What is the AMC? The AMC is a mathematics competition containing thirty problems that students can attempt to answer in the time allowed. The students use a special answer sheet that is processed and marked by computer. There are five papers. While each paper is attempted by students from different year levels, each student

About the Australian Mathematics Competition.

Running since 1978, the Australian Mathematics Competition (AMC) is for students of all standards. Students are asked to solve 30 problems in 60 minutes (Years 3-6) or 75 minutes (Years 7-12). The problems are designed to test mathematical thinking rather than focus on calculations themselves,...

AUSTRALIAN MATHEMATICS COMPETITION WARM-UP PAPER 1.

Australian Mathematics Competition (AMC) The Australian Mathematics Competition (AMC) was introduced in Australia in 1978 as the first Australia-wide mathematics competition for students. It has become the largest single event on the Australian education calendar,

allowing students to attempt the same tasks on the same day in over 30 countries around the globe.
