'An enthralling adventure story, honest and powerful. The Wars of the Roses are imagined here with energy, with ferocity, with hunger to engage the reader.' Hilary Mantel 1469: Although the Yorkist King Edward sits on his throne in Westminster, within his family there is discord as his former ally, the Earl of Warwick, continues to conspire against him. And while to one another's faces they are all smiles, their household men speak in lies and whispers. No man comes to

court unarmed. As riot and rebellion stalk the land, so too do rumours of a secret, which, if proved true, will have devastating effects on the kingdom. Once again Thomas and Katherine Everingham are drawn into the fray by ruthless enemies and by past lives that refuse to be forgotten...

The Speed Queen BASTEI LÜBBE

In the year 937, the new king of England, a grandson of Alfred the Great, readies himself to go to war in the north. His dream of a united kingdom of all England will stand or fall on one field—on the passage of a single day. At his side is the priest

Dunstan of Glastonbury, full of ambition and wit (perhaps enough to damn his soul). His talents will take him from the villages of Wessex to the royal court, to the hills of Rome—from exile to exaltation. Through Dunstan's vision, by his guiding hand, England will either come together as one great country or fall back into anarchy and misrule... From one of our finest historical writers, The Abbott's Tale is an intimate portrait of a priest and performer, a visionary, a traitor and confessor to kings—the man who can change the fate of England.

Sharpe's Regiment HarperCollins
In Holland 1633, a woman's ambition has no place. Judith is a painter, dodging the law and whispers of murder to try to become the first woman admitted to the Haarlem painters guild. Maria is a Catholic in a country where the faith is banned, hoping to absolve her sins by recovering a lost saint's relic. Both

women ' s destinies will be shaped by their ambitions, running counter to the city ' s most powerful men, whose own plans spell disaster. A vivid portrait of a remarkable artist, *A Light of Her Own* is a richly-woven story of grit against the backdrop of Rembrandt and an uncompromising religion. Story behind the story . . . The trail of Judith Leyster ' s career was so faint that only years after her death in 1660, collectors began attributing her few surviving paintings to other artists. She signed her work with only a beautiful, stylized monogram. Credit went to Frans Hals, Jan Miense Molenaer, and others. She would remain lost to history until 1893.

As Europe erupts, can one young spy protect his queen? Ken Follett takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with his magnificent epic, A Column of Fire—the chronological latest in the Kingsbridge series, following The Pillars of the Earth, World Without End, and the prequel, The Evening and the Morning. In 1558, the ancient stones of Kingsbridge Cathedral look down on a city torn apart by religious conflict. As power in England shifts precariously

between Catholics and Protestants, royalty and commoners clash, testing friendship, loyalty, and love. Ned Willard wants nothing more than to marry Margery Fitzgerald. But when the lovers find themselves on opposing sides of the religious conflict dividing the country, Ned goes to work for Princess Elizabeth. When she becomes queen, all Europe turns against England. The shrewd, determined young monarch sets up the country's first secret service to give her early warning of assassination plots, rebellions, and invasion plans. Over a turbulent half century, the love between Ned and Margery seems doomed as extremism sparks violence from Edinburgh to Geneva. Elizabeth clings to her throne and her principles, protected by a small, dedicated group of resourceful spies and courageous secret agents. The real enemies, then as now, are not the rival religions. The true battle pitches those who believe in tolerance and compromise against the tyrants who would impose their ideas on everyone else—no matter

what the cost. Exciting and ambitious, and set during one of the most turbulent and revolutionary times in history, *A Column of Fire* will delight longtime fans of the Kingsbridge series and serve as the perfect introduction for readers new to Ken Follett.

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost

unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions that mark his past. How he discovers the answers, how he finds his way to a

singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. The Last Jew is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.
