Dragonflight: On the planet Pern, deadly "thread" falls from the sky and puts all living creatures at risk. The symbiotic relationship of dragon and rider is the planet's only hope for survival. Dragonflight is the story of Lessa, the last of the noble bloodline of Ruatha Hold. The dragonriders rescue her from servitude while searching for likely candidates to impress the new dragon queen. Lessa is successful at imprinting Ramoth, the new queen, which makes her the leader of the Weyr and the mate of F'lar. As rider of the bronze dragon Mnementh, he is most suitable to lead the on-going struggle against the dreaded thread. Dragonquest: The deadly silver Threads are falling again. The dragonriders take to the air, their magnificent flying dragons destroying the shimmering strands before they reach the ground. F'lar has to find a better way to protect Pern before the Oldtimers dissent, or the fire-

lizards stir up trouble, or his brother F'nor launches a suicide mission!

NEW YORK TIMES BESTSELLER • Go back in time and visit Pern like it's never been seen before in this thrilling prequel about the creation of dragons. The beautiful planet Pern seemed a paradise to its new colonists—until unimaginable terror turned it into hell. Suddenly deadly spores were falling like silver threads from the sky, devouring everything—and everyone—on their path. It began to look as if the colony, cut off from Earth and lacking the resources to combat the menace, was doomed. Then some of the colonists noticed that the small, dragonlike lizards that inhabited their new world were joining the fight against Thread, breathing fire on it and teleporting to safety. If only, they thought, the dragonets were big enough for a human to ride and intelligent enough to work as a team with a rider... And so

they set their most talented geneticist to work to create the creatures Pern so desperately needed—Dragons!

The Seventh Gate is the thrilling conclusion to the New York Times bestselling Death Gate Cycle by Margaret Weis and Tracy Hickman. In this tale of treachery, power, and heroism, Alfred, Haplo, and Marit embark on a journey of death and discovery as they seek to enter the dreaded Seventh Gate. Encountering enemies both old and new, they unleash a magic no power can control, damning themselves to an apocalypse of unimagined proportion in a final struggle between good and evil.

Nerilka's Story Del Rey

Volume II of The Dragonriders of Pern®, the legendary series by

award-winning author Anne McCaffrey Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders struggle with threats both otherworldly and human, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful red star that fills the heavens and promises doom to all.

La Ballade de Pern - 12-21

Le jeune Jaxom est le seigneur du Fort de Ruatha. Sa décision de conférer l'Empreinte à Ruth, le dragon blanc deux fois plus petit que ses frères, entraîne critiques et moqueries. La condition des chevaliers-dragons tend à perdre de son prestige face aux nouvelles armes de destruction des Fils. Le Continent Méridional, où les hommes avaient fondé leurs premiers établissements sur Pern avant d'émigrer vers le Nord, concentre les désirs de tous.

La Ballade de Pern - tome 15 Del Rey

From the Hugo and Nebula award-winning authors comes the Petaybee series, full of gripping fantasy and daring adventure. Strange things are happening on the icy planet of Petaybee: Unauthorized genetically engineered species have been spotted; geologic survey teams sent to locate newly detected mineral deposits are either coming up empty or disappearing altogether. And the locals aren't talking—especially not to the company bent on exploiting the planet. Disabled combat veteran Yanaba Maddock seems to be the perfect spy for the company. The frailty that was a liability in the military allows her to gain the trust of the Petaybean natives. But miraculously, with Yana's relocation to the arctic planet comes the return of her health and strength. And the closer she gets to the people of Petaybee, the more determined she is to protect her new home. For something

unusual and wonderful is happening on Petaybee. Something worth fighting for, even dying for—but especially, something worth living for. . . .

Sassinak was twelve when pirates raided her native colony, enslaving her and murdering her family. Abe, a fellow captive, befriends her and, when they are emancipated by Fleet (the military), becomes her guardian until he is slain in a barroom brawl. Intelligent and daring, Sass joins Fleet as a raw recruit, surprising everyone with her rapid rise to senior rank. And then her vengeance begins in earnest...

The Seventh Gate 12-21

“[Anne] McCaffrey here adds yet another dimension to her colorful and vivid saga by focusing on the attractive dolphins and their highly believable society.”—Publishers Weekly When the first humans came to settle the planet Pern, they did not come alone: intelligence-enhanced dolphins also crossed the stars to colonize Pern’s oceans while their human partners settled the vast continents. But then disaster struck. The deadly silver spores called Thread fell like rain from the sky, and as the human colonists’ dreams of a new, idyllic life shattered into a desperate struggle for survival, the dolphins were forgotten. Now, centuries later, as the dragonriders of Pern prepare to complete the momentous task of ridding their world of Thread forever, T’lion, a young bronze rider, and his friend Readis, son of the Lord Holder of Paradise River Hold, make contact with the legendary “shipfish.” And as the dragonriders grapple with the end of an era, T’lion, Readis, and the dolphins face the start of a new one: reviving the bond between land- and ocean-

dwellers—and resurrecting the dreams of the first colonists of Pern.

Dragonflight/Quest 12-21

Les Fils mortels pleuvent sur Pern, les Chevaliers-Dragons affrontent le danger malgré les intrigues des Seigneurs et la malveillance des Anciens. Pour relancer la guerre, il faudrait des armes nouvelles : les lézards de feu ou des larves ? À moins que la solution ne soit d’envahir l’Étoile Rouge...

Dragonseye Del Rey

“McCaffrey’s world of the Talented is as vivid as that of Pern and its dragons.”—Publishers Weekly When a freak accident furnishes solid scientific proof of paranormal mental abilities, the world reacts with suspicion and fear. How can ordinary people coexist with a minority able to read minds, heal with a touch, peer into the future, or move objects with a thought? How can anyone with such power be trusted not to abuse it? Harsh repression seems the only answer Gifted with precognitive talent, Henry Darrow has other ideas, foreseeing a future in which the Talents are accepted for what they are and not what they can offer their fellow humans. But the road to that future will not be easy. Darrow and the powerful telepath Daffyd op Owen must win the public’s trust while overcoming the threat of rogue Talents like Solange Boshe, a young girl so consumed with hatred that her thoughts can kill, and the singer known as Amalda, whose telepathic prowess can unite a thousand strangers in joyful harmony—or mold them into a bloodthirsty mob. . . .

En des temps de grands changements, les espoirs et les regrets se mêlent dans le cœur des hommes. Après tant de luttes héroïques, les chevaliers dragons doivent affronter une dernière menace. L'ultime chute des Fils combattue, l'Étoile Rouge, revenue à une orbite inoffensive, cessera d'être dangereuse pour Pern. Dans un monde libéré de son fléau et bouleversé par l'explosion de la technologie, les chevaliers dragons auront-ils encore leur place ?

The Whites and the Blues Del Rey

In this triumphant return to Pern, Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before . . . It is a time of hope and regret, of endings and beginnings. The Red Star, that celestial curse whose eccentric orbit was responsible for Thread, has been shifted to a harmless orbit, and the current Threadfall will be the last. Technological marvels are changing the face of life on Pern. And the dragonriders, led by F'lessan, son of F'lar and Lessa and rider of bronze Golanth, and Tia, rider of green Zaranth, must forge a new place for themselves in a world that may no longer need them. But change is not easy for everyone. There are those who will stop at nothing—not even violence—to keep Pern and its people pure. And now a brand-new danger looms from the skies . . . and threatens a catastrophe of unimaginable proportions. Once again, the world looks to the dragons and their riders to solve the crisis and save the world. But now, as the friendship of F'lessan and Tia begins to bloom into something more, unforeseen tragedy strikes: a tragedy destined to forever change the future—not just of the two young lovers, but of every human and dragon on Pern . . .

Now available for the first time: all three novels from the amazing Magnus Chase series, collected in one stunning digital edition. My name is Magnus Chase. I'm orphaned and living rough on the streets of Boston. And things are about to get much worse. My day started out normally

enough. I was sleeping under a bridge when some guy kicked me awake and said, 'They're after you.' Next thing I know, I'm reunited with my obnoxious uncle, who casually informs me that my long-lost father is a Norse god. And it turns out the gods of Asgard are preparing for war. Apparently, if I can't find the sword my father lost two thousand years ago, there will be doom. Doomsday, to be precise. But first I'm going to die. This is the story of how my life goes downhill from there... La Ballade de Pern - tome 8 Penguin UK

"Something's Alive In There!" She was just a little girl, with a tiny horn in the center of her forehead, funny-looking feet, beautiful silver hair, and several curious powers: the ability to purify air and water, make plants grow, and heal scars and broken bones. A trio of grizzled prospectors found her drifting in an escape pod amid the asteroids, adopted her, and took her to the bandit planet Kezdet, a place where no questions are asked and the girl might grow up free. But Kezdet has its own dark secret. The prosperity of the planet is based on a hideous trade in child slave labor, administered by "The Piper" -- a mystery man with special plans for Acorna and her powers. But free little girls have a way of growing into freedom-loving young women, and Acorna has special plans all her own. . .
