Frank Sinatra Has a Cold HarperCollins
A NEW YORK TIMES BESTSELLER
Another thrilling domestic suspense novel from the New York Times bestselling author of *Not a Happy Family* “The twists come as fast [as] you can turn the pages.” —People “I read this novel at one sitting, absolutely riveted by the storyline. The suspense was beautifully rendered and unrelenting!” —Sue Grafton
It all started at a dinner party. . . A domestic suspense debut about a young couple and their apparently friendly neighbors—a twisty, rollercoaster ride of lies, betrayal, and the secrets between husbands and wives. . . Anne and Marco Conti seem to have it all—a loving relationship, a

wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story. Inside the curtained house, an unsettling account of what actually happened unfolds. Detective Rasbach knows that the panicked couple is hiding something. Both Anne and Marco soon discover that the other is keeping secrets, secrets they've kept for years. What follows is the nerve-racking unraveling of a family—a chilling tale of deception, duplicity, and unfaithfulness that will keep you breathless until the final shocking twist.

El tío Goriot Seal Press

Gay Talese is the father of American New Journalism, who transformed traditional reportage with his vivid scene-setting, sharp observation and rich storytelling. His 1966 piece for Esquire, one of the most celebrated magazine articles ever published, describes a morose Frank Sinatra silently nursing a glass of bourbon, struck down with a cold and unable to sing, like 'Picasso without paint, Ferrari without fuel - only worse'. The other writings in this selection include a description of a meeting between two legends, Fidel Castro and Muhammad Ali; a brilliantly witty dissection of the offices of Vogue magazine; an account of travelling to Ireland with hellraiser Peter O'Toole; and a profile of fading baseball star Joe DiMaggio, which turns into a moving, immaculately-crafted meditation on celebrity.

The Girl with the Dragon Tattoo Penguin
The #1 New York Times Bestseller, USA
Today Book of the Year, now a major motion picture starring Emily Blunt. The debut psychological thriller that will forever change the way you look at other people's lives, from the author of Into the Water and A Slow Fire Burning. "Nothing is more addicting than The Girl on the Train."—Vanity Fair "The Girl on the Train

has more fun with unreliable narration than any chiller since *Gone Girl*. . . . [It] is liable to draw a large, bedazzled readership.”—The New York Times

“Marries movie noir with novelistic trickery. . . hang on tight. You'll be surprised by what horrors lurk around the bend.”—USA Today

“Like its train, the story blasts through the stagnation of these lives in suburban London and the reader cannot help but turn pages.”—The Boston Globe

“*Gone Girl* fans will devour this psychological thriller.”—People

EVERY DAY THE SAME Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck.

She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. UNTIL TODAY And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

White Fang Anagrama

The *Jungle Book* (1894) is a collection of stories by the English author Rudyard Kipling. Most of the characters are animals such as Shere Khan the tiger and Baloo the

bear, though a principal character is the boy or "man-cub" Mowgli, who is raised in the jungle by wolves. The stories are set in a forest in India; one place mentioned repeatedly is "Seonee" (Seoni), in the central state of Madhya Pradesh.

How Stella Learned to Talk LUMEN

"Lo que más inquieta a los hombres de estar con chicas como nosotras es que, tarde o temprano, nos van a meter la mano en la entrepierna. Saben que detrás de esa mujer hay un hombre pero, cautivados por la máscara, es más fácil de enfrentar. Siento que soy una diosa cuando voy por la calle y se dan vuelta para mirarme. Me gritan: yegua, potra, divina. Y me río de los que se ríen porque sé que algo les pasa. Yo los vi, en mi cama. Tipos que al principio se reían: los escuché pidiéndome por favor. También se acercan hombres y mujeres

buscando una falsa amistad para sentirse modernos y exóticos, sólo por decir: Yo tengo un amigo travesti. Como si dijeran: En casa tengo una pantera negra..." Que un hombre se apellide Mora no llama particularmente la atención. Que una mujer se llame Mora, tampoco. Pero que un hombre apellidado Mora se convierta en una mujer llamada Mora, sí. Y esta es su historia, desde el día en que fue encontrado en el armario de un hotel, recién nacido, y llegó al orfanato del cual saldría años después adoptado por un matrimonio de Barrio Norte. Esta es la historia de un adolescente obeso sometido a crueles internaciones y tratamientos psiquiátricos, que busca contra viento y marea su identidad, y empieza a encontrarla en un par de zapatos taco aguja, unas medias de red, una minifalda ceñida y unas inyecciones de silicona industrial aplicadas a su

pecho plano. Esta es la historia de Mora, travesti, pantera negra, trabajadora del sexo en Buenos Aires.

Ulysses Penguin UK

The book that has shaped modern dog training and ownership with its unique and scientifically sound recognition of the "cultural" differences between dogs and humans. Dogs can't read so you need to in order to really understand your dog.

La chica del abrigo azul Simon and Schuster
Auggie Pullman, who was born with extreme facial abnormalities, goes from being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates.

The Couple Next Door Vintage

Drawing on conversations with hundreds of women

about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

The Count of Monte Cristo Anchor Canada
NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post
Book World Book club pick for Emma Watson's Our Shared Shelf
Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has

muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Grupo Editor

Loosely based on the *Odyssey*, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

100 Animales Libro de Colorear Para Niños
Dogwise Publishing

The *Count of Monte Cristo* is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after

his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and

immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

La Emulación Ballantine Books

Awe and exhilaration--along with
heartbreak and mordant wit--abound in
Lolita, Nabokov's most famous and
controversial novel, which tells the story of
the aging Humbert Humbert's obsessive,
devouring, and doomed passion for the
nymphet Dolores Haze. *Lolita* is also the
story of a hypercivilized European colliding
with the cheerful barbarism of postwar

America. Most of all, it is a meditation on
love--love as outrage and hallucination,
madness and transformation.

Mora. Confesión travestí NUBE DE
TINTA

A MEMOIR BY THE YOUNGEST
RECIPIENT OF THE NOBEL PEACE
PRIZE As seen on Netflix with David
Letterman "I come from a country that was
created at midnight. When I almost died it
was just after midday." When the Taliban
took control of the Swat Valley in Pakistan,
one girl spoke out. Malala Yousafzai
refused to be silenced and fought for her
right to an education. On Tuesday, October
9, 2012, when she was fifteen, she almost
paid the ultimate price. She was shot in the
head at point-blank range while riding the

bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

La comedia humana ; Papá Goriot Harper Collins

Libro del año según The Sunday Telegraph y uno de los mejores libros del año según The New York Times. «Un festín de historias. Winterson nos ha traído un regalo de Navidad en forma de libro.» NPR Durante años Jeanette Winterson ha escrito un relato cada Navidad: cuentos llenos de fantasmas y de carámbanos, de trineos y de muérdago, pero con esa dosis de ironía y reflexión que solo ella es capaz de transmitir. En Días de Navidad se reúnen doce de ellos: historias para leerse en voz alta, en familia, frente al fuego de la chimenea, y que acompañan hermosas ilustraciones y festivas recetas muy personales. La crítica ha dicho... «En ninguno de sus libros encontraremos la fe de Winterson en el poder de la narración con tanta intensidad como en su nuevo libro, Días

de Navidad. Oscuro, lleno de imaginación y canto a lomo.» Ana Bretón, *El Mundo* (marca Winterson) perversamente divertido. Un «Tradición e ironía, tradición y rebelión. Todo regalo navideño para ser leído en voz alta junto en un mismo volumen. Hermoso y explosivo al a la chimenea en una noche de diciembre.» New mismo tiempo. [...] Inmenso y perverso libro en York Times Book Review «Que el título no te el que igual habla del acto de comer como de lleve a engaño. Tras esta fachada tan navideña escribir. [...] Una nuez cruel y hermosa, si se lee con atención.» Karina Sainz Borgo, *VozPópuli* Jeanette Winterson nos ofrece algunas grandes «Winterson reclama una Navidad modesta, de historias de miedo. De esas que son ideales para una alegría benedictina, que ya se sabe que es leer junto al fuego. Las intercala con otras más de una alegría austera, más interior que de entrañables y algunas recetas típicas de las sonrisas; [...] una Navidad personalizada, fiestas familiares en el mundo anglosajón. [...] tuneada al gusto de cada menda.» Javier Ors, El cuento del fantasma en la estación de esquí, o Zenda «Una maravilla de libro. [...] Una el del bebé que llora en la casa victoriana, te grandísima escritora y un libro precioso, editado van a encantar. Tampoco te dejes el de la de manera espléndida.» Cadena Ser (*La segunda mejor cama. Es un libro para comprar en tapa dura y leer y releer.» Elena Méndez, La Ventana*) «Winterson nos ha dado una Voz de Galicia «Navidadictas, este es vuestro inesperada alegría navideña. Unos cuentos libro. Una auténtica inmersión en el espíritu mágicos y exuberantes.» Washington Post «Si navideño sin cursilería mediante. Bonito de anhelas el misterio, los rituales familiares y los

manjares de Navidad, disfrutarás con *Días de Navidad* de la audaz y reveladora escritora feminista Jeanette Winterson.» Elle «Los cuentos de invierno de Winterson logran indefectiblemente deslumbrarnos.» Alfred Hickling, *The Guardian* «La mezcla de golosinas narrativas de Winterson tiene el encanto del siglo XIX tan necesario en el sombrío siglo XXI.» Kirkus «Lleno de encanto y con hermosas ilustraciones. Es un libro para escapar de los aspectos menos sanos de la Navidad al país de las maravillas literarias.» *Stylist* «Navideños relatos ilustrados de un cinismo arrollador y francamente delicioso.» Laura Fernández, *Vanity Fair* «Una guirnalda navideña maravillosa y sorprendente, ingeniosa y entretenida.» Kate Saunders, *Saga Magazine* «Una mezcla poco convencional de cuentos, recetas, memorias, historia y filosofía personal.

Una mezcla que funciona brillantemente.» *The Sunday Times' Culture* «Los cuentos sobrenaturales, espeluznantes, inteligentes, divertidos y conmovedores de Winterson refrescan nuestra apreciación de lo que realmente significa dar, amar y compartir alegría.» *Booklist* «Sorprendente y entretenido. Una lectura deliciosa para largas noches de invierno.» *BBC* «*Días de Navidad* modela esta abundancia de esperanza en todo. Incluso aquellos que disfrutaban de la temporada con ambivalencia encontrarán algunas golosinas para saborear en sus páginas.» *Lambda Literary Review* «La prosa de Jeanette Winterson tiene vida propia. [...] Doce cuentos extraordinarios.» *Mar de Tinta* «Como los peces en el río, este libro se lee y se lee y se vuelve a leer. Y cada Navidad podrás sacarlo del cajón de los adornos de espumillón y sentarte a disfrutarlo bajo el

árbol engalanado. Su tapa dura garantiza la longevidad. Sus historias de espíritu navideño y las recetas de cocina de los platos más clásicos del mundo anglosajón lo convierten en objeto de culto. Merry Christmas.» Fugas Sobre la autora «Winterson [...] a través de la heterodoxia de sus textos, dinamita categorías, vocabularios y convenciones tristes. Una escritora maravillosa.» Marta Sanz, Babelia «Jeanette Winterson es una fuerza desatada de la naturaleza. Ella sola es el cambio climático entero.» Carmen Morán Breña, El País «Mientras la mayoría de autores y autoras se limitan a regurgitar la imaginación de sus antecesores, [...] esta inglesa rebelde se pone la literatura por montera y la reinventa.» María Ángeles Cabré, Babelia «Esta pequeña joya sorprende a sus fieles, y numerosos lectores. [...] Si los cuentos de Winterson llaman la

atención, más aún lo hacen las recetas que intercala entre ellos.» Álvaro Soto, El Comercio «Una mezcla poco convencional de cuento Renacimiento Villard Books Murder mystery, family saga, love story, and financial intrigue combine into one satisfyingly complex and entertainingly atmospheric novel, the first in Stieg Larsson's thrilling Millenium series featuring Lisbeth Salander. “Combine the chilly Swedish backdrop and moody psychodrama of a Bergman movie with the grisly pyrotechnics of a serial-killer thriller, then add an angry punk heroine and a down-on-his-luck investigative journalist, and you have the ingredients of Stieg Larsson’s first novel.” —The New York Times Harriet Vanger, a scion of one of Sweden's wealthiest families disappeared over forty years ago. All these years later, her aged uncle continues to seek the truth. He hires Mikael Blomkvist, a crusading journalist recently trapped by a libel conviction, to investigate. He is aided by the pierced and tattooed

punk prodigy Lisbeth Salander. Together they tap into a vein of unfathomable iniquity and astonishing corruption.

Body Language Hogarth

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to

his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Lolita Knopf Books for Young Readers
A New York Times Bestseller “I’ll be forever
changed by Dr. Eger’s story...The Choice is a
reminder of what courage looks like in the
worst of times and that we all have the ability
to pay attention to what we’ve lost, or to pay
attention to what we still have.”—Oprah “Dr.
Eger’s life reveals our capacity to transcend
even the greatest of horrors and to use that
suffering for the benefit of others. She has
found true freedom and forgiveness and shows
us how we can as well.” —Desmond Tutu,
Nobel Peace Prize Laureate “Dr. Edith Eva
Eger is my kind of hero. She survived
unspeakable horrors and brutality; but rather

than let her painful past destroy her, she chose to with the moving stories of those she has helped transform it into a powerful gift—one she uses to heal. She explores how we can be imprisoned in help others heal.” —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor’s guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she’d been unable to forgive—herself. Edie weaves her remarkable personal journey
