[The Thousand Autumns of Jacob de Zoet](#) Fox Chapel Publishing

This intelligent postwar tale of survival and extortion, obsession and lies, is a classic detective novel from the Argentinian Agatha Christie In the early hours of the morning, a woman is found in the elevator of a plush apartment block on Santa Fe Road, Buenos Aires. She's young, gorgeous—and dead. It looks like suicide, and yet none of the building 's residents can be trusted; the man who discovered her is a womanizing drunk; her husband is behaving strangely; and upstairs, a photographer and his sister appear to be hiding something sinister. When Inspector Ericourt and his colleague Blasi are set on the trail of some missing photographs, a disturbing secret past begins to unravel. Set during the aftermath of World War II, when many immigrants left Europe for Argentina—some of them with dark pasts to hide—Death Going Down contains all the ingredients of a classic detective novel.

[My Tiny Life](#) 8th Circle Press

Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In *Captivate*, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, *Captivate* provides simple ways to solve people problems. You'll learn, for example... · How to work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections. · How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions. · How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly. What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.

They say his clothes blend into the background, no matter where he stands. They say a lot of things about the Schwa, but one thing 's for sure: no one ever noticed him. Except me. My name is Antsy Bonano, and I was the one who realized the Schwa was “functionally invisible” and used him to make some big bucks. But I was also the one who caused him more grief than a friend should. So if you all just shut up and listen, I 'll tell you everything there is to know about the Schwa, from how he got his name, to what really

happened with his mom. I 'll spill everything. Unless, of course, “the Schwa Effect” wipes him out of my brain before I 'm done....

Bestselling authors, Megan Hart, Tiffany Reisz and Sarah Morgan weave three provocative tales about power, bad boy lovers and bridesmaid dresses! *Letting Go* by Megan Hart Colleen goes to the same bar every night and orders the same drink: a whiskey, neat. She doesn't drink it, though. Jesse the bartender notices the beautiful, sad woman who keeps to herself. Until one night when she lets go and lets him in. And after that, Jesse has only one mission -- to show her one night is only the beginning *Seize The Night* by Tiffany Reisz Five years ago, a night of forbidden passion between Remi and Julien, the heirs of two powerful and competitive horse-racing families, led to a feud that is threatening to ruin both farms. Now Remi must find Julien again - but when she does her need for Julien is just as strong and just as forbidden. . . Ripped by Sarah Morgan With a rip louder than the 'I dos', Hayley's hideous bridesmaid dress explodes. She's always had enviable curves, but nearly naked wasn't quite the look she'd been going for at her ex's wedding! After being rushed from the altar under the best man's jacket, Hayley expects a blast of disapproval from Niccolò Rossi. What she gets instead is a kiss that nearly melts what's left of her nightmare gown!

An up to date look at macrame techniques which offers crafters and jewellery makers fresh, inspirational ideas and takes an exciting look at a traditional craft.

[The Essential Cult TV Reader](#) Penguin

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.” —O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let 's Pretend This Never Happened*, Lawson 's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. *Readers Guide* Inside

[History and Science of Knots](#) Penguin

Scoubidou is a fashionable, funky craze, which involves creating woven, plaited and knotted spirals and squares using bright multicoloured plastic strands. The techniques are easy, fun to learn and they also teach coordination skills, which is great for children, who will love the range of colours and the challenge of making fun shapes. This book is packed with lots of exciting ideas and promises hours of enjoyment. Using an amusing selection of simple and more complex projects, Annic Hurter shows how twist the strands into fantastic creatures, flying insects, sporting figures, necklaces, bracelets, keyrings, containers and photograph frames. A section on materials shows you what you need to start Scoubidouing, and clear illustrations guide you through all the techniques. Soon you will be making football characters, fabulous fish, spooky Halloween creatures, crocodiles, dream weavers, earrings, rings and beautiful vases. Contains seventy great projects from simple characters to crazy containers. Hours of fun with lots of knots.

[The Schwa was Here](#) Grand Central Publishing

From the New York Times bestselling author of *The Secret Keeper* comes a “moody, suspenseful page-turner” (People, Best Book Pick) filled with mystery and spellbinding secrets. Living on her family 's idyllic lakeside estate in Cornwall, England, Alice Edevane is a bright, inquisitive, and precociously talented sixteen-year-old who loves to write stories. One midsummer 's eve, after a beautiful party drawing hundreds of guests to the estate has ended, the Edevanes discover that their youngest child, eleven-month-old Theo, has vanished without a trace. He is never found, and the family is torn apart, the house abandoned. Decades later, Alice is living in London, having enjoyed a long successful career as a novelist. Miles away, Sadie Sparrow, a young detective in the London police force, is staying at her grandfather 's house in Cornwall. While out walking one day, she stumbles upon the old Edevane estate—now crumbling and covered with vines. Her curiosity is sparked, setting off a series of events that will bring her and Alice together and reveal shocking truths about a past long gone...yet more present than ever. A lush, atmospheric tale of intertwined destinies from a masterful storyteller, *The Lake House* is an enthralling, thoroughly satisfying read.

[Hero's Return](#) Cambridge University Press

Werewolf: The Apocalypse is about anger over the loss of what the shapeshifting Garou hold dearest:

Gaia, the Earth itself. Corruption from without and within has caused the destruction not only of the Garou's environment, but also of their families, friends and culture, which extends in an unbroken line to the very dawn of life. No matter how righteously the Garou hold themselves, no matter how they prey on their destroyers, the corruption spreads. Now the time for reconciliation is past. This grave insult against Gaia can end in only one way: blood, betrayal... and rage. Details the werecrocodilians of the World of Darkness.

Mokole Pushkin Vertigo

This book is the standard work on the subject of practical and decorative knots and ropework. Plastic Lace Crafts for Beginners: Detail Guide for Colorful Knotted Embroidery Penguin Group USA

Hailed as a "writer of subtlety and depth," Hilary Mantel turns her dark genius on the world of psychics in this smart, unsettling novel (Joyce Carol Oates) A paragon of efficiency, Colette took the next natural step after finishing secretarial school by marrying a man who would do just fine. After a sobering, do-it-yourself divorce, Colette is at a loss for what to do next. Convinced that she is due an out-of-hand, life-affirming revelation, she strays into the realm of psychics and clairvoyants, hungry for a whisper to set her off in the right direction. At a psychic fair in Windsor she meets the charismatic Alison. Alison, the daughter of a prostitute, beleaguered during her childhood by the pressures of her connection to the spiritual world, lives in a different kind of solitude. She cannot escape the dead who speak to her, least of all the constant presence of Morris, her low-life spiritual guide. An expansive presence onstage, Alison at once feels her bond with Colette, inviting her to join her on the road as her personal assistant and companion. Troubles spiral out of control when the pair moves to a suburban wasteland in what was once the English countryside and take up with a spirit guide and his drowned therapist. It is not long before Alison's connection to the place beyond black threatens to uproot their lives forever. This is Hilary Mantel at her finest- insightful, darkly comic, unorthodox, and thrilling to read.

Young House Love McClelland & Stewart

From the multi-award-winning and bestselling author of *The Night Watch* and *Fingersmith* comes an astonishing novel about love, loss, and the sometimes unbearable weight of the past. In a dusty post-war summer in rural Warwickshire, a doctor is called to see a patient at Lonely Hundreds Hall. Home to the Ayres family for over two centuries, the once grand house is now in decline, its masonry crumbling, its garden choked with weeds. All around, the world is changing, and the family is struggling to adjust to a society with new values and rules. Roddie Ayres, who returned from World War II physically and emotionally wounded, is desperate to keep the house and what remains of the estate together for the sake of his mother and his sister, Caroline. Mrs. Ayres is doing her best to hold on to the gracious habits of a gentler era and Caroline seems cheerfully prepared to continue doing the work a team of servants once handled, even if it means having little chance for a life of her own beyond Hundreds. But as Dr. Faraday becomes increasingly entwined in the Ayreses' lives, signs of a more disturbing nature start to emerge, both within the family and in Hundreds Hall itself. And Faraday begins to wonder if they are all threatened by something more sinister than a dying way of life, something that could subsume them completely. Both a nuanced evocation of 1940s England and the most chill-inducing novel of psychological suspense in years, *The Little Stranger* confirms Sarah Waters as one of the finest and most exciting novelists writing today.
