Introducing The Tiny Seed by Eric Carle. The lifecycle of a flower is beautifully captured in this captivating story. The story starts when flower pods burst and send out their seeds on the wind. Not all of the seeds survive the journey, but the tiny seed lands in good soil and begin to grow.

Tiny Seed by Eric Carle - AbeBooks
Originally published by Crowell, this vibrantly illustrated rendition tells of a tiny seed that travels with the wind, survives perils, germinates, and grows into a flower, producing more tiny seeds. A springtime standard for nursery-school and kindergarten units on seasons and growth, it is back in print from Picture Book Studio [now from Simon & Schuster] in a newly edited and illustrated version.

The tiny plant that grew from the tiny seed is growing fast, but its neighbor grows even faster. Before the tiny plant has three leaves the other plant has seven! And look! A bud! And now even a flower! But what is happening? First there are footsteps. Then a shadow looms over them. Then a hand reaches down and breaks off the flower.

The Tiny Seed by Eric Carle - read aloud children's book ...

Eric Carle's classic story of the life cycle of a flower is told through the adventures of a tiny seed. Everyone will cheer for the seed's progress as it floats across the sky, nestles in the ground, and finally grows into the giant flower it was always meant to be.

The Tiny Seed By Eric Carle

A classic picture book by Eric Carle - The Tiny Seed. When the tiny seed is blown away from its parent plant, it travels a very long way - over seas, deserts and mountains. The tiny seed survives the hazards of the journey and finally falls onto fertile earth. It grows and grows, becoming the tallest, biggest flower for miles around.

Tiny Seed By Eric Carle

Our April story of the month is called The Tiny Seed by Eric Carle. You may know Eric Carle from some of his other classic books like Brown Bear, Brown Bear or The Very Hungry Caterpillar. (I also created a book project for

his book Little Cloud.) For more spring books, check out this post! The Tiny Seed has the same impressive illustrations. It's an engaging story about a seed's journey through the different seasons of the year.
