"Bhagat Singh

spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated Court Battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the Colonial jail, and faced torture and pain. Their heroism

made them icons and figures of Inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four Books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the Young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his Birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This Edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja;

and the annotations have been revised and updated for this edition. Also included are the most important Texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging" -- Provided by publisher. Stuff I've Been Feeling Lately Roli Books Private Limited A superb collection of photographs which tell the story of the Duleep Singhs, the family of the late Maharajah of the Punjab, who was exiled to Britain and became a favourite of Queen Victoria. “ Workers looking for more fulfilling positions should start by identifying their ikigai. ”

Business Insider
“ One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life. ” Forbes
Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to

all your days. “ Only staying active will make you want to live a hundred years. ” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world ’ s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you ’ re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It ’ s the reason we get up in the morning. It ’ s

also the reason many Japanese never really retire (in fact there ’ s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they ’ ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world ’ s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster

collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn ’ t want to find happiness in every day?

Without Fear

HarperCollins Annotation This volume surveys 200 years of Indian literature in English. Written by Indian scholars and critics, many of the 24 contributions examine the work of individual authors, such as Rabindranath Tagore, R.K. Narayan, and Salman Rushdie. Others consider a particular

genre, such as post-independence poetry or drama. The volume is illustrated with b&w photographs of writers along with drawings and popular prints. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

From the internationally bestselling author of *The Twentieth Wife*, a novel based on the tumultuous history of a legendary 186-carat diamond—originating in India—and

the men and women who possessed it. As empires rose and fell and mighty kings jostled for power, its glittering radiance never dimmed. It is the “Mountain of Light” —the Kohinoor diamond—and its facets reflect a sweeping story of love, adventure, conquest, and betrayal. Its origins are the stuff of myth, but for centuries this spectacular gem changes

hands from one ruler to another in India, Persia, and Afghanistan. In 1850, the ancient stone is sent halfway around the world where it will play a pivotal role in the intertwined destinies of a boy-king of India and a young queen of England—a queen who claims the Mountain of Light and India itself for her own burgeoning empire, the most brilliant jewels in her imperial crown.

The Mountain of Light is a magnificent story of loss and recovery, sweeping change and enduring truth, wrapped around the glowing heart of one of the world's most famous diamonds.

History of Egypt
Bloomsbury
Publishing USA

From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor

diamond, arguably the most celebrated jewel in the world. On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known

as the Mountain of Light. To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and

chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and appropriation that shaped a continent and the Koh-i-Noor itself. *Oleander Girl* Harper Collins The definitive biography of Ranjit Singh, contemporary of Napoleon and

one of the most powerful and charismatic Indian rulers of his age Ranjit Singh has been largely written out of accounts of the subcontinent's past by recent Western historians, yet he had an impact that lasts to this day. He unified the warring chiefdoms of the Punjab into an extraordinary northern Empire of the Sikhs, built up a formidable modern army, kept the British in check to the south of his realm, and closed the

Khyber Pass through which plunderers had for centuries poured into India. Unique among empire builders, he was humane and just, gave employment to defeated foes, honored religious faiths other than his own, and included Hindus and Muslims among his ministers. In person he was a colorful character whose his court was renowned for its splendor; he had 20 wives, kept a regiment of "Amazons," and possessed a

stable of thousands of horses. The authors make use of a variety of eyewitness accounts from Indian and European sources, from reports of Maratha spies at the Lahore Durbar to British parliamentary papers and travel accounts. The story includes the range of the maharaja's military achievements and ends with an account of the controversial period of the Anglo-Sikh Wars following his death, which

saw the fall of his empire while in the hands of his successors. Lady Login's *Recollections* Penguin Random House India Private Limited Enjoying a sheltered childhood with adoring grandparents but troubled by the silence surrounding her parents' deaths, Korobi is prompted by a love note among her mother's possessions to travel from India to post-9/11

America in search of her true identity. *Koh-i-Noor* Cambridge University Press An acclaimed novel by the author of *The Mistress of Spices*, and *Before We Visit the Goddess*. Jhumpa Lahiri praises: "One Amazing Thing collapses the walls dividing characters and cultures; what endures is a chorus of voices in one single room." Late afternoon sun sneaks

through the windows of a passport and visa office in an unnamed American city. Most customers and even most office workers have come and gone, but nine people remain. A punky teenager with an unexpected gift. An upper-class Caucasian couple whose relationship is disintegrating. A young Muslim-American man struggling with the fallout of 9/11. A graduate student

haunted by a question about love. An African-American ex-soldier searching for redemption. A Chinese grandmother with a secret past. And two visa office workers on the verge of an adulterous affair. When an earthquake rips through the afternoon lull, trapping these nine characters together, their focus first jolts to their collective struggle to survive. There's little

food. The office begins to flood. Then, at a moment when the psychological and emotional stress seems nearly too much for them to bear, the young graduate student suggests that each tell a personal tale, "one amazing thing" from their lives, which they have never told anyone before. And as their surprising stories of romance, marriage, family, political

upheaval, and self-discovery unfold against the urgency of their life-or-death circumstances, the novel proves the transcendent power of stories and the meaningfulness of human expression itself. From Chitra Divakaruni, author of such finely wrought, bestselling novels as Sister of My Heart, The Palace of Illusions, and The Mistress of Spices,

comes her most compelling and transporting story to date. One Amazing Thing is a passionate creation about survival--and about the reasons to survive. A History of Indian Literature in English Caliber Publication The word "sahuu" is often used for boys, as it is understood that girls are meek from birth. The poet breaks the myth that if meek means to

endure oppression silently, to endure excesses, to always remain silent, then she is not such a meek girl. That is why he has named his book "mai sahu kudi nahi haan". This book contains more than a hundred of his great works on the same subject. There is a warmth of relationships in Jassi's poems about the fate of women and she does not cry over the fate of women.

Her poems are instructive to the temple when she says, "Girls who write love poems are not without character." Her poems, though very simple, are special and the images she uses are easily understood by the reader. Pornography is in us, motherhood, rape, old age and especially two-by-four, four-line poems are also said a lot. The poems tell what kind of innocent girls really

should be. . . Kohinoor LeftWord Books In 1801, Ranjit Singh, the young scion of a petty fiefdom in the Punjab was declared the Maharaja of Punjab. The young man went on to carve out a kingdom that stretched from the borders of Afghanistan in the west to those of the British Raj in the east - the lush hills and valleys of Kashmir, the barren mountains of Ladakh and the fertile plains of his native Punjab. The

British dared not engage in military adventures against Ranjit Singh, but valued him as an ally who would keep their western frontier safe. The Camel Merchant of Philadelphia brings alive the king ' s dynamic court and his tumultuous but effective reign. In his court was Akali Phoola Singh, the tempestuous leader of the militant Sikhs, who won Ranjit Singh some of his most notable victories, but never fully submitted to his

authority. The Singh ' s life and complex image teenaged Muslim times humanises of Maharaja courtesan, Bibi a great emperor Ranjit Singh - a Moran, was the without glossing must-read for love of the over his flaws everyone emperor ' s life. and foibles. The Camel Merchant of Philadelphia

HarperCollins
The definitive account of the First Anglo-Sikh War, with maps that shed light on the action as never before
Luna (Punjabi Award Winning)

Juggernaut Books
A forgotten classic from India 's favourite storyteller This riveting historical narrative is more full of drama than any fiction. With the death of

Maharaja Ranjit Singh, the great Punjab empire he had built was riven by intrigues, betrayals, assassinations and wars until the British finally annexed it, seizing the Kohinoor diamond and sending the young Maharaja Duleep Singh into exile in Britain. Khushwant Singh brings this turbulent period to vivid life in this page-turning account of the collapse of a once-mighty kingdom. I Am Malala Amberley Publishing Limited Asoca-often spelled Ashoka-was hailed as Ashoka the Great, the

emperor who ruled most of the Indian Subcontinent and was pivotal in the spread of Buddhism from India to other parts of Asia in the third century BC. But his life as emperor was not always led by non-violence. History has it that he masterminded one of the biggest and deadliest wars ever fought, and it was the insurmountable grief he experienced at the sight of the people dying and dead on the battleground that made him turn to Buddhism and take a vow of ahimsa. Who was the man, and who was the king? What were his

demons, and what gave him strength? This historical novel, drawn from research and portrayed with energy and complexity, transports the reader to the era of the Mauryan dynasty with atmospheric vividness and insight. Epic in scope and Shakespearean in drama, *Asoca: A Sutra* leaves the reader breathless with the full-bodied richness of Sealy's prose, his trademark whimsy and his imaginative modern reconstruction of that enigmatic and brilliant ruler of the Indian subcontinent.

Sultana's Dream
Peter Owen Publishers
Follows the princess who, at the age of thirty-one, secretly went to India and returned as a revolutionary to fight for Indian Independence, the welfare of Indian soldiers in World War I, and, above all, women's suffrage.
Ikigai Simon and Schuster
The Second Anglo-Sikh War is the warts-and-all story of the conflict that led to the downfall of the Sikh Empire. Continuing his innovative approach to

history writing from *The First Anglo-Sikh War*, Amarपाल Singh augments the narrative of the campaign with battlefield guides that draw on eyewitness accounts and invite the reader to take a tour of the battlefields, either physically or virtually. Fully illustrated with period drawings, modern-day photographs and new maps, *The Second Anglo-Sikh War* gives this neglected conflict the attention it sorely deserves.
Lahore Darbar and Rani Jinda
Andrews McMeel Publishing
A young British officer deserted

during the First Afghan War (1839-42) and went to ground in the wilds of Tehri-Garhwal. Frederick 'Pahari' Wilson changed the face of the region forever and became a Himalayan legend. He played a daring role in the Great Game, was witness to the Anglo-Sikh War of 1845 - when the British nearly lost India - and became a pioneering force in the great Indian Railways adventure. Capturing the humour of the petty world of officers' clubs in Meerut, Mussoorie and Shimla, the chill of

stiff winds on the high passes into Tibet, and the hardships of life in the remote valleys of Garhwal, The Raja of Harsil is a thrilling account of that tumultuous and exciting period. Driven by personal ambition, Frederick Wilson introduced commercial timbering to the Himalayas and became India's first timber magnate. An avid hunter, ornithologist and botanist, he settled at Harsil, near the source of the Ganges, and shared the lives and destinies of the Garhwali people. He acquired enormous wealth

- becoming the richest man in northern India - and famous as the 'raja' of Harsil before falling into disfavour - termed a pariah for plundering Garhwal of its wildlife and natural resources. Rebel Queen Simon and Schuster
A comprehensive history of the Lahore Durbar, the glorious reign of Maharaja Ranjit Singh and his exemplary organizational skills that led to forming of the formidable Sikh army and

the fiercely fought Anglo Sikh wars. The Last Sunset: The Rise and Fall of the Lahore Durbar recreates history of the Sikh empire and its unforgettable ruler, Maharaja Ranjit Singh of the Shukarchakia dynasty. An outstanding military commander, he created the Sikh Khalsa Army organized and armed in Western style, acknowledged as the best in

undivided India in the nineteenth century. Ranjit Singh 's death in 1839 and the subsequent decline of the Lahore Durbar, gave British the opportunity to stake their claim in the region till now fiercely guarded by Maharaja Ranjit Singh 's army. Captain Amarinder Singh chronicles in detail the two Anglo-Sikh wars of 1845 and 1848. The battles, high in casualties on

both the sides led to the fall of Khalsa and the state was finally annexed with Maharaja Duleep Singh, the youngest son of Maharaja Ranjit Singh put under the protection of the Crown and deported to England.
