**Vedic Philosophy** Kashmir, the northernmost state of India, boasts a language which challenges every field of linguistics, be it modern, generative, comparative, synchronic and diachronic. Although Kashmiri is only spoken by approximately three million people, its syntax, similar to Germanic and other verb-second languages, has raised many significant issues within current generative theories proposed by Chomsky and other prominent linguists. The book contains extensive description of the syntax, morphology, agreement and pronominal clitics of Kashmiri. Its
