If you want to feel the pleasures you never felt before, all you have to do is to follow the step-by-step instructions found in this book. Discover the new dimension of erotic pleasure with naughty and stimulating bondage games.

Macrame Pattern Book Bruno Gmunder Verlag

"Learn how to make over seventy macramê knots and small repeat patterns, then use them to create a wide range of projects. Each knot is shown in a close-up photograph with clear step-by-step diagrams showing how they are tied. Starting with the basics, the knots progress on to more complicated and complex designs, but as all are clearly diagramed it is very easy to follow along. This invaluable guidebook opens with a discussion of the different types of threads or cords available,

shows a range of clasps and other findings, plus covers the types of beads to use. It also includes lots of tips and useful information like how to set up your work board, and other helpful lessons like how to keep track of the cord ends for less confusion. The thirty-three projects range from simple jewelry pieces like the classic friendship bracelet and watch straps to more complex ones like a variety of bags and baskets. Translated from the Japanese, Macramê pattern book is an outstanding resource for both new and more experienced "knotters."--

Shibari Routledge

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Kinbaku Mental Gears Pub

This book presents the Japanese art of Shunga and Bijinga from the mid 1700s to the mid 1950s. Shunga is Japanese for 'spring pictures' but means 'erotic art'. The translation of Bijinga is 'pictures of beautiful people' meaning women, commonly referred to as 'beauties'. There is a link between them, as both are sexual in nature, with many pictures being of courtesans, or women as subjects of desire. But there is a lot more to it than that! This is not an academic book but more a personal journey of discovery by an accidental collector of Japanese woodblock prints. Bob Bentley informs, entertains and hopefully inspires like-minded fellow travelers embarking on similar explorations. The illustrations show a fascinating culture which thrived in the period when Japan was isolated from the rest of the world up to a time when the style and beauty of its art eventually exploded into the Western imagination. Bob has acquired a number of rare and original prints, as well as the more affordable, including re-prints, some almost as wonderful. The book is based purely on his collection - with delicate prints reproduced in high quality - imperfections and all. Many are exquisite works of art. This is a demonstration of the art that many people can acquire - at one level or another. Although there may be several hand made prints available of the same image, no two are identical. In buying prudently, you will see how it is possible to enjoy originals of the greatest artists, alongside beautifully crafted reprints. Here is a real passion, expressed in clear language, demystifying a culture that has provided the world with some of the most glorious art that has ever been seen.

Tying and Flying Harper Collins

The art of Japanese-style rope bondage has become increasingly popular in recent years both for its beautiful visual aspect, and for the intimacy it creates between tying partners. This detailed reference book of fundamental suspension techniques will help you understand both the ties and the body that is tied. Its easy-to-use structure encourages you to think creatively and adapt everything to your own needs. It emphasises learning for both riggers and models by explaining rope from both perspectives. Begin adding gravity to your rope play sessions with the range of simple partial suspensions - whilst building up the tools to learn the more challenging full suspensions. The process of suspension is broken down into its core components, such as: - Anatomy and body mechanics within ropes. - An in-depth look at the takate kote. - A variety of other

suspension harnesses. - Line management techniques. It also gives detailed background information on: - Communication and negotiation. - Safety. - Your equipment, and how to maintain it. - Assessing hardpoints. Shibari for Beginners Kahboom

Welcome to the beginners guide to Shibari. In this book you will learn about what it takes to safely and confidently perform the Japanese art of Shibari otherwise known as bondage. The secret here is that not all bondage is sexual in nature. While it is obviously associated with that as well, it is also independently considered an art form and is practiced by very serious artists. The main difference is being in the word chosen to describe it. The word Shibari in Japanese is specific to the act of tying, or binding. Whereas Kinbaku is the more sexual side of it, the word associated the BDSM and sex games side of things. If you are referring to a beautiful artistic display that, while erotic, is limited to an artist's interpretation and not a sex act then you would be speaking of Shibari. Here is a preview of what you'll learn: - What is Shibari? - Materials for the Japanese art of Shibari - Knotting and Tying - The knot tying of hands "stirrup" - The tying of hands "stirrup" (another variation) - The wrist knot "chain" - The knotting under arm "rat-tail stopper" - Connecting neck with both arms "common whipping" - Leg bind "round lashing" - Hip tie "square lashing" - Ankle's tying - Chest knots - Chest bind "figure 8 knot" - Chest bind "figure 8 knot" with hands - Advanced Knotting & Tying - The rope tying of hands, shoulders and legs - Double loops to tie mid arm mark "bowline" - The tying "fisherman's knot" - Sturdy knot of body "overhand bow" - The tying neck & back "common cross whipping" - The tying "cow hitch" - "Constrictor knot" - Humble coin knot "double overhand" - The tying "ashley stopper knot" - Difficult tying of waist, legs and head - The knotting rope Hojojutsu. The Warrior's Art of the Rope Mystic Productions Press

Whether you are looking for an introduction to bondage or seeking new heights of erotic delights, The Ultimate Guide to Bondage is the perfect addition to your dungeon 's bookshelf! The Ultimate Guide to Bondage is a comprehensive reference guide for any Mistress, Master, or lover of BDSM. Mistress Couple 's original and insightful approach to bondage invites curious kinksters to consider and explore a myriad of practical and psychological bondage methods. Going far beyond any BDSM "starter kit" the book shows how bondage truly extends past the rope and chain restraint of your partner. From decorative applications such as wedding rings and corsets, to invisible yet potent mental bondage, to fetish applications such as balloon or nylon encasement, this book provides historical context, powerful insights, tutorials, examples, and activities for every type of bondage enthusiast.
