_____ The 'endlessly funny' novel widely regarded as a classic of comic English literature. Porterhouse College is world renowned for its gastronomic excellence, the arrogance of its Fellows, its academic mediocrity and the

social cache it confers on the athletic sons of country families. Sir Godber Evans, ex-Cabinet Minister and the new Master, is determined to change all this. Spurred on by his politically angular wife, Lady Mary, he challenges the established order and provokes the wrath of the Dean, the Senior Tutor, the Bursar and, most intransigent of all, Skullion the Head Porter - with hilarious and catastrophic results.

A Delayed Life Second Star Press
This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the

traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them

remain.

The Deerslayer, or The First Warpath (1841) was the last of James Fenimore Cooper's Leatherstocking tales to be written. Its 1740-1745 time period makes it the first installment chronologically and in the lifetime of the hero of the Leatherstocking tales, Natty Bumppo.

The novel's setting on Otsego Lake in central, upstate New York, is the same as that of The Pioneers, the first of the Leatherstocking tales to be published (1823). The Deerslayer is considered to be the prequel to the rest of the Leatherstocking tales. Fenimore Cooper begins his work by relating the astonishing advance of civilization in New York State, which is the setting of four of his five
