Special interest tourism is growing rapidly due to a discerning and heterogeneous travel market and the demand for more focused activity or interest-based tourism experiences. This book approaches the topic from the perspective of both supply and demand, and addresses the complexities now inherent in this area of tourism. It presents a contextualised overview of contemporary academic research, concepts, principles and industry-based practice insights, and also considers the future of special interest tourism in light of the emergence of ethical consumerism. Sometimes referred to as niche or contemporary tourism, this book provides a complete introduction to the study of special interest tourism for students.

Governance Gower Publishing Company, Limited
This introductory text provides readers with a robust understanding of tourism and its industries, including how destinations are developed, marketed and managed, and how tourism impacts communities, environments and economies. The authors discuss the critical issues affecting 21st century tourism, such as sustainability, the climate crisis, globalisation,

community, technology, the environment and the sharing economy. The text has been fully updated in light of the Covid-19 pandemic and its notable, and in some cases lasting, impacts on the tourism industry. The text features new mini-case studies (snapshots) and international case studies from countries around the globe including USA, Saudi Arabia, India, China, New Zealand, Australia, Namibia and the UK. It discusses the latest trends in transport, hospitality, attractions and the travel trade and includes examples from major tourism companies including Trip.com, TUI and Airbnb. The book is suitable for students who are starting their tourism studies as part of their college or university education. Clare Inkson is a Senior Lecturer in Tourism and Course Leader of BA Tourism with Business at the University of Westminster, London. Lynn Minnaert is the Academic Director and Clinical Associate Professor at New York University's Jonathan M. Tisch Center for Hospitality and Tourism.

Handbook of Research Methods for Tourism and Hospitality Management Gullybaba Publishing House Pvt Limited

Liberty After Freedom explores the origins of what is today considered the most important fundamental right in the Indian Constitution - the right to life and personal liberty guaranteed by Article 21. This is the article which in recent years made the right to privacy as well as the decriminalization of homosexuality possible.

Without a doubt, Article 21 has had the most outsized influence on the progressive development of rights in India. But the story of how this important right was birthed is deeply controversial and its passage in the Constituent Assembly divided opinion like no other feature of the Constitution. Liberty After Freedom explores the intellectual beginnings of this paramount fundamental right in an attempt to decode and unravel the controversies which raged at the time the Constitution was being crafted. Written in lucid prose and drawing extensively on the Constituent Assembly debates as well as a wide array of scholarly literature, it questions long-held beliefs and sheds new and important light on the fraught history of due process and Article 21. It is an indispensable book for the legal community and for everyone interested in the genesis of the Constitution.

Set in Malta, a European

island off the coast of Italy, *The Famous Tragedy of the Rich Jew of Malta* by Christopher Marlowe follows a rich Jewish merchant, Barabas, who enjoys the privileges that his wealth allows. When the governor of Malta, Ferneze, summons Barabas to his office, Barabas is intrigued and complies immediately. However, when the governor tells Barabas of a deal he is keeping with the Turks, Barabas is appalled. Ferneze demands that Barabas gives up half of his wealth in order to help the government pay tribute to the Turks, but the merchant refuses to cooperate, protesting the injustice. Filled with anger, Ferneze then decides to seize all of Barabas' assets, including his home. Unable to dispute the decision, Barabas leaves to begin plotting his revenge. First, he is determined to recover the treasure he has hidden around his home, which Ferneze turned into a convent to mock Barabas' own religious beliefs. After his plan to steal back some of the hidden fortune in his house is successful, Barabas begins to enact his revenge. Using his daughter as a pawn, Barabas promises to marry her to two men. As Barabas continues his cunning scheme to harm Ferneze, a chain of tragedies

ensues, involving manipulation, murder, and even the threat of war. Christopher Marlowe's *The Famous Tragedy of the Rich Jew of Malta* was an immediate success following its first performance in 1592. Compelled by the drama, characterization and the complex themes of religion, class, capitalism, and prejudice, audiences have been invested in Marlowe's tragedy for centuries. This edition of *The Famous Tragedy of the Rich Jew of Malta* by Christopher Marlowe is now presented in an easy-to-read font and features a striking new cover decision, creating an accessible reading experience. With these accommodations, *The Famous Tragedy of the Rich Jew of Malta* is restored to modern standards while the original genius and vivid imagery of Marlowe's work is preserved.

A Grain of Wheat Heinemann This IBM® Redbooks® publication introduces and describes the IBM Elastic Storage® Server 5000 (ESS 5000) as a scalable, high-

performance data and file management solution. The solution is built on proven IBM Spectrum® Scale technology, formerly IBM General Parallel File System (IBM GPFS). ESS is a modern implementation of software-defined storage, making it easier for you to deploy fast, highly scalable storage for AI and big data. With the lightning-fast NVMe storage technology and industry-leading file management capabilities of IBM Spectrum Scale, the ESS 3000 and ESS 5000 nodes can grow to over YB scalability and can be integrated into a federated global storage system. By consolidating storage requirements from the edge to the core data center – including kubernetes and Red Hat OpenShift – IBM ESS can reduce inefficiency, lower acquisition costs, simplify storage management, eliminate data silos, support multiple demanding workloads, and deliver high performance throughout your organization. This book provides a technical overview of the ESS 5000 solution and helps you to plan the installation of the environment. We also explain the use cases where we believe it fits best. Our goal is to position this book as the starting point document for customers that would use the ESS 5000 as part of their IBM Spectrum Scale setups. This book is targeted toward technical professionals (consultants, technical support staff, IT Architects, and IT Specialists) who are responsible for delivering cost-effective storage solutions with ESS 5000. *Marketing for Tourism* Harper Collins

Isaac McCaslin is obsessed with hunting down Old Ben, a mythical bear that wreaks havoc on the

forest. After this feat is accomplished, Isaac struggles with his relationship to nature and to the land, which is complicated when he inherits a large plantation in Yoknapatawapha County. "The Bear" is included in William Faulkner's novel, *Go Down, Moses*. Although primarily known for his novels, Faulkner wrote in a variety of formats, including plays, poetry, essays, screenplays, and short stories, many of which are highly acclaimed and anthologized. Like his novels, many of Faulkner's short stories are set in fictional Yoknapatawapha County, a setting inspired by Lafayette County, where Faulkner spent most of his life. His first short story collection, *These 13* (1931), includes many of his most frequently anthologized stories, including "A Rose for Emily", "Red Leaves" and "That Evening Sun." HarperCollins brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperCollins short-stories collection to build your digital library.

The New Criticism Firewall Media

The twenty stimulating and original essays in this volume provide a comprehensive analysis of the main strands of modern Indian political thought. The thinkers discussed are Rammohun Roy, Dayananda Saraswati, Bankimchandra Chattopadhyay, Ranade, Phule, Tilak, B R Ambedkar, Tagore, Sri Aurobindo, M N Roy, Jawaharlal Nehru and Gandhi. Separate essays are devoted to

the Hindu and Muslim traditions in Indian political thought, Hindu nationalism, and the ideologies of the Communist and Sarvodaya movements. A significant feature of these essays is that they study each thinker or movement in the relevant socio-historical context as also examine the consequences and impact of modern Indian political theories. These are analysed from a world-historical and, to some extent, a political economy perspective. The essays in this collection highlight two major streams in modern Indian political thought--one which favoured the adoption or adaptation of western political traditions and the other which sought to evolve indigenous or alternative formulations. The overall conclusion that emerges from this volume is that in order to formulate an adequate political philosophy for the modern age, both the western and Indian traditions have to be taken into account. In this context, some of the essays highlight the contemporary global relevance of Gandhi's socio-political ideas. This book is a major contribution to modern political philosophy. It will be of great value to students and teacher of political science.

This book presents the latest knowledge on the still under-researched field of academic

tourism, which over the past decade has gained in importance at local and national economic levels as a result of increasing international mobility of students and academic staff in higher education. A wide range of themes are explored from various perspectives, with the focus on Europe. Particular attention is paid to academic tourism demand, expenditure, and economic impact; the relationships between academic tourism and local and regional development, sustainable development, and environmental sustainability; and the importance of academic tourism for the internationalization of higher education and international cooperation and development. Further topics to be considered include the significance of academic tourism for the dynamics of tourism destinations and insights from experimental tourism research. In addition to theoretical chapters and state of the art reviews, readers will find insightful empirical and case studies. The book will be of interest to academics, researchers, students, and practitioners, including policy makers.
