**Managerial Accounting (16th Edition)** John Wiley & Sons

**Foundations of Economics, fifth edition** is ideal for students

taking introductory economics modules as part of an interdisciplinary course. Building on the success of the previous editions, the book provides accessible overviews of key economic topics, interweaving these with real-world examples and practical activities to equip students to think for themselves. Features of this edition include: Topical and up-to-date material, presented alongside

real-world examples and policy problems. Additional mini case studies on areas such as banking, youth unemployment, sport and the music industry, to demonstrate the practical application of economics in contemporary situations. Consideration of the global financial crisis, European economy and recent policy developments. Succinctly offering the proven quality,

---

consistency and clarity of the parent text Economics ('The Student Bible', BBC Radio 4), Foundations of Economics, fifth edition is the essential text for today's non-specialist economics student. The book is accompanied by an excellent resource package at [www.mcgraw-hill.co.uk/textbooks/begg](http://www.mcgraw-hill.co.uk/textbooks/begg), which includes: For students: Interactive graphing tool, case studies, self-test

questions, weblinks For lecturers: PowerPoint slides, lecture outlines, EZ Test Online test bank, videos & teaching notes, figures from the book, solutions to questions in the book & additional exam questions

Introducing... Essentials of Investments, 9th Global Edition, by Zvi Bodie, Alex Kane and Alan J. Marcus. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international Investment students. A market leader in the field, this text emphasizes asset allocation while presenting the practical applications of investment theory without unnecessary mathematical detail. The ninth edition includes new coverage on the roots and

fallout from the recent financial crisis and provides increased content on the changes in market structure and trading technology. Enhancements to this new Global Edition include: - New 'On the market front' boxes highlight important investment concepts in real world situations across the globe, to promote student thinking without taking a full case study approach. Topics include short-selling in Europe & Asia, credit default swaps and the debt crisis in Greece and include examples from Commerzbank, JP Morgan, Facebook, Coca-Cola, Santander, The European Energy Exchange, plus many more! - Revised worked examples illustrate problems using both real and fictional scenarios

from across the world to help students develop their problem solving skills. Regional examples include Hutchinson Whampoa (Asia), The Emirates Group (The Middle East) and KLM Royal Dutch Airlines (The Netherlands). - Revised end-of chapter material includes brand new global questions and global internet exercises that feature currencies, companies and scenarios from Europe, Middle East, Africa and Asia to increase engagement for international students. - Global Edition of Connect Plus Finance, McGraw-Hill's web-based assignment and assessment platform with eBook access, helps students learn faster, study more efficiently, and retain more

---

knowledge. This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition.

MARKETING: THE CORE, 2/e by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors

just the content they need to cover the essentials of marketing in a single semester.

Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.
