Named a top beach read of summer by Oprah Daily, Good Housekeeping, The Wall Street Journal, and more "Nail-biting wallop of a debut . . . a thoughtful, unexpectedly optimistic tale." —The New York Times "If you enjoyed *The Searcher* by Tana French, read *What Comes After* by JoAnne Tompkins. . . . a mystery—and a gritty meditation on loss and redemption, drenched in stillness and grief." —The Washington Post After the shocking death of two teenage boys tears apart a community in the Pacific Northwest, a mysterious pregnant girl emerges out of the woods and into the lives of those same boys' families—a moving and hopeful novel about forgiveness and human connection. In misty, coastal Washington State, Isaac lives alone with his dog, grieving the recent death of his teenage son, Daniel. Next door, Lorrie, a working single mother, struggles with a heinous act committed by her own teenage son. Separated by only a silvery stretch of trees, the two parents are emotionally stranded, isolated by their great losses—until an unfamiliar sixteen-year-old girl shows up, bridges the gap, and changes everything. Evangeline's arrival at first feels like a blessing, but she is also clearly hiding something. When Isaac, who has retreated into his Quaker faith, isn't equipped to handle her alone, Lorrie forges her own relationship with the girl. Soon all three characters are forced to examine what really happened in their overlapping pasts, and what it all possibly means for a shared future. With a propulsive mystery at its core, *What Comes After* offers an unforgettable story of loss and anger, but also of kindness and hope, courage and forgiveness. It is a deeply moving account of strangers and friends not only helping each other forward after tragedy but inspiring a new kind of family.

Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. A knitting group's change of scenery changes lives in unexpected ways

Margaret, Rose, Jane, and Fran had a good thing going: meet every week in the quiet of their peaceful chapel and knit prayer shawls. No muss, just ministry.

That is, until their pastor boots them out of the church in his last-ditch effort to revive the dwindling congregation. Uptight Margaret isn't having it. Knitting prayer shawls where people can watch is the most ridiculous idea she's ever heard of, and she's heard plenty. Prayer belongs in the church, not out among the heathen masses. How are they supposed to knit holiness into these shawls if they're constantly distracted by the public? But with no choice, the others embrace the challenge. They pack their knitting bags and drag

Margaret—grumbling the whole way—to the mall with them. She can't wait to prove them all wrong when it fails miserably, and show the pastor that she always knows best. Without the familiar mold the group has been stuck in, their own losses, pain, and struggles rise to the surface. And the people and situations they encounter every time they try to sit quietly and knit are taking them a lot further out of their comfort zone than they ever imagined. Can they find the courage to tackle the increasing number of knotty issues they learn about in the community--or will the tangle be too much to unravel? Sharon J. Mondragon's debut is warm and delightful, full of real laughter, grief, and personality. It beautifully illustrates the power of women across generations to reach people for Christ

West Golden-so easy to hate, yet so hard to resist. Don't let that pretty face of his fool you. He isn't the boy next door, or the kind you trust with your heart. He's the devil in designer jeans, with all the charm of a bona fide psycho. Trust me. He swears I did something to cross him before I even stepped foot inside Cypress Prep, but it's a lie. No one knows better than me that I'm all out of chances. One more misstep and I can kiss my future goodbye, which means I can't possibly be guilty of whatever he thinks I've done. West marks me with a target anyway, and as this town's football star, no one dares to go against him. His money, status, and the loyalty of his equally entitled brothers makes him seem untouchable. Only, I know better than that. This false god isn't infallible like he wants the world to believe. Whenever I stare into those devilish green eyes, I see it plain as day. The chink in his armor. His one and only weakness. Me. The King of Cypress Prep has finally met his match, and taking him down just became an inside job. \*\*\*The Golden Boys are all smokin' hot, but there's only one guy for Blue Riley, which means this romance isn't a reverse harem. Also, full disclosure, this saga does contain strong bully themes. So, if you're not into romances where hate turns into love (well ... eventually), and if you don't like your heroes of the unapologetically alpha variety, this might not be the book for you. There is no rape or dubious consent whatsoever. However, due to adult themes and sexual situations, this one's only for the 18+ crowd. This series is sure to give you GOSSIP GIRL and ONE TREE HILL vibes, and the angst will keep you burning through the pages to find out what happens next. One-click and get lost in this series today!
