himself as one of the great novelists of our time with such books as *The Unbearable Lightness of Being*, *Immortality* and *The Book of Laughter and Forgetting*. In *Testaments Betrayed*, he proves himself a brilliant defender of the moral rights of the artist and the respect due to a work of art and its creator's wishes. The betrayal of both—often by their most passionate proponents—is the principal theme of this extraordinary work. Readers will be particularly intrigued by Kundera's impassioned attack on society's shifting moral judgments and persecutions of art and artists, from Mayakovsky to Rushdie.

The Testaments McClelland & Stewart
A deep dive into mid-century African American newspapers, exploring how Black pulp fiction reassembled genre formulas in the service of racial justice In recent years, Jordan Peele's *Get Out*, Marvel's *Black Panther*, and HBO's *Watchmen* have been lauded for the innovative ways they repurpose genre conventions to criticize white supremacy, celebrate Black resistance, and imagine a more racially just world—important progressive messages widely spread precisely because they are packaged in popular genres. But it turns out, such generic retooling for antiracist purposes is nothing new. As Brooks E. Hefner's *Black Pulp* shows, this tradition of antiracist genre revision begins even earlier than recent studies of Black superhero comics of the 1960s have revealed. Hefner traces it back to a phenomenon that began in the 1920s, to serialized (and sometimes syndicated) genre stories written by Black authors in Black newspapers with large circulations among

middle- and working-class Black readers. From the pages of the *Pittsburgh Courier* and the *Baltimore Afro-American*, Hefner recovers a rich archive of African American genre fiction from the 1920s through the mid-1950s—spanning everything from romance, hero-adventure, and crime stories to westerns and science fiction. Reading these stories, Hefner explores how their authors deployed, critiqued, and reassembled genre formulas—and the pleasures they offer to readers—in the service of racial justice: to criticize Jim Crow segregation, racial capitalism, and the sexual exploitation of Black women; to imagine successful interracial romance and collective sociopolitical progress; and to cheer Black agency, even retributive violence in the face of white supremacy. These popular stories differ significantly from contemporaneous, now-canonized African American protest novels that tend to represent Jim Crow America as a deterministic machine and its Black inhabitants as doomed victims. Widely consumed but since forgotten, these genre stories—and Hefner's incisive analysis of them—offer a more vibrant understanding of African American literary history.

The Handmaid's Tale and The Testaments Box Set National Geographic Books
Margaret Atwood puts the human heart to the ultimate test in an utterly brilliant new novel that is as visionary as *The Handmaid's Tale* and as richly imagined as *The Blind Assassin*. Stan and Charmaine are a married couple trying to stay afloat in the midst of an economic and social collapse. Job loss has forced them to live in their car, leaving them vulnerable to roving gangs. They desperately need to turn their situation around—and fast. The Positron Project in the town of Consilience seems to be the answer to their prayers. No one is unemployed and everyone gets a comfortable, clean house to live in . . . for six months out of the year. On alternating months, residents of Consilience must leave their homes and function as inmates in the Positron prison system. Once their month of service in the prison is completed, they can return to their "civilian" homes. At first, this doesn't seem like too much of a sacrifice to make in order to have a roof over one's head and food to eat. But when Charmaine becomes romantically involved with the man who lives in their house during the months when she and Stan are in the prison, a series of troubling events unfolds, putting Stan's life in danger. With each passing day, Positron looks less like a prayer answered and more like a chilling prophecy fulfilled.

When the van door slammed on Offred's future at

the end of *The Handmaid's Tale*, readers had no way of telling what lay ahead for her - freedom, prison or death. With *The Testaments*, the wait is over. Margaret Atwood's sequel picks up the story fifteen years after Offred stepped into the unknown, with the explosive testaments of three female narrators from Gilead. "Dear Readers: Everything you've ever asked me about Gilead and its inner workings is the inspiration for this book. Well, almost everything! The other inspiration is the world we've been living in."-- Margaret Atwood.
