This Book was typed by me but written by The Holy Spirit. There are really only three chapters contained The History My Story and The Questionnaire. The best way to gain a full understanding of the content is to just read Chapter 1. It may feel like too much preaching for your taste, but it is only a set of instructions given to me by The Holy Spirit as how to gain the most from the text. Many people may consider just bouncing to the Questionnaire itself and answer the questions found there, but that is not how The Holy Spirit delivered the instructions to me, so I pass them on to you. The second chapter covers the History of the time when the Church needed some help, and about a man that entered the Church and asked a few questions to bring the Church back on track. Little did he know that his questions would set about changing the world of understanding The Lord and His wishes from that moment on. We still follow most of the doctrines he encouraged here in this country today. The third Chapter is My Story. Of how Jesus showed Himself to me and answered all of my questions, and believe me I had many. This text, this Questionnaire has changed my life forever and helped me transition from only having Faith in God to Trusting God as well and all that that entails. The fourth Chapter is the Questionnaire itself. It maybe to some very difficult to finish but your answers will have to be nothing but what you believe in your heart to be true the day you take it. It will be a record of your beliefs in front of Jesus Himself and any falsehood will immediately be known to Him. I believe that as you pass through this book you will see how Trusting The Lord is much more important than just having Faith. Faith brings you to The Lord and without it I believe you will never feel The Holy Spirit in your heart and soul. But Trust gives you a way to answer the questions you still have. And if you have the courage and conviction to make that step you will have a new understanding of how The Lord God Almighty's plan for you works in your life and what you are expected to do to accomplish that plan. It is a big step, but the Questionnaire I believe will help you find answers to many questions you have of your own as it did for me, and all I have been asked to do is to share the enclosed with as many people as I can.

Your Life in Christ introduces high school students to the essential message of Christian moral teaching—love of God and love of neighbor. Against this backdrop, students encounter and explore Catholic teaching that applies the mandate to love in real-life scenarios and situations. In a culture where moral relativism increasingly blurs distinctions between right

and wrong, students quickly see that this subject couldn't be more relevant. Students consider and study such topics as conscience formation, law, Jesus as a moral guide, sin and forgiveness, respect for life, and sexuality.

Knowing the ego's thought system and its belief, we will understand how the ego works in our daily life. Through fear, sin, judgment, defense, separation, attack, and sacrifice, the word "sin" means separation, and that is the origin of the ego. Thus, at the beginning of the separation we believe that we were not with God but rather separated from God the creator. We believe that we are autonomous beings in relation to our God. **Your Life in Christ** B&H Publishing Group

The book educates and equip prophetic christian readers on how to defeat devil through knowledge of Wisdoms' applications, which includes the knowledge of scriptures like Jesus Christ did. We learn how important is Submission, how to respond to temptations, and how to scripturally persist in spiritual war. The book also helps us to desire the gift of discernment as it helps in revelation during spiritual wars. Furthermore, Jesus the Christ defeated Satan through parable, nothing, prophetic, evident, rebuking, unquestionable, worship, Question by Question and factual wisdom. As Christians following Jesus Christ, we have to follow our Master Jesus in all ways and copy exactly the wisdom He used in defeating the devil and his angels. I wrote this book under the influence of the gift of revelation by the Holy Spirit. I believe this little book will change the life of many, and make Christians to face the enemy differently, and learn about the wisdom used by our King Lord Jesus during his fight against the devil.

This book is based upon information that was given to me by Christ in meditation during the Lenten season of 2020. My interaction with Christ became so casual, meditation was unnecessary. He then presented my calling to write this book through the dictation of Christ, the Virgin Mary, and our Almighty God. The initial purpose of this book was to evangelize, with the direct words of Christ, the Virgin Mary, and the Almighty God. A secular world that is divided among their Christian and worldly or pagan beliefs is starting to collapse as evil reigns within our governments. The deceit from within the Protestant churches confuses the minds of those born into them. A false truth that is the only one you know is sad. We need to rebuke the heresy of Martin Luther so we can unite Christianity once again. Without unity, our communion is not whole, and the word Christian becomes too broad when it is not meant to be. The main ones who almost always refer to themselves as Christian are the nondenominational Christians--some of the biggest deceivers among us. Let go of yourselves to listen to the divine voices of our Holy Family.
