collection of over thirty activities for mallet percussion instruments and drums that will energize your classroom. "Mallet Madness" uses songs, poems, music & literature connections, and reproducible flashcards to promote learning in the concept areas of beat, rhythm, melody, harmony, form, and expressive qualities. Thanks to its unique rotation system, your students will play all of the mallet percussion instruments in your classroom, as well as many of the non-pitched instruments. Suggestions

for adapting the activities for use in classrooms with few, or even no, mallet instruments are also given. Whether presented as a unit or spread over a semester or school year, your students will love "Mallet Madness" and you will love the skills and musicality they develop during these lessons.

Jump Frog Jump / Frogs Paired Set Macmillan

"Do you see what I see, Two Buckets? There are thousands of frogs coming to watch me, Phineas T. Barrel III, make Olympic history today." Phineas was the greatest athlete the creatures in the New York State Adirondack Forests had ever seen. He had won five Olympics in a row.

Throughout the years, many frogs had won five Olympics but not one had ever won six. Two Buckets

Turtle, Phineas's best friend and coach, would drive Phineas to greatness and perhaps a world title. Phineas wanted to be known as the greatest frog who ever lived. He had out-swam, out-jumped, out-harrumphed, and caught more bugs than any frog who had ever competed against him. In fact, no other frog had even come close. Phineas had a simple motto, "No other frog will ever defeat me, ever!" But his challengers had other ideas, even if it meant cheating to defeat him. Follow Phineas on his adventures to seek fame

and glory as the best of the best. Would he be able to achieve what no other frog had done before? Would he find that special place to become, Phineas T. Barrel III, the greatest frog who ever lived?
