That beautiful woman sitting across from you on the subway during your morning commute to work, the brunette in the short skirt and high heels walking down the street passing you by, and the cute professional blonde that you occasionally see at your local grocery store... in each instance, you admire her from a distance. Perhaps there's brief eye contact and a quick smile. For a split second, there's a spark of possibility in your mind and your heart beats a little faster. But just as quickly as it came, the moment passes and she walks away. Contrary to what most guys think, meeting women

during the daytime is one of the best and easiest things that you can do, especially if you don't enjoy going to loud clubs or bars full of drunken people, have a busy work schedule, travel a lot or just much prefer meeting women during the day. Jeremy Soul, a Love Systems Hall of Fame senior instructor, focuses specifically on meeting women during the day. Through his thousands of approaches, phone numbers and dates in places such as busy sidewalks, the shopping mall, the grocery store, the airport, the gym or even on the subway, Jeremy has broken down his system and shares the wealth of knowledge and experience that he has gained through the years. Inside, you will find: What is the best way to approach a woman during the day? Don't women get creeped out by being hit on during the daytime? What should I talk to her about... does it matter what I say? How

---

do I go about setting up a date/meeting up later? And much more. Don't make the mistake of thinking that you can only meet women during the night time!

---

relationship. What is packed in your bag? Do you bring family issues? Do you bring issues from past relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These questions are covered and more.

Extraordinary communication is extremely

important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. This book is the culmination of many years of education (both formal

---

and informal), observation, personal experience and prayer. God has blessed Rick and Penny by bringing them together to create this work. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years. It is our grandest hope that this book will help at least some of our readers make better dating (and life) decisions and start Dating Backward.

Dreams and skills get lost in the daily struggle combined with life's storms. Lost is that inner connection within where we find our inner self that knows things, has our true desires, and often knows where life will or ought to go. It is that source we find our daily transcendence of problems, transformation of life and connection with purpose and destiny. That core place is the Soul. Soul view is an examination of typical perspectives and ways of living life without this Soul. Then, through description and self inquiry, you'll find how to access,

---

connect, and love that inner Soul self. Dr. Bunch is a therapist and the author of several books on the soul, dating and relationships, and soft bipolar mood disorder. His approach is a Jungian and spiritual approach that allows all to find simple and practical direction. This book is both book and workbook combined. It will served as a starting point for many hours of personal reflection leading to greater consciousness of yourself and the meaning of your life.

Love, Intimacy and Online Dating: How a Global Pandemic Redefined Romantic

Relationships is an innovative work that explores the concept of intimacy during the COVID-19 pandemic. The book provides an overview of the online dating world and apps, the use of which gradually became common as the pandemic restricted people's interaction in the physical world. The author's extensive research conducted during the pandemic posits a comprehensive understanding of the individual's motivation to join a dating app and explores its varied aspects. This thoroughly

---

researched book explores the themes and elements of online dating and examines the users' motivation for joining a dating app, for seeking intimacy as well as for self-presentation on the app. Portolan examines the underlying politics and role of infrastructure of dating apps and describes how gender, power, and intimacy intersect to create new intimacy phenomena. She also utilises her research to put forth the key concept of "Jagged Love", which describes a user's

cyclical relationship with dating apps during the pandemic, and the gap between a user's act to seek familiar romantic narratives and the app's inability to deliver against these ideas. The chapters further explore the differences between virtual and In Real Life (IRL) intimacy, the generation of gender and the emanation of stereotypical cultural ideals that the users sought through the apps. The book serves as an invaluable discussion on the

---

pandemic's impact on modifying the definitions of romance and intimacy. This book will be useful for highlighting the impact social factors can have on familiar concepts and the effects of the COVID-19 pandemic on the definition of love and intimacy, making it fascinating for students, academics and professionals interested in relationships, digital media and gender. It will also be useful in enhancing the comprehension of love and romance in the fields of

social science.

Author, Kevin Hunter, is a love expert in love with all things surrounding the word love since he arrived on this planet. He has been out in the field studying the human condition since he was a teenager. This has included

---

conducting social experiments as well as diving head first into the areas of love and dating in his own personal life. One of the ways of surviving modern day dating and relationships in a loveless world is by armoring yourself with knowledge. This includes knowledge over the way things currently are. You've went to psychic readers, you've cast spells, you put yourself out there, did the vision boards, the crystal meditations, and other love rituals presented to you, but you still find you're desperately wishing the person of your dreams was here already. You grow cynical as if it will never happen and that you just have to accept the fact that perhaps it's not in the cards. Dating is a battlefield, be prepared to get dirty. Kevin Hunter is best known for his endless array of spiritually based books. In Love Party of One, he answers some of the practical issues that readers posed regarding their personal conflicts in the current dating market. This is a non-denominational book with some light spiritual slang for anyone struggling as a single person in a loveless world. This is regardless of age, background, or whether you are straight, bi, gay,

---

male, or female. The dating market is an equal opportunity killer and no soul is exempt from the challenges they face when it comes to love. Some of the topics discussed surround technological dating, falling in love with someone you've never met, codependency, exes, communicating, compromise, sex, marriage, monogamy vs. adultery, ageism, and more! What Readers Have Said: "As much as the author's personality seems to be the work of Picasso, I read the intro and first chapter of "Love Party of One". I was glued to it, because I really can relate. The things Kevin

Hunter touches on in this book are right-on." - A Reader "Loved this book. This line really stood out to me: "Desiring a love partner is not co-dependent...to equate a basic human need with desperation is absurd." - A Reader "An amazing read. Realistic. The book touches upon confusions, thoughts, and emotions in one's journey to the find the one. Also relevant were a focus on couples issues after they are together. Issues such as infidelity and monogamy which is so significant in today's age. It was good to see the author reinstate the old school belief
