The Columbia History of British Poetry Springer

The Teacher Resource Books are the ideal companion to the pupils' resources and provide your key to the successful implementation of Nelson English.

Food and Nutrition Information and Educational Materials Center Catalog Cambridge University Press

School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work—the place to research an assignment or find a book for a report—but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units (such as Cartoon Cavalcade, Log On at the Library, Go in Style, Cruising the Mall, Space Shots, Teens on TV, and 44 others) that are designed for young adults. Each includes a display idea, suggestions for local sponsorship of prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs.

Complete First for Schools Student's Book with Answers with CD-ROM Cambridge University Press

The Columbia Anthology of British Poetry brings together the most remarkable verse written in the British Isles over the course of the past twelve centuries, offering the greatest diversity of poetic voices in any anthology of its kind. From Shakespeare's memorable sonnets to Keats's haunting odes to T.S. Eliot's meditations on the conditions of modern life, the collection contains many of the best-loved treasures of British poetry.

Longer and much-celebrated poems that rarely find their way into anthologies—including Pope's "Rape of the Lock" and Coleridge's "Rime of the Ancient Mariner"—claim a place in this collection. Queen Elizabeth I, Anne Killigrew, Aphra Behn, Elizabeth Barrett Browning, and Felicia Hemans are among dozens of women writers renowned in their own day and now restored to their rightful prominence. Scottish, Welsh, and Irish poets often excluded from anthologies of British poetry are here as well, including such extraordinary voices as Lady Grisell Baillie, Robert Burns, Hugh MacDiarmid, and Seamus Heaney. The finest contemporary poets are fully represented also, from Thom Gunn to Eavan Boland. The result is an amazingly rich and wide-ranging conversation among British poets that transcends the boundaries of time and place. Carl Woodring and James Shapiro, the team scholars who edited *The Columbia History of British Poetry*, have written incisive introductions to the careers of the poets, making this the most accessible and comprehensive anthology of British verse in print. Covering the new and the ancient, the classic and the rediscovered, this generous volume reimagines the horizons of British poetry.

English Foxhound Fox Chapel Publishing

A distinctive, regal breed of scenthound derived from the centuries-old packs of France, the English Foxhound is an uncommon choice as a family companion, especially when compared to that small foxhound we know as the Beagle. The English Foxhound, first and foremost, is a thoroughbred hunting dog, prized for his athletic ability and stamina. The chapter on the breed's history paints a romantic picture of the breed running ahead of British redcoats on the field as well as hunting alongside America's first president, George Washington. Deciding whether the English Foxhound is the right dog for you is the focus of the chapter on the breed's characteristics. This packhound is more biddable than his American cousin (the American Foxhound), though a bit larger, and requires a king's portion of exercise, socialization, and daily attention. Because the English Foxhound was bred to run for long distances in the company of other foxhounds, his nature cannot be changed, and potential owners must decide whether they have the inclination to share their lives with such an active scenthound. For owners who decide to add an English Foxhound to their families, they will discover a happy-go-lucky, friendly companion dog that adores the company of children and enjoys being involved in the

family's activities. Inside this Comprehensive Owner's Guide, new owners will find a well-prepared chapter on locating a reputable breeder and selecting a healthy, sound puppy. Given the rarity of the breed, new owners will require patience to find an English Foxhound puppy (or adult), but all breeders attest that it's worth the wait. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, exercise, and grooming are illustrated with photographs of handsome adults and puppies. In all, there are over 135 full-color photographs in this useful and reliable volume. The author's advice on obedience training will help the reader better mold and train into the most well-mannered dog in the neighborhood. The extensive and lavishly illustrated chapter on health provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, preventing and dealing with parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical dogs, breeders, or kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

Nelson English Student Book [Lindfield, N.S.W.] : School of Library and Information Studies, Kuring-gai College of Advanced Education

What values does America truly stand for? In *The Idea That Is America*, a preeminent foreign policy scholar elegantly reminds us of the essential principles on which our nation was established: liberty, democracy, equality, tolerance, faith, justice, and humility. Our ongoing struggle to live up to America's great promise matters not only to us, but also to the billions of people everywhere who look to the United States to lead, protect, and inspire the world. In *The Idea That Is America*, Anne-Marie Slaughter shows us the way forward.

Eat your way around the world without leaving your home in this mouthwatering cultural history of 100 classic dishes. Best Culinary Travel Book (U.K.), Gourmand World Cookbook Awards Finalist for the Fortnum & Mason Food Book Award "When we eat, we travel." So begins this irresistible tour of the cuisines of the world, revealing what people eat and why in forty cultures. What's the origin of kimchi in Korea? Why do we associate Argentina with steak? Why do people in Marseille eat bouillabaisse? What spices make a dish taste North African versus North Indian? What is the story behind the curries of India? And how do you know whether to drink a wine from Bourdeaux or one from Burgundy? Bubbling over with anecdotes, trivia, and lore—from the role of a priest in the genesis of Camembert to the Mayan origins of the word chocolate—The World on a Plate serves up a delicious mélange of recipes, history, and culinary wisdom to be savored by food lovers and armchair travelers alike.
