This Lullaby by Sarah Dessen CHAPTER ONE The name of the song is "This Lullaby." At this point, I've probably heard it, oh, about a million times. Approximately. All my life I've been told about how

my father wrote it the day I was born. He was on the road somewhere in Texas, already split from my mom. The story goes

Rating: 5 STARS This Lullaby is my favourite Sarah Dessen book along with The Truth About Forever. There is no denying that Sarah Dessen follows a specific formula when writing a novel, a formula that doesn't change too much (if at all) from book to book. But not only does this formula work, she manages to make it work wonderfully.

I ordered "This Lullaby" primarily because I had read another book, "Dreamland", by Sarah Dessen before which was very good. However, this one was even better!!! It's the story of Remy, an eighteen-year-old high school graduate with a reputation for drinking

and sleeping around (which doesn't make her any less likable, though), and her three best friends - Lissa, Jess, and Chloe.
