Surely there's more than  
one way to get to heaven?  
Bestselling author Andy  
Stanley addresses this  
popular belief held even  
among Christians. But  
believing that all good  
people go to heaven raises

---

major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says. Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. Good People Go to Heaven...Don't They? Sure they do. It only makes sense. Actually, it doesn't really make any sense at all. Smart, educated, accomplished men and women everywhere are banking their eternities on a theory that doesn't hold water. Chances are, you've never really thought it through. But you owe it to yourself to do so. Find out now what's wrong with the most popular theory about

heaven—and what it really takes to get there. Nobody is Perfect But If You are a SQL Developer You're Pretty Damn Close WaterBrook Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. Nobody's Perfect Albert Whitman A young child learns that nobody's perfect, yet people can be wonderful just the same. Deaf Child Crossing Simon and Schuster Anthony Lane on Con Air— “ Advance word on Con Air said that it was all about an

---

airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on *The Bridges of Madison County*— “I got my copy at the airport, behind a guy who was buying *Playboy*’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on Martha Stewart— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster

Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody’s Perfect is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar. *Wisdom from the Couch* Bonnier Zaffre Ltd. #1 NEW YORK TIMES BESTSELLER • A candid, inspiring guide to finding lasting love and sustaining a healthy relationship by getting real about your goals—based on the viral, multi-million-view sermon series about dating, marriage, and sex “No matter where you are and no matter what stage of life you are in, Relationship Goals will be a game changer.”—Levi Lusko NAMED ONE OF THE

---

BEST BOOKS OF THE YEAR BY COSMOPOLITAN  
You scroll through photo after photo of happy couples and think, I want a relationship like that! The thing is, those intimate relationships are a mirage—the closer you get to them, the more you realize they aren't real at all. So what does a real relationship look like? And how do you get there? In *Relationship Goals*, Pastor Michael Todd digs deep to give you good news and real-life ideas for making the most of your most important relationships. Take a look at • what it means to choose intentional dating over recreational

dating • how to move on from mistakes you've made in the past • why love gets stronger after marriage • what the Bible has to say about sex (hot take: it's more sizzling than you think) • why the best friendships have God at the center Whether you are married, single, or it's complicated, aiming for the right targets will make all the difference in finding true satisfaction. As it turns out, God's got the best relationship goals of all for your life. Why settle for less?  
*Lamb Open Road + Grove/Atlantic*  
An art collector hires Dortmund to steal one of his own

---

paintings It would take a miracle to keep Dortmund out of jail. Though he cased the electronics store perfectly, the cops surprised him, turning up in the alley just as he was walking out the back door, a television in each hand. Already a two-time loser, without divine intervention he faces a long stretch inside. Then God sends J. Radcliffe Stonewiler, a celebrity lawyer who gets Dortmund off with hardly any effort at all. Stonewiler was sent by Arnold Chauncey, an art lover with a cash flow problem. He asks the thief to break into his house and make off with a

valuable painting in exchange for a quarter of the insurance money. Chauncey has pulled the stunt twice before, so it must look real. He'll give Dortmund no inside help—a shame since, when this caper spins out of control, he'll need all the help he can get.

---

It looks at the masks we wear, where these masks come from, and how we can take them off. The book explores how we can better manage our relationships with shame, guilt, and trauma in order to remove the Mask that the world has asked us to wear (and that we forgot we were wearing) so we can live an authentic life with less drama, chaos, or BS whilst we're still around. This is a book for anybody who is waking up to the truth about themselves, the world, and reality and wants to

understand the mechanics of their relationship between themselves and their own 'stuff' so they can let go of the past, move into their potential, and live a real, fulfilling life as their undivided selves. Shadow Life is a book about the power of Unconditional Self-Acceptance and the strength, creativity, and energy that comes from unleashing the hidden sides of ourselves in alignment with the truth.

**Nobody Is Perfect  
But If Your Name Is  
AMARIAH You're  
Pretty Damn Close**

Central Recovery  
Press, LLC

As Jamie continues  
to grapple with  
middle school's Big  
Questions, she  
drops even more  
snarky gems of  
wisdom like,  
"Everybody knows  
that the more you  
love somebody, the  
less you try to  
look nice for  
them."

**Nobody's Perfect**  
Simon and Schuster

You don't need to be  
a genius, you just  
need to be yourself.  
That's the message  
from Austin Kleon, a  
young writer and  
artist who knows that  
creativity is  
everywhere,  
creativity is for  
everyone. A manifesto  
for the digital age,  
Steal Like an Artist  
is a guide whose  
positive message,  
graphic look and  
illustrations,  
exercises, and  
examples will put  
readers directly in  
touch with their  
artistic side. When  
Mr. Kleon was asked  
to address college  
students in upstate  
New York, he shaped  
his speech around the  
ten things he wished  
someone had told him  
when he was starting

---

out. The talk went viral, and its author dug deeper into his own ideas to create *Steal Like an Artist*, the book. The result is inspiring, hip, original, practical, and entertaining. And filled with new truths about creativity: Nothing is original, so embrace influence, collect ideas, and remix and re-imagine to discover your own path. Follow your interests wherever they take you. Stay smart, stay out of debt, and risk being boring—the creative you will need to make room to be wild and daring in your imagination.

Pretty Damn Close*  
Simon and Schuster  
With the same  
passionate  
scholarship and  
analytical audacity  
he brought to the  
character of God,  
Jack Miles now  
approaches the  
literary and  
theological enigma  
of Jesus. In so  
doing, he tells the

---

story of a broken promise-God's ancient covenant with Israel-and of its strange, unlooked-for fulfillment. For, having abandoned his chosen people to an impending holocaust at the hands of their Roman conquerors. God, in the person of Jesus, chooses to die with them, in what is effectively an act of divine suicide. On the basis of this shocking argument, Miles compels us to reassess Christ's entire life and teaching: His proclivity for the powerless and disgraced. His refusal to discriminate between friends and enemies. His transformation of defeat into a victory

that redeems not just Israel but the entire world. Combining a close reading of the Gospels with a range of reference that includes Donne, Nietzsche, and Elie Wiesel, *Christ: A Crisis in the Life of God* is a work of magnificent eloquence and imagination. *Nobody's Perfect* is an independently published journal is the perfect gift for AMARIAH Size: 6 x 9 inch Pages: 120 High-quality pages High-quality cover with a soft matte professional finish Best gift For your friends *Nobody is Perfect But If You Were Born in March You're Pretty Damn Close*

---

Penguin Savannah/Savi escaped eleven years of abuse at the hands of her father and finally made a safe life for herself and her daughter. But when her father once again threatens her peace of mind--and her daughter's safety--Savi runs to Damian Orlando for protection. Eight years earlier as Savannah, she shared one perfect day with Damian that changed both their young lives and resulted in a secret she no longer can hide. But being with Damian reawakens repressed memories and feelings she wants to keep buried. After witnessing a

scene with Damian on Savi's first night at his private club, however, she begins to wonder if he could help her regain control of her life and reclaim her sexuality and identity. Damian, a wounded warrior, has had his own dragons to fight in life, but has never forgotten Savannah. He will lay down his life to protect her and her daughter, but doesn't believe he can offer more than that. She deserves a whole man, something he can never be after a firefight in Iraq. Damian has turned to SM to regain control of his life and emotions and fulfills the role of Service Top to "bottoms" at

---

the club. However, he could never deliver those services to Savi, who needs someone gentle and loving, not the man he has become. Will two wounded survivors find love and healing in each other's arms?

### **Half Broke Horses**

Simon and Schuster

If you are a red blooded American who really loves and wants to help your country, then this book is a must read for you! It gives Americans of all walks of life the chance to sit down and calmly look at themselves with the hope that they will take to heart the author's analysis and common sense suggestions. The book is not intended to be a complete makeover of America, but rather a way to save what's

great and improve what may be in the way of our survival as the world's greatest superpower in history. Remember, nobody is perfect!

*Christ Baker*

Publishing Group

The author offers a novel based on the life of her grandmother, Lily Casey Smith, who learned to break horses in childhood, journeyed 500 miles on a pony as a teen to become a teacher, and ran a vast ranch in Arizona with her husband while raising two children, including Rosemary Smith Walls, portrayed in the author's

---

acclaimed The Glass  
Castle. Includes  
reading-group  
guide. Reprint. A  
New York Times Best  
Book of the Year.  
Nobody's Perfect  
American Psychological  
Association  
Is history driven more  
by principle or  
interest? Are ideas of  
historical progress  
obsolete? Is it  
unforgivable to change  
one's mind or  
political allegiance?  
Did the eighteenth  
century really  
exchange the  
civilizing force of  
commercial advantage  
for political  
conflict? In this new  
account of liberal  
thought from its roots  
in seventeenth-century  
English thinking to  
the end of the  
eighteenth century,  
Annabel Patterson  
tackles these

important  
historiographical  
questions. She rescues  
the term "whig" from  
the low regard  
attached to it; denies  
the primacy of self-  
interest in the  
political struggles of  
Georgian England; and  
argues that while  
Whigs may have strayed  
from liberal  
principles on occasion  
(nobody's perfect),  
nevertheless many were  
true progressives. In  
a series of case  
studies, mainly from  
the reign of George  
III, Patterson  
examines or re-  
examines the careers  
of such prominent  
individuals as John  
Almon, Edmund Burke,  
Sir Joshua Reynolds,  
Thomas Erskine, and,  
at the end of the  
century, William  
Wordsworth. She also  
addresses a host of  
secondary characters,

---

reshaping our thinking about both well-known and lesser figures of the time. Tracking a coherent, sustained, and adaptable liberalism throughout the eighteenth century, Patterson overturns common assumptions of political, cultural, and art historians. The author delivers fresh insights into the careers of those who called themselves Whigs, their place in British political thought, and the crucial ramifications of this thinking in the American political arena.
