The Fearless W. W. Norton & Company Anthony Powell's universally acclaimed epic *A Dance to the Music of Time* offers a matchless panorama of twentieth-century London. Now, for the first time in decades, readers in the United States can read the books of *Dance* as they were originally published—as twelve individual novels—but with a twenty-first-century twist: they're available only as e-books. *Casanova's Chinese Restaurant* (1960), the fifth book, finds Nick marrying Isobel Tolland and launching happily into family life—including his new role as brother-in-law to Isobel's many idiosyncratic siblings. But even as Nick's life is settling down, those of his friends are full of drama and heartache: his best friend, Hugh Moreland, is risking his

marriage on a hopeless affair, while Charles Stringham has nearly destroyed himself with drink. Full of Powell's typically sharp observations about life and love, *Casanova's Chinese Restaurant* offers all the rewards and frustrations, pleasures and regrets of one's thirties. "Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."—Chicago Tribune "A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."—Elizabeth Janeway, New York Times "One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."—Naomi Bliven, New Yorker "The most brilliant and penetrating novelist we have." —Kingsley Amis

Memoirs of Casanova (1792) is the autobiography of Italian adventure and socialite Giacomo Casanova. Written at the end of his life, the Memoirs capture the experiences of one of Europe's most notorious figures, a man whose escapades as a gambler, womanizer, and socialite are matched only by his unique gift for sharing them with the world. More than perhaps any other man, Casanova sought to emulate the lessons of the Enlightenment on the level of everyday life, a sentiment captured perfectly in the opening sentence of his Memoirs: "I will begin with this confession: whatever I have done in the course of my life, whether it be good or evil, has been done freely; I am a free agent." Memoirs of Casanova Volume IV covers the young adulthood of Giacomo Casanova. As his time in Corfu draws to a close, the young Casanova revels in the final days of a heated love affair with Madame F., a beautiful noblewoman. Ending his military career, he returns to Venice and pursues the life of a professional gambler, but soon finds that his compulsiveness proves a poor match for the patience and cunning required of the craft. Desperately broke, he attempts to make a living as a violinist while continuing his fast, hedonistic lifestyle. When a chance encounter ends with him saving the life of a Venetian senator, Casanova begins several years of service under his patronage. Life as a nobleman is difficult for a young libertine, however, and as his patron's patience wears thin, Casanova looks to reinvent himself once more. With a beautifully designed cover and professionally typeset manuscript, this edition of Giacomo Casanova's Memoirs of Casanova is a classic of European literature

reimagined for modern readers.

Casanova Wept tells the plight of a man of forty living in an open, permissive marriage that is in the process of painfully dissolving. Joe O's great love, Cali, has moved out and she is growing more distant every day. Joe's quest to understand what caused their bond to crack is dramatized against a montage of past and present hookups in San Francisco, Los Angeles, New York, and Paris. The tales can be riotously funny, ridiculous, embarrassing, sad. Colorful characters dip in and out of the frame, some to return and play more important roles, and some fleeting. At its heart, this novel offers a penetrating deconstruction of manhood, love, and desire, through the lens of a confused but highly sensitive protagonist. It is raw, honest, and irreverent.

The first Rake Patrol novel, from the author of *The Education of Mrs. Brimley* and *Redeeming the Rogue*... "A refined gentleman, age 25, of wealth and education, seeks the acquaintance, with a view to matrimony, of a high-minded, kind-hearted lady who prefers an evening of quiet conversation to the lively demands of society." Edwina Hargrove knows that this "gentleman" was, in fact, Ashton Trewelyn, a rake notorious for seducing the young and naive. In fact, five decent women have already been tricked and bundled off to

the continent for scandalous purposes. There was a way to thwart his scheme though—by shadowing this devilishly handsome Casanova and warning his prey. If only it were that simple. Wounded and weary, Ashton Trewelyn returns home to London from the King's Royal Rifles, but soon discovers a coded message that has implications to the Crown and his family. His only hope to unravel the mystery lies in the enigmatic Edwina's ability to recognize patterns. Even as he leads her on a path of secret societies and risque temptations, he discovers she arouses his jaded soul with temptations of her own. Must they risk everything to decipher Casanova's code?

In the waning days of Venice's glory in the mid-1700s, Andrea Memmo was scion to one the city's oldest patrician families. At the age of twenty-four he fell passionately in love with sixteen-year-old Giustiniana Wynne, the beautiful, illegitimate daughter of a Venetian mother and British father. Because of their dramatically different positions in society, they could not marry. And Giustiniana's

mother, afraid that an affair would ruin her daughter's chances to form a more suitable union, forbade them to see each other. Her prohibition only fueled their desire and so began their torrid, secret seven-year-affair, enlisting the aid of a few intimates and servants (willing to risk their own positions) to shuttle love letters back and forth and to help facilitate their clandestine meetings. Eventually, Giustiniana found herself pregnant and she turned for help to the infamous Casanova — himself infatuated with her. Two and half centuries later, the unbelievable story of this star-crossed couple is told in a breathtaking narrative, re-created in part from the passionate, clandestine letters Andrea and Giustiniana wrote to each other.

"In the *New Statesman*, *TLS*, the *Spectator*, the *New York Times* and *Harper's Bazaar* among others, these short pieces appeared in other forms as book reviews, an introduction, etc. but all of them display Mr. Quennell's immanent virtues -- the well-informed insights so pleasantly styled.

There are twenty-five figures, chiefly old with the exception of [Robert] Graves and [Evelyn] Waugh, and from both sides of the Channel. The title essay deals with the indignities Casanova suffered in London in 1763 in the hands and even in the bed of a malicious demi-mondame.

There's Victor Hugo and George Sand in the setting sun of old age; [André] Gide, married to a woman who aroused devotion but could not awake desire while [James] Boswell, the dissolute, was anything but faithful; [Daniel] Defoe's transformation of Alexander Selkirk's story; Waugh, the 'greatest novelist' of this generation; that lovable old La Rochefoucauld; and the 'magician of pleasure,' [Guillaume] Apollinaire.

One or two unknowns, generally speaking, Anthony Hamilton and [Henry] Mayhew and perhaps the Goncourts whose pursuit of l'art pour l'art is like Quennell's, a rebuke to our own 'slovenly and hall-hearted age.' Even in this minimal form, the essays represent a perfectly proportioned judgment and taste."--Kirkus Reviews.

Giacomo Casanova was an ecclesiastic, writer, soldier, spy, and diplomat, but above all remains, after two hundred years, the archetypal elegant libertine. Expelled from the church for improper behavior, his amorous adventures and luxurious lifestyle made him into a universal symbol for decadence. This is the first popular account of the man for some years with all the ingredients of good popular biography -- sex, scandal, imprisonment, drama, and love.
