Defending the Spread Offense

This second edition of the hugely
successful Defending the Spread
Offense examines why the spread
offense has become so prevalent in
the last few years, and offers the
philosophy, concepts, tips and
diagrams of current defensive
strategies that give the reader
necessary tools to successfully
defend against the spread offense.
Including information on formulating a
defensive strategy, attacking various
pass protection schemes, and a new
chapter on fusing bracket coverage
and pressure concepts versus the
spread.
