This is a short, concise book that will quickly spell out the steps you need to take to write a solid, well-thought out cover letter."

-Rebecca "This book was a major benefit to my post-grad job search. I was struggling to portray some past experience to potential recruiters. I was hardly getting noticed and unable to land interviews; I was just another piece of paper in the deck. Jeremy's beneficial insight to the cover letter was against my traditional understanding. His direct nature and step by step guidance proved to be beneficial in my search. I was able to go through the book and develop a brand new cover letter from scratch in less than an hour. Given the price of the book and the time it takes to go through, there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer." -LJ "If you, like me, hate writing cover letters, then this book is for you. Before reading this book, I was not even using cover letters because I thought they didn't matter, and I didn't know what to say. Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free." -Jane E Nevins What you'll get... -A sample cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga -A cover letter template that's broken down into step-by-step chunks, making it easy to apply to your own application -The definitive
