The Last Red Sunset University of Illinois Press
The young Wooreddy recognised the omen immediately, accidentally stepping on it while bounding along the beach: something slimy, something eerily cold and not from the earth. Since it had come from the sea, it was an evil omen. Soon after, many people died mysteriously, others disappeared without a trace, and once-friendly families became bitter enemies. The islanders muttered, 'It's the times', but Wooreddy alone knew more: the world was coming to an end. In Mudrooroo's unforgettable novel, considered by many to be his masterpiece, the author evokes with fullest irony the bewilderment and frailty of the last native Tasmanians, as they come face to face with the clumsy but inexorable power of their white destroyers. A novel of real power and stature. - Adelaide Advertiser
In Dr Wooreddy, Mudrooroo has taken his previous themes of (Aboriginal) heritage and identity and melded them into one perception. This is an amazing book. - Newcastle

Herald Powerfully imaginative, unflinchingly honest, rich in imagery and alive with comic ironies. - Australian Book Review Outstanding. - Boston Herald

In the Winter of 2019 Peter Ridgeway set out to walk 179 kilometres across the Cumberland Plain, the region of rural land west of Sydney. Carrying his food and water and camping under the stars, he crossed one of the least-known landscapes in Australia, all within view of its largest city. This book recounts a unique journey across a landscape few Australians will ever see. In this open country the familiar forests of Sydney's sandstone are replaced by a fertile world of open woodlands, native grasslands

and wetlands, home to some of the Nation's most unique and endangered wildlife. The traditional land of the Darug, Gundungurra, and Dharawal peoples, and the birthplace of the first Australian colony, it is a landscape which also holds the key to our entwined and conflicted origins. What was once a limitless tract of woodland is now being engulfed by the city to its east in the largest construction project ever undertaken in the Southern Hemisphere - the elimination of an ecosystem and a community. This book provides an immersion in the history, wildlife, and culture of one of Australia's most rapidly vanishing landscapes, and reveals how the destruction of 'the West' is erasing not only itself, but something central to the identity of all Australians.

As Andrés Bello predicted in 1823, the glory of Simón Bolívar has continued to grow since the Spanish American Revolution. The Revolution is still viewed as an almost mythical quest, and the name of the Libertador has become synonymous with the region's hopes for integration. In this 1992 book, the official history of the Revolution - the heroic history of Bolívar - is replaced by the account of Bello, who was first Bolívar's teacher and later his critic. Through a detailed study of the manuscripts of Bello's unfinished poem América, Antonio Cussen reconstructs Bello's version of the Revolution and seeks to understand its political

and cultural consequences. The author argues that Bello recorded the disintegration of the Augustan model of power and intimated the inevitable approach of liberalism with a certain longing for the classical culture of his youth.

The Last Run Penguin

Bringing back in time, life through the 1950's. This is a great untold story. A unique adventure into a world of wild imagination. The struggle of two families for survival. One, firmly seeking to look in the right direction. The other with tremendous inclination for wrong doings. Both victims of their own ignorance. **THE LAST RED SUNSET** describes with complete details the knowing-mess that ignorance can create. And how it impacts the life of others for better or worse. Taking me back in time to my childhood in 1970's, connecting me to some sources of strange events. The novel tells the unthinkable adventure of three

brothers that sat foot in a remote farm in 1955, the struggle for survival, and their tragic demise. And those that once lived under the rain of happiness and fear around them. Just living the life day by day, even if that day was destined to be the last red sunset.

The Most Heretical Last Boss Queen: From Villainess to Savior (Light Novel) Vol. 3 ETT Imprint

A group of Americans have traveled to Israel with their synagogue. Meanwhile, a group of radical Islamists plans to use the tour group as a pawn in a game to free member terrorists who are being held in Israeli prisons. The terrorists, however, much contend with Elan Amsel, a Mossad agent who has devoted his life to the survival of his beloved Israel.

“When we receive the key to biblical eschatology, a whole new world opens up to

us. The scales fall from our eyes and we see Christ, His covenant, His kingdom, and His people in all Scripture. In The Great End Time Debate, Dean Davis offers us the key.” — Simon Wartanian _____ For the last 150 years the evangelical church has been embroiled in a great debate about eschatology: about the true shape of Salvation History, and about God’s plan for the Consummation of all things at the return of Christ. In this book, retired pastor and author Dean Davis seeks to resolve that debate once and for all. He begins at the beginning, asking how it got started and what keeps it going. He answers by suggesting that we have failed to listen to God’s Son, who alone can guide us into all truth, including eschatological truth. Making that commitment afresh, and therefore anchoring to the New Testament, Davis invites us on a rich theological journey with Christ in which we listen to the Lord on the four underlying issues

of the Great End Time Debate: the Kingdom of God, the interpretation of Old Testament Kingdom prophecy, the meaning of the Millennium, and the Consummation of all things. The journey is no cakewalk, for along the way we must earnestly wrestle with complex issues and honestly consider competing options. But the prize ever beckons: a final ascent to the highest peak of all, the peak where the High King of Heaven grants his beloved Bride a fresh vision of her Blessed Hope, and the winner of the Great End Time Debate.

Kashmiri Pandits Houghton Mifflin

Based upon her own words, this is the story of a unique individual whose deep love for her native country was overshadowed only by her compelling love for freedom. Born with a pedigree

of royalty reaching back to the Byzantine Empire, and riches comparable to the American Rockefellers, this princess seemed destined to a life of pampered luxury and perhaps a noble charity. Life, however, doesn't always follow the script... especially someone with Catherine's character. In *Love With Freedom*, a sweeping story of one woman's remarkable lifetime of triumph and tragedy in the kaleidoscope of the twentieth century. The story begins with a toddler snatched from her mother's bosom by her evil father and hidden for thirteen years in a series of orphanages, a pawn in a high stakes game of ransom and revenge. The plucky, fearless, and resourceful child at last escapes and crosses Europe, eventually arriving in Romania on the Orient Express and is declared a princess... but that is only the beginning of her journey. Catherine learns to be a princess, wife, and mother through World War I, the Depression, and epidemics. Yet it is World War II that is her defining moment. Learn how this woman of less than five feet of stature stands up to the despicable Gestapo and the mighty Nazi Armies; earns the moniker 'the Angel of Ploesti' from the 1400 American POWs that are torn from the angry skies of Hitler's most heavily protected resource - Romania's, Catherine's oil fields; and then survives the starvation, pogroms, and death of the Soviet 'liberation' of Eastern Europe.

What can she do to escape the barbarism? What can she do to help her country and all those oppressed by the horrors of Communism and dictatorships? The answers are truly amazing and inspiring.

What is Comparative Sinology? China from Where We Stand brings together powerful, diverse voices to define the boundaries and possibilities of this new field, providing a range of perspectives – insider, outsider and in-between – with China at the center. This exemplifies a new China: progressive, outward-looking, yet reflective. Comparative Sinology studies how China has been studied. In today's global world of hybrid, hyphenated identities, such studies cannot be confined to how non-Chinese study China. What does it mean to be Chinese? Where does it start?

Where does it end? Like the related disciplines of China Studies and National Studies, Comparative Sinology is interdisciplinary. Though the four parts of this book represent Philosophy, Literature, History, and Culture, all articles could fit in at least two of these categories. This book redefines the boundaries of traditional academic study, including the subject position, as it is essential, when trying to understand China and its place in the world today, to look at the place of each one of us. Personal connections may be explicit or implicit; but every author here is passionate and personally connected to the work that he or she does, and to China's future. The practical and intellectual possibilities of this discipline are vast and varied, and this book offers a potential springboard for such ideas.

A stunning historical romance from debut author Sandra Lake transports readers to 12th

century Sweden, where a powerful Viking lord will discover a fierce heart cannot be taken by mere force. Lida was married to the love of her life for just two months when she became a widow. Pregnant and disowned by her late husband's family for suspected infidelity, she was forced to return to her family in shame. Eight years later, uninterested in the prospect of finding another husband, she finds herself the unwilling object of a marriage contract with a powerful warlord. In a day, she is wed, bed, and put on a ship headed for Tronscar; an unknown icy stone and steel fortress. Jarl Magnus is pleased to have taken a strong wife who, however stubborn she may be, will surely produce sons. However, he is less pleased with his wife's additional baggage—a young daughter. But despite himself, Magnus falls for the daughter just as hard as the mother, and Lida's heart is warmed to see the cold, serious Jarl move surprisingly fast into the role of

stepfather. When enemies attack Tronscar, Jarl Magnus's nerves of steel waver, as the warrior fears his love for Lida will weaken him. But when his family is threatened, he'll go to war to protect them, discovering along the way that they have the strength to protect themselves. "With compelling characters and a clever plot, *The Warlord's Wife* will appeal to readers obsessed with TV's Vikings, and who miss the classic Viking romances of Catherine Coulter or Johanna Lindsey."—*Heroes and Heartbreakers* "Lake's debut historical romance is sure to appeal to those who enjoy spirited heroines, grumpy alpha heroes, and a slow sweet journey to everlasting love."—Smexy Books "Man, this was a fun book! ... I cut my teeth on Johanna Lindsey, and this book reminded me so much of those experiences."—Dear Author Sandra Lake lives with her husband and son in Quebec, Canada. *The Warlord's Wife* is her debut novel.

The Devil is alive and well and living in America, Andrei Codrescu tells us, and with good reason. Nowhere else in the world--not even in Codrescu's native Transylvania--is he taken quite as seriously. When Codrescu gently derided the fundamentalist Christian belief in Rapture ("a pre-apocalyptic event during which all true believers would be suctioned off to heaven in a single woosh") in one of his commentaries on National Public, NPR received forty thousand letters in a protest spearheaded by Ralph Reed of the Christian Coalition. Codrescu was warned to "stay away from eschatology." Thankfully for us, he hasn't. In *The Devil Never Sleeps*, one of America's shrewdest social critics sets out to uncover the Devil's most modern and insidiously banal incarnations. Once easily

recognizable by his horns, tail, and propensity for plague, today's Devil has become embedded in every fiber of our culture. Discussing everything from rock 'n' roll to William Burroughs to New Orleans bars to the Demon of Prosperity, Codrescu mockingly unmask Old Nick as the opportunistic technocrat he really is. Embracing cell phones, cable access, and cyberspace, the ubiquitous Devil of secular culture embodies the true evil facing us today--banality. In a world teeming with distractions, we are still more than capable of being bored to death. Tormented as much by insomnia and its ravages as the Devil (perhaps they are one and the same), we've become as twenty-four-hour society, swinging desperately between tedium and terror and sleeping fitfully, if at all. As Codrescu points out, the Devil never sleeps because we just won't let him. With his characteristic charm and playful exuberance, Andrei Codrescu has

successfully teased the Devil out from the darkest recesses and comic excesses of the human experience. The Devil Never Sleeps is his most wonderfully perverse book yet.

Kaltenburg Trafford Publishing
Princess Pride has made it to age sixteen without succumbing to villainy, turning her potential enemies (or victims) into allies all the while. On the night of her birthday party, she meets the charming, handsome prince of another kingdom--and he's also her fiance! Pride knows that a future of despair awaits him, so she takes it upon herself to protect the prince and guide him toward a happy ending!

Bello and Bolívar Harper Collins
The battle is lost. Caelius has won. Lucian has sacrificed himself by giving his body and mind

to Caelius to save Shea and the others. The only obstacle that remains is for Caelius to take Shea's soul and restore himself to full power. But Shea isn't giving up. She won't rest until she has Lucian back by her side and Caelius is destroyed. Unfortunately, her mother, Molly, is now with Caelius and has no memory of her daughter. Nefertiti is no longer an ally, as she will do anything to protect the children she has left. Meanwhile, Lucian is being systematically tortured by Caelius, his mind twisted until all his memories of Shea are erased and he only sees Caelius as his one true love and savior. Will Shea and Lucian overcome the impossible obstacles set in their way and finally kill Caelius? Or will Darkness win and destroy the world and everyone they love with it? Shea chapters written by Becca C. Smith. Lucian chapters written by Hina McCord. ****TRIGGER WARNING**** This book contains violence and sexual assault.

The Last Escape Red Frog Publishing
Finalist for the Edgar Award for Best First Novel, Harlan Coben meets early Dennis Lehane in this “smashing debut thriller” (Chicago Tribune), set in a small northern Michigan town by a Pulitzer Prize-winning journalist. In the dead of a Michigan winter, pieces of a snowmobile wash up near the crumbling, small town of Starvation Lake—the same snowmobile that went down with Starvation’s legendary hockey coach years earlier. But everybody knows Coach Blackburn's accident happened five miles away on a different lake. As rumors buzz about mysterious underground tunnels, the evidence from the snowmobile says one thing: murder. Gus Carpenter, editor of the local newspaper, has recently returned to Starvation after a failed attempt

to make it big at the Detroit Times. In his youth, Gus was the goalie who let a state championship get away, crushing Coach's dreams and earning the town's enmity. Now he's investigating the murder of his former coach. But even more unsettling to Gus are the holes in the town’s past and the gnawing suspicion that those holes may conceal some dark and disturbing secrets—secrets that some of the people closest to him may have killed to keep. ‘The author is a sympathetic narrator and he has told his story... with genuine verve and style... [His] South Tyrolean origins, and his role in the Brandenburg Division make the book very distinctive.’ Roger Moorhouse. The Brandenburgers were Hitler’s Special Forces, a band of mainly foreign German nationals who used disguise and fluency in other languages to complete daring missions into enemy territory. Overshadowed by stories of their Allied equivalents, their history has largely been ignored, making this

memoir all the more extraordinary. First published in German in 1984, de Giampietro's highly personal and eloquent memoir is a vivid account of his experiences. In astonishing detail, he delves into the reality of life in the unit from everyday concerns and politics to training and involvement in Brandenburg missions. He details the often foolhardy missions undertaken under the command of Theodor von Hippel including the June 1941 seizure of the Duna bridges in Dunaburg and the attempted capture of the bridge at Bataisk where half of his unit were killed. Translated into English for the first time, this is a unique insight into a fascinating slice of German wartime history, both as

an account of the Brandenburgers and within the very particular context of the author's South Tyrolean origins. Given the very perilous nature of their missions very few of these specially trained soldiers survived the Second World War and much knowledge of the unit has been lost forever. Widely regarded as the predecessor of today's special forces units, this fascinating account brings to life the Brandenburger Division and its part in history in vivid and compelling detail.

Sacred Justice Lulu.com

She's not who he thinks she is. But she just might be everything he needs... Tired doesn't even begin to describe how Princess Elena of Atharia is feeling. A brief respite from the pressures of her position will do her good.

Unfortunately, rest isn't something royalty is typically afforded. But she'll do what is necessary to escape her responsibilities for a time—even if it means becoming someone else entirely... Lord Theodore Ward has no love for the wealthy. But if he doesn't marry well soon, he'll lose everything. And his hunt for a perfect bride cannot begin while his mother is unwell and unattended. So, hiring a lady's companion is the only option. Then the lovely Elena Smith arrives at his door and his plans become infinitely more complicated... When all the truths and secrets come to light, can these opposites find their way to happily ever after? Or will Theo lose his princess forever?

The Kalamata Diary Dell

The Last Run by David Burns Coursing through the rugged mountains of Eastern Oregon is Lookingglass Creek, named after Chief Lookingglass, a little known

warrior of the Nez Perce tribe. Although this book is fiction, it depicts the real-life struggle for the Northwest's most precious resource: water. Lookingglass Creek becomes the home of one of the most beautiful fighting fish: the fire-fish. Somehow, this gorgeous fish has managed to defy the rules of nature, evolving to combine the tenacity of the steelhead with the power and strength of a Chinook salmon.

Indigenous to Lookingglass Creek, the fire-fish is found nowhere else in the world. There is just a tiny population remaining, and these genes must be saved to be passed on for future generations, including those dedicated fishermen brave enough to tangle with one of these water warriors.

Recovering from a nasty divorce, the main character, Travis Rexton, returns to college

to become a fisheries biologist. This true calling in life. He teams up with a young tribal member, Charlie Lookingglass.

Together they vow to save this endangered fish at all cost. Little do they know, despite their expertise and degrees, the survival of the fire-fish ends up depending entirely on their little friend and fishing buddy, six-year-old Tyson Nightsky.

THE LAST MATRYOSKA The Wolfpire
Saga VOLUME IV Books 7 & 8 Yang :

Unveilings In a Moskva courtroom, the fate of the world hangs in the balance. In order to give permanence to the Dream, Ilyana Yurievna Kirakova must be convicted, then put to death for her crimes. There is only one major problem: The ones who must condemn her are her most loyal followers. Those who turned the Dream into a living reality. They want to spare her, unaware that doing so will destroy the Dream and more. It will unleash Hell, for if the Dream dies, the antichrists conquest of the world will then be total and complete. Equally a concern is Petr, the CIA man who knows who Ilyana really is. He too will do everything he can to save her, including reveal her. A revelation that could also potentially destroy the Dream. Thus, this has become a time of trial and struggle,

love, fear, and loss, unleashed amidst the uncompromising final battle. A battle the wolfpire desperately needs to win even though victory will likely cost her everything she personally wants and loves. It could even cost her, her actual life. Yin : The Ultimate Gift The Tragic, Joyful, Uplifting Conclusion. Bonus Material The Constitution of the Federatsiya Narodov.
