Smart, sexy and spirited, Brooke Cates is the type of woman every man dreams of. But Brooke has already found the man of her dreams - tall, dark and ruggedly handsome cowboy Logan. Once young and in love, they never imagined that a devastating betrayal would lead them down different paths. Now, when tragedy strikes, Brooke must return to her hometown of Angel Ridge, Montana. Once there, she is forced to deal with old hurts when Logan tries to make her remember the past she has chosen to forget. Logan MacKenna can have any woman he wants, but his heart has been reserved for Brooke since they shared their very first kiss. Time and distance have done

nothing to change that. When chance random encounters abound, it's as if fate is pushing them together, and Brooke decides that she doesn't want to fight the undeniable sexual attraction that exists between them. When it's played its course, she will simply go back to her life. But Logan has no intention of letting her walk away from him a second time. Will Brooke be able to put her fears aside and trust in Logan enough to give him back her heart? And if they succeed in rekindling their love, can their new relationship withstand the force of Brooke's longkept secret, one that could tear them apart for good this time?

Jolly Phonics Wall Frieze

From the author of the Michael L. Printz award-winning novel *In Darkness* comes a critically-acclaimed, fast-paced thriller that's as dangerous as the seas on which it's set. The last thing Amy planned to do this summer was sail around the world trapped on a yacht with her father and her stepmother. Really, all she wanted was to fast-forward to October when

she'll turn eighteen and take control of her own life. Aboard the Daisy May, Amy spends time sunbathing, dolphin watching and forgetting the past as everything floats by . . . until one day in the Gulf of Aden another boat appears. A boat with guns and pirates – the kind that kill. Immediately, the pirates seize the boat and its human cargo. Hostage One is Amy's father – the most valuable. Hostage Two: her stepmother. And Hostage Three is Amy, who can't believe what's happening. As the ransom brokering plays out, Amy finds herself becoming less afraid, and even stranger still, drawn to one of her captors, a teenage boy who wants desperately to be more than who he has become. Suddenly it becomes brutally clear that the price of life and its value are two very different things . . .
