renvoyer les tentatives d'explication à une tragique dérision. Toutefois, malgré cet environnement la production littéraire continue et se renouvelle. Mais elle ne peut ignorer le contexte politique ou tout simplement la quotidienneté de l'horreur.

The Review of Reviews

Nouveau Monde Editions
Political, economic and social barriers among Latin America, the Caribbean and Canada are giving way to global forces and the "global dreams" they inspire. This collection of original articles and essays examines popular culture, literature, theatre, belief systems, indigenous practices and questions of identity, exile and alienation. The interconnectedness and

distinction of cultural production throughout the Americas, "transplanted" interests, the mediation of African and European influences, and the expression of shifting identities, all reflect the development of a new American neighbourhood.

Grammaire des grammaires ou analyse raisonnée des meilleurs traités sur la langue française Scarecrow Press

Outre deux romans de 1890 et de 1891, ce volume propose une pièce de théâtre écrite en 1865 et jouée en 1889. Dans les 2 romans, "La bête humaine" et "L'argent", la présence apaisante de Jeanne, la nouvelle épouse d'E. Zola, se fait sentir, sans que cela le détourne de l'actualité politique, économique et sociale. Comprend aussi les textes d'interventions publiques de l'écrivain.

L'illustration

The People's Democratic Republic of Algeria is the second largest country in Africa. This, coupled with its location near Europe and its prized hydrocarbons (oil and gas), continues to increase Algeria's international importance. Algeria's fight for liberation from French colonialism, which it finally achieved in 1962, was made famous by Gillo Pontecorvo's *The Battle of Algiers* (1966) and stands as an inspiration for many nearby countries. However, recent violence caused in part by ideological rivalry between a declining socialism and rising Islamism, illustrates post-colonial peril and tragedy. Today, Algeria endeavors to reconcile its past with its present. The third edition of the *Historical Dictionary of Algeria* has undergone extensive and substantial changes since previous editions, especially taking into account Algeria's

civil strife of the 1990s and the country's controversial re-institutionalization and re-democratization. This is accomplished by means of a chronology, a list of acronyms and abbreviations, an introductory essay, maps, black & white photos, economic tables and statistics, appendixes, a bibliography, and hundreds of cross-referenced dictionary entries on significant persons, places, and events.
