Excel 365 Bible Barbour Publishing Even amid the horrors and heavy sorrows of the global COVID-19 pandemic, there can be a distinct vitality in our souls, in our circumstances, in our relationships, in the world within our sphere of influence, and in how we each move into the future. It may not be a euphoric vitality when a prolific number of us

suffer illness, and many die, in a society gripped by fear, economic tumult, and looming infections facing healthcare and law enforcement personnel and store clerks. But still, just as our physical bodies, when well, function as they were intended to do, so too can the spirit within us. Journalist and spiritual disciplines advocate Art Toalston ventures into a vitality that can enhance our daily lives, even in a time of social upheaval and widespread grief. As long as we have a heartbeat and can breathe, why not venture forward with an optimized view of life? A coronavirus pandemic cannot alter God's creation of the human soul. *Excel 2019 Bible* Independently Published

Christianity presented a most confusing bible and called it the Word of God. The *Christian Bible* is a hodgepodge of many conflicting stories that it can spawn up a million and one religions or sects where no two

can be found to be exactly alike in their doctrines. Tell me, how many Christian denominations and sects are there right now in the world. I tell you, tens of thousands more new sects will be coming up in the years to come for as long as there are those who would open up and seriously read the Bible and that, in their reading, would discover that the teachings of their church do not conform exactly to what they have understood in the Bible. Honestly, I have not known of any sect or denomination in the whole Christian world that was able to embrace the

entire teachings in the Bible. For truly, it is impossible to ever do so. The book will explain everything why. Happy reading!
