What readers say: • Your Write to
Influence! training ... led to increased
professional advancement
opportunities for countless numbers of
service members. -- Lt. Gen. Dana T.
Atkins, USAF (Ret), President and CEO,
Military Officers of America Association
(MOAA) • Bass's "Write to

Influence!" is an invaluable resource ... The process of drafting effective professional writing projects and then honing them to perfection has rarely been so inviting or presented with such clarity and enthusiasm. -- Booklife Prize • Write to Influence! is a gem! Anyone interested in powerful, super-charged writing will appreciate this clear discussion of how to produce attention-grabbing pieces -- D. Donovan, Senior Reviewer, Midwest Book Review • This book should be in every professional's library. I heartily recommend Write to Influence! -- Baba Zipkin, Former Senior Counsel, IBM • Write to Influence! will be my go-to-

guide for many years to come. It is now a must-read reference for all my employees. -- Rick Mix, President and CEO, Cleared Solutions Inc. • This helped me pass my college classes! Write to Influence! is an amazing source if you want to improve your writing to earn higher grades! 10/10 recommend! -- Emily, Amazon Reviewer Powerful writing changes lives! It's also the lifeblood of successful organizations. It correlates directly to success -- personal and professional -- and often tips the balance between success and failure. With this book, make every second of the reader's time play to your advantage. Chose "Write to Influence!" when

persuasive writing is paramount to your goals. Learn to: • Write to win with products – clear, concise, and compelling • Extend your influence -- persuade others to support your cause • Generate powerful resumes and input to performance reviews • Compete well for contracts, grants, etc. • Defend budgets and justify additional resources • Compose polished, succinct, and effective email • Nail the essay for college applications The second edition includes 70 new pages, incorporating material from Carla's highly acclaimed workshops given to government agencies, corporations, private businesses, NGOs, and academia. From powerful writing to

banish bureaucratic blather to composing resumes, input for performance reviews, presentations, elevator speeches, grant submissions, and essays for college applications ... this book covers it all.

An ages-old enemy is plotting the destruction of the solar system, and only a frantic last-minute alliance among the peoples of Earth, Venus, Mars, and Jupiter can possibly save them!

The Christian Union Casemate Publishers
This thrilling new volume from Martin Bowman focusses on

British, Canadian, Australian and German soldiers and airmen who were captured during the First World War. Determined that they wouldnt spend the rest of the conflict incarcerated uselessly behind bars, they endeavored to escape. These are their stories. All aspects of prison life are covered here, and the author examines the various escape tactics that were employed by British soldiers and airmen held in PoW camps all over Germany

and Turkey. In order to provide a balanced account, the author has also uncovered stories of German navy and army escapees who attempted to flee from England. Each chapter is preceded by an account which explains the types of camps used in Britain and Germany, the numbers involved, the food, the camp money system for worker prisoners and a general appreciation of the conditions and chronology. Firsthand accounts from the prisoners

themselves are then woven into the picture, creating an authentic sense of the PoW experience. The emphasis of this unique book is placed on the human story of the main characters, the unparalleled action on the Western Front and the interaction and camaraderie experienced between soldiers and airmen held in prison camps in England, Germany and Turkey during the Second World War.

Wealthy Canadian Nash Logan dreams of building a posh community in Florida and embarks on a search for land to do just that. He builds a small research team, led by distinguished urban planner

Dr. Mark Wilkins. Wilkins's wife, Bobbie, a professional writer, and her younger sister, Linda Cummins, an attractive and recently divorced nurse, join them to enjoy a vacation. Logan and his team travel throughout Florida via his yacht and helicopter, as Wilkins orients Logan to the state development history in an effort to identify potential site

locations. But what began as a pleasant vacation and dream fulfilled becomes a nightmare when criminals intent upon laundering drug profits through his new land development venture threaten their plans and their lives. Logan and his team join forces with federal drug enforcement agents to entrap the criminals. Government protection is not enough, though, as

Logan loses a member of his team and finds himself in a battle to the death on land and sea. Now Logan must fight to save his crew and end the reign of a drug cartel.

Here is the first panoptic history of the long struggle between the Christian West and Islam. In this dazzlingly written, acutely nuanced account, Andrew Wheatcroft

tracks a deep fault line of animosity between civilizations. He begins with a stunning account of the Battle of Lepanto in 1571, then turns to the main zones of conflict: Spain, from which the descendants of the Moors were eventually expelled; the Middle East, where Crusaders and Muslims clashed for years; and the Balkans, where distant memories spurred atrocities even into the twentieth century.

Throughout, Wheatcroft delves beneath stereotypes, looking incisively at how images, ideas, language, and technology (from the printing press to the Internet), as well as politics, religion, and conquest, have allowed each side to demonize the other, revive old grievances, and fuel across centuries a seemingly unquenchable enmity. Finally, Wheatcroft tells how this fraught history led to our present maelstrom. We cannot, he

argues, come to terms with today ' s perplexing animosities without confronting this dark past. Actors and Actresses by Different Writers, Compiled from Various Magazines Paul Karl Winter Jack J. Kanski presents concise, illustrated books exploring the roles of the key personalities during the Second World War and their contributions in the conflict. Following on from the first five books in his A Concise Outline series, Kanski now offers

readers information pertaining to the influential individuals from Great Britain, the USA and the Soviet Union, amongst others. In Military Commanders of WW2 readers will learn about their background and the role that they played on the battlefield. These books are designed as companion texts and when read together will give readers a good understanding of the important people and their contributions. Written in a reader-friendly bullet-point format accompanied by many colour

images, Kanski ' s latest book will act as a stepping stone for the general reader interested in World War Two. Congressional Record Gatekeeper Press Content - Section (A) 1. Influence! Sitting around a dining-room table in 1907, the owners of the White Star Line discussed their competition to the newly-built Cunard liners, Lusitania and Mauretania. From that smoke-filled room came the first designs of three White Star superliners. Olympic and Titanic were to be built at Harland & Wolff's yard in Belfast, while the third ship was to follow after construction had been completed

on the first pair of sisters. The only ship to make a return passenger voyage was Olympic and she was always overshadowed by her younger sisters. This is the definitive story of Titanic's sister RMS Olympic. First published in 2004 to critical acclaim, this new edition presents a revised expanded work from one the most successful maritime authors at work in Britain today.
