**Cracking the TExES** Corwin Press  
This is the only introduction to teaching text that is specifically built around the new Texas standards for teacher certification. It is also the only Texas-specific book that combines practice with a solid grounding in theory, going beyond available practice TExES books that provide only limited theoretical information. With

Nath and Cohen's text as their guide, students will pass the Texas certification test--and also learn a great deal about effective teaching techniques. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
