reading? Then you'll have to learn Norwegian! Includes grammar explanations, exercises, and online materials.

Essential Swedish Grammar Berlitz Languages, Incorporated Basic Swedish: A Grammar and Workbook combines an accessible basic reference grammar and related exercises in one volume, and covers most of the topics that students might expect to deal with in their first year of learning Swedish. Each of the 25 units discusses one or more grammar topics, with examples that are subsequently practised in the exercises that follow. The book introduces the contemporary language against a backdrop of Swedish culture, society, geography, customs and history. Each unit ends with a cultural text that outlines an aspect of Swedish culture and exemplifies and consolidates the grammar topic examined in the unit. Features include: clear grammatical explanations with examples in Swedish and English vocabulary based on a major corpus of written Swedish in order to guarantee authenticity and relevance cross-references to other units over 100 exercises with a key to all the correct answers full vocabulary list at the end of the book. The book is suitable both for independent study and for class use. It can be used by absolute beginners and those who have advanced a little further.

“Fascinating. Doidge’s book is a remarkable and hopeful portrait of the endless adaptability of the human brain.”—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge’s inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they’ve transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders

---

successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

The beloved story of a spunky young girl and her hilarious escapades. Tommy and his sister Annika have a new neighbor, and her name is Pippi Longstocking. She has crazy red pigtails, no parents to tell her what to do, a horse that lives on her porch, and a pet monkey named Mr. Nilsson. Whether Pippi's scrubbing her floors, doing arithmetic, or stirring things up at a fancy tea party, her flair for the outrageous always seems to lead to another adventure. "A rollicking story." —The Horn Book

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

**Essentials of Swedish Grammar** Routledge

Are you trying to learn Swedish - but can't find the right reading material? We understand how difficult it is to find Swedish

learning material. Finding the right teacher, books or even peers to study with can be incredibly difficult, and we've been there before. There is a demand... but not enough supply. It can get frustrating. Which is why we've created Swedish Short Stories for Beginners, a book made to ensure that young and old students at the entry level of learning can take advantage of a valuable opportunity in learning the Swedish tongue. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on Swedish, but that you will understand and be able to pick it apart piece by piece in your quest for learning. How Swedish Short Stories for Beginners works: - Each story will contain an important lesson of the tools and skills needed to learn the Swedish language (nouns, pronouns, future tense, traveling terms, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. - The summaries follow: a synopsis in Swedish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Swedish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a fluent Swedish speaker, and we'll certainly make that dream come true! So look no

Learn Spanish with Short Stories Createspace Independent  
Publishing Platform

This is the new, black and white version of From English to  
Swedish 1. A full color version is also available. Look for  
ISBN 978-1540452900. From English to Swedish 1 & 2 is a  
series of textbooks for English speaking students who  
would like to learn Swedish. The first book covers level A1  
and the second book level A2 of the European CEFR-scale.  
Unlike most Swedish textbooks they provide vocabulary  
lists, grammar explanations, and text commentaries in  
English. To help the reader learn Swedish pronunciation, a  
series of videos linked to the first book is available on  
YouTube (see  
<https://www.youtube.com/watch?v=mEQVgbDPZ4I>). The  
texts of the two books tell the story of an American girl who  
comes as an exchange student to live in a Swedish family.  
She struggles to learn Swedish and adapt to Swedish  
culture, but in the process runs into a number of culture

---

clashes, all based on the authors' real life experiences. ke Daun, professor of ethnology from Stockholm University and a specialist in Swedish mentality, has examined the first book and describes the way it introduces Swedish mentality as "innovative and entertaining". To facilitate the student's learning the books take advantage of the close relationship between English and Swedish. Many of the words appearing in the texts are similar to their English counterparts. Having finished both books, the student will have acquired a vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Sprkbanken (the Language Bank), a data base published by the University of Gothenburg. In an appendix to book 1, the similarities between English and Swedish are explained from an historical point of view, and over 300 related words from different areas are presented. Each chapter in the books contains a short grammar section presenting essentials in Swedish morphology and syntax. All grammatical terms, except the most common ones, are explained. At the end of each book there is a grammar overview with definitions of concepts and references to relevant chapters. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open-ended in order to stimulate reflection and discussion in class. Furthermore, a number of songs with

simple vocabulary are included, mainly children's songs by classic song-writers. Finally, each book contains answers to the exercises and a complete alphabetical glossary. Judgments about From English to Swedish 1: "I'm just learning Swedish, and this book is wonderful. The style & methodology are ideal. Highly recommend." (Amazon, USA) "A brilliant book. ... The words and pronunciations are well explained with examples given. Common Swedish vocab is also used in lessons. Quite amazing that by lesson 2 (Lektion 2) I was understanding and translating simple paragraphs and answering questions in full sentences without much difficulty. The two books are a must buy for people looking to learn the Swedish language. ... The second book is just as good as this one." (Amazon, England) "I've tried to start learning Swedish several times with at least 4 books, and finally I've found one that is didactic enough to keep me going! Very natural way of teaching, the closest thing I've seen to have a teacher that prepares a class for you. I'm already looking for the 2nd book!" (Amazon, Spain)

When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down.

*Short Stories in Norwegian for Beginners* John Murray

This is the black and white version of From English to Swedish 2. A full color version is also available. Look for ISBN 978-1533227034. From English to Swedish 2 is an intermediate Swedish textbook for English speaking students covering level A2 of the European CEFR-scale. It is a direct sequel of From

---

English to Swedish 1 by the same authors. The first book tells the story of an American exchange student, Ashley Chapman, and her Swedish host family, the Lundstrms. In this book readers continue to follow Ashley through the second half of her exchange year, during which she learns more about the Swedish society and visits several of the larger cities in the country. She also continues to observe, analyze, and discuss differences in culture and mentality between Swedes and Americans. With the help the two books students acquire a total vocabulary of slightly more than 1,500 words including 57 % of the 2,000 most frequent words of the Swedish language as defined by Sprkbanken (the Language Bank), a data base published by the University of Gothenburg. A glossary listing the complete vocabulary is included at the end of this book. Furthermore, the book contains exercises which help students develop the skill of guessing the meaning of many more words, which are of common origin to English and Swedish or have been imported from English to Swedish during the last 200 years. The grammar sections of the book cover all forms of the Swedish verb. Other themes, such as the logical relationship between sub-clauses and main clauses and the use of prepositions, are also included, as well as advice on how to address the Swedes. A final grammar overview provides explanations of grammatical terms with references to relevant grammar sections. Each lesson includes a number of exercises, where students are encouraged to practice their newly gained grammar knowledge, repeat vocabulary, and answer questions in connection with the texts. As the students' vocabulary develops, the questions become increasingly open in order to stimulate discussion in class. Finally, some traditional Swedish songs are included with printed

music, lyrics and guitar chords. Judgment about From English to Swedish 2: "From English to Swedish 2 is a very well-composed and pedagogic text book which is ideal for international students, who have different mother tongues but use English as a lingua franca. The book contains a suitable mix of enjoyable, informative and often funny texts, grammatical explanations in English, and varying exercises with instructions in English, as well as useful lists of vocabulary." (Gun Lystedt, Assistant Professor of Swedish, Ume University, Sweden)

#### I Love My Mormor Hachette UK

This grammar-reader is based on almost twenty years' experience of teaching beginners the Swedish language and is reassuringly practical in approach. Miss Hird's aims are threefold: to provide a compromise between the traditional grammar-readers and the new textbooks which are not designed for beginners outside Sweden; to supply grammatical information and exercises and reading texts together for ease of reference; and to stimulate the student's interest in Swedish life, institutions and culture. The grammar part of the book is in seventeen lessons, each comprising a text in Swedish which Miss Hird has specially composed to include useful vocabulary and graded grammatical points upon which exercises (including translation exercises) are set for practice. The central theme of the texts is Stockholm, and attractive drawings illustrate it. To help the student, there is a full vocabulary list covering all the lessons, a brief summary of Swedish grammar, a glossary of grammatical terms, a check list of irregular verbs and a comprehensive index of the grammatical points covered in the book. In the reader part of the book, the texts chosen range from a short play by Strindberg to a sketch by Stig Claesson, one of Sweden's most popular contemporary authors. Each text is preceded by a short biographical and literary introduction and is followed by questions designed to test the student's comprehension and to stimulate his appreciation.
