Adaptation is everything. Inge Lohmark is well aware of that; after all, she's been teaching biology for more than thirty years. But nothing will change the fact that her school is going to be closed in four years: in this dwindling town in the eastern German countryside, there are fewer and fewer children. Inge's husband, who was a cattle inseminator before the reunification, is now breeding ostriches. Their daughter, Claudia, emigrated to the U.S. years ago and has no intention of having children. Everyone is resisting the course of nature the Inge teaches every day in class. When Inge finds herself experiencing intense feelings for a 9th-grade girl, her biologically determined worldview is shaken. And in increasingly outlandish ways, she tries to save what can no longer be saved.

Now in paperback, the touching, timely story of an Iraqi refugee in Germany. In our era of mass migration, much of it driven by war and its aftermath, *A Slap in the Face* could not be more timely. It tells the story of Karim, an Iraqi refugee living in Germany whose right to asylum has been revoked in the wake of Saddam Hussein's defeat. But Hussein wasn't the only reason Karim left, and as Abbas Khider unfolds his story, we learn both the secret struggles he faced in his homeland and the battles with prejudice, distrust, poverty, and bureaucracy he has to endure in his attempts to make a new life in Germany. As he erupts in frustration at his caseworker, and finally forces her to listen to his story, we get an account of a contemporary life upended by politics and violence, told with a warmth and humor that, while surprising us, does nothing to lessen the outrages Karim describes.

This "splendid biography" (Wall Street Journal) of Goethe presents his life and work as an essential touchstone for the modern age. A masterful intellectual portrait, *Goethe: Life as a Work of Art* is celebrated as the seminal twenty-first-century biography of the writer considered to be the Shakespeare of German literature. Johann Wolfgang von Goethe (1749 – 1832), a remarkably prolific poet, playwright, novelist, and—as R ü diger Safranski emphasizes—a statesman and naturalist, first awakened not only a burgeoning German nation but the European continent with his electrifying novel *The Sorrows of Young Werther*. Safranski has scoured Goethe's entire oeuvre, relying exclusively on primary sources, including his correspondence with contemporaries, to produce a "fresh and authentic" (Economist) portrait of the avatar of the Romantic era. Skillfully blending "artistic analysis

with swift, sharp renderings" of the great political and intellectual figures Goethe encountered, "[Safranski's] portrait of the prolific genius leaves the reader with lasting awe, even envy" of a monumental legacy (The New Yorker). As Safranski ultimately shows, Goethe's greatest creation, even in comparison to his masterpiece *Faust*, was his own life.
