that ' s how rare it is to have so many write-about-reading strategies so beautifully put to use. Each year Leslie Blauman guides her students to become highly skilled at supporting their thinking about texts, and in Evidence-Based Writing: Fiction, she shares her win-win process. Leslie combed the ELA standards and all her favorite books and built a lesson structure you can use in two ways: with an entire text or with just the excerpts she ' s

included in the book. Addressing Evidence, Character, Theme, Point of View, Visuals, Words and Structure, each section includes: Lessons you can use as teacher demonstrations or for guided practice, with Best the Test tips on how to authentically teach the skills that show up on exams with the texts you teach. Prompt Pages serve as handy references, giving students the key questions to ask themselves as they read

any text and consider how an author ' s meaning and structure combine. Excerpts-to-Write About Pages feature carefully selected passages from novels, short stories, and picture books you already know and love and questions that require students to discover a text ' s literal and deeper meanings. Write-About-Reading Templates scaffold students to think about a text efficiently by focusing on its critical literary elements or text structure demands and

help them rehearse for more extensive responses. Writing Tasks invite students to transform their notes into a more developed paragraph or essay with sufficiently challenging tasks geared for grades 6-8. And best of all, your students gain a confidence in responding to complex texts and ideas that will serve them well in school, on tests, and in any situation when they are asked: What are you basing that on? American Buffalo, which won both the Drama Critics Circle Award for the best American play and the Obie Award, is considered a classic of the American theater. Newsweek acclaimed Mamet as the “ hot young American playwright . . . someone to watch. ” The New York Times exclaimed in admiration: “ The man can write! ” Other critics called the play “ a sizzler, ” “ super, ” and “ dynamite. ” Now from Gregory Mosher, the producer of the original stage production, comes a stunning screen adaptation, directed by Michael Corrente and starring Dustin

Hoffman, Dennis Franz, and Sean Nelson. A classic tragedy, American Buffalo is the story of three men struggling in the pursuit of their distorted vision of the American Dream. By turns touching and cynical, poignant and violent, American Buffalo is a piercing story of how people can be corrupted into betraying their ideals and those they love.

compare "the effect of education (???????) and the lack of it on our nature". It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter.
