ICHSS is an international seminar that is held every two years organized by the Research and Community Service Institute of the State University of Malang. The meeting aims to discuss the theoretical and practical developments of Social Sciences and Humanities in Indonesia and other countries with a view to build academic networks by gathering academics from various research institutes and

---

universities. Community empowerment serves as a trigger to increase community independence and to cope with the challenges resulting from the rapid development of technology. An important aspect of the community empowerment effort is to link the results of innovation research for the benefit of community. The results of research should not only be limited to publications in the academic environment. Open Access to various forms of the existing literature is one of the requirements for innovative research to develop optimally.

Therefore, this seminar has also served as a place for field researchers from various geographical areas to socialize, to discuss and to find solutions to current issues in the field of social sciences and humanities, as well as to build cooperation and synergy in creating ideas for mutual collaboration and to create joint research.

Rote-Meto is one low-level Austronesian subgroup of eastern Indonesi a/Timor-Leste. It contains 1,174 reconstructions</p>	<p>to Proto-Rote-Meto (or a lower node) with supporting evidence from the modern Rote-Meto languages. These reconstructions are accompanied by information on how they relate to forms in other languages including Proto?Malayo?Polynesi an etyma (where known) and/or out-comparisons to putative cognates in other languages of the region. The dictionary also contains two finder-lists: English to Rote-Meto, and</p>

Austronesian reconstructions with Rote-Meto reflexes. The dictionary is preceded by three introductory chapters. The first chapter contains a guide to using the dictionary as well as discussion of the data sources. The second chapter provides a short synchronic overview of the Rote-Meto languages. The third chapter discusses the historical background of Rote-Meto. This includes sound

correspondences, the internal subgrouping of the Rote-Meto family, and the position of Rote-Meto within Malayo-Polynesian more broadly. Searchable electronic versions of the comparative dictionary are provided in two formats at <http://hdl.handle.net/1885/251618>. The first electronic version is a Lexique Pro export of the dictionary. The Lexique Pro file contains the same data and information in the book version of

the dictionary, but does not contain the introductory chapters. See the "About Rote-Meto" tab of the Lexique Pro file for more information on this version of the dictionary. The second electronic version is a text file. It is formatted as a tab separated file and is intended to be read in spreadsheet format. This text file does not contain all the data and information in other versions of the Rote-Meto Comparative

Dictionary and should be used in conjunction with these other versions. See the associated readme for more information on what data is included and excluded from that text file.

**Une île de latinité** Hachette Tourisme Berawal dari keinginan untuk turut andil dalam perkembangan bidang Pendidikan di Indonesia, khususnya anak usia dini, saya berharap buku Belajar Baca Tulis bersama Teacher Nena ini dapat menambah daftar panduan anak dan orang tua dalam belajar membaca dan menulis secara efektif . Buku ini menstimulasi beberapa aspek perkembangan anak diantaranya; aspek bahasa, motorik halus dan kognitif sehingga isi kegiatan di dalamnya tidak melulu hanya membaca dan menulis saja, akan tetapi dalam 114 halaman ini, ada banyak kegiatan yang menunjang dan mempermudah anak untuk mengingat suku kata dengan optimal, diantaranya aktifitas menebali garis, meniru menulis huruf dan suku kata, menggunting, menempel, menebak, mewarnai dan masih banyak lagi yang lainnya. Akan ada stiker sebagai tambahan di akhir halaman sebagai reward dan penyemangat anak. Buku ini disajikan tidak hanya untuk menstimulasi aspek bahasa
