Magic Words: A Dictionary is a oneofakind resource for armchair linguists, popculture enthusiasts, Pagans, Wiccans, magicians, and trivia nuts alike. Brimming with the most intriguing magic words and phrases from around the world and illustrated throughout with magical symbols and icons, Magic Words is a dictionary like no other. More than sevenhundred essay style entries describe the origins of magical words as well as historical and popular

variations and fascinating trivia. With sources ranging from ancient Medieval alchemists to modern stage magicians, necromancers, and wizards of legend to miracle workers throughout time, Magic Words is a must have for any scholar of magic, language, history, and culture. [Psilocybin Mushroom Handbook](#)  
Vintage  
Set among the mansions and tennis clubs of Surrey's richest suburb, The Savoy Truffle is a darkly comic drama

that evokes an era when Mod gear was fab, the Shorty Nightie shocking, the coffee frothy, and a new Beatles' single brought hysteria to the classroom. The grey post-war years are trembling on the verge of Technicolour, and the Blythe children are struggling to cope with the transition in their own idiosyncratic ways: Hugh's novel is held up by yearning for the Irish au pair; Janey moons over the mystery of men and the enigmatic Black Mini; George wages savage war on his Enemy; and the Moo takes refuge in his exclusive Sloppy Club. A crisis in their parents' lives brings madness and death, a supernatural visitor and an all-too-real tiger... The children have to confront - and conquer - the follies of their elders with wit and invention. Patrick Harpur is the acclaimed author of three novels and three works of non-fiction, including *Daimonic Reality*, *The Philosophers' Secret Fire* and *Mercurius*. He lives in West Dorset, worlds away from his Surrey upbringing.

**Once Upon a Halloween** BoD – Books on Demand

Phoul Pharaoh Tutankhamun has died and is about to be buried. It's master-thief Antef's big moment - can he and his crew of criminals pull off the biggest tomb-robbery of all time and empty Tut's tomb of its richest treasures? Find out in this Awful Egyptian adventure, it's got all the gore and so much more!

*Love Your Leftovers* Simon & Schuster

Are you a witless cretin with no reason to live?

Would you like to know more about every piece of knowledge ever? Do you have cash? Then

congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: *The Onion's Compendium of all things known*. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, **THE ONION BOOK OF KNOWN KNOWLEDGE** is packed with valuable information—such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or "pail." With hundreds of entries for all 27 letters of the alphabet, **THE ONION BOOK OF KNOWN KNOWLEDGE** must be purchased immediately to avoid the sting of eternal ignorance.

*The Frankies Spuntino Kitchen Companion & Cooking Manual* Rowman & Littlefield

City girl Poppy desperately wants to pay off her debts, quit her dead-end job, find her father... oh, and keep a plant alive. Poppy might not know her pansies from her petunias, but that doesn't stop her digging for clues. The only problem is that she could be digging her own grave too...

Witch Summer Night's Cream (LARGE PRINT) Edinburgh University Press

From a Pulitzer Prize-winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry -- and how it used salt, sugar, and fat to addict us. Salt Sugar Fat is a journey into the highly secretive world of the processed food giants, and the story of how they have deployed these three essential ingredients, over the past five decades, to dominate the North American diet. This is an eye-opening book that demonstrates how the makers of these foods have chosen, time and again, to double down on their efforts to increase consumption and profits, gambling that consumers and regulators would never figure them out. With meticulous original reporting, access to confidential files and memos, and numerous sources from deep inside the industry, it shows how these companies have pushed ahead, despite their own misgivings (never aired publicly). Salt Sugar Fat is the story of how we got here, and it will hold the food giants accountable for

the social costs that keep climbing even as some of the industry's own say, "Enough already."

Society as I Have Found it CreateSpace

In Victoria Laurie ' s latest Psychic Eye Mystery, Abby Cooper learns that following the money often leads to murder.... When Abby is sent to Los Angeles to help train FBI officers to use their intuition, she encounters a case that only she can solve: a series of bank robberies in which the thieves made off with loads of cash but left no clues. Abby ' s sixth sense leads her team to a tract of land recently cleared for development, where she gets a vision of four buried bodies. However, a site search turns up only ancient bones and pottery from an American Indian tribe, which is enough to delay construction for years.

With a furious developer and dubious FBI agents on her back, Abby is losing credibility fast. But Abby ' s talent rarely leads her astray, and if the bodies aren ' t there yet, that means four deaths can still be stopped. She ' ll just have to dig a little deeper....

A Literary Tea Party Purdue University Press

A landscape gardener of international renown, the author was in search of a challenge - a new climate, a new way of gardening and a new way of life. This work presents his account of gardening his way round Provence, and in particular, of attempting to restore the secret garden of Menerbes.

Salted Caramel Sorcery Simon and Schuster

The Christmas spirit is overtaking Tradd

Street with a vengeance in this festive new novel in the New York Times bestselling series by Karen White. Melanie Trenholm should be anticipating Christmas with nothing but joy—after all, it ' s only the second Christmas she and her husband, Jack, will celebrate with their twin toddlers. But the ongoing excavation of the centuries-old cistern in the garden of her historic Tradd Street home has been a huge millstone, both financially and aesthetically. Local students are thrilled by the possibility of unearthing more Colonial-era artifacts at the cistern, but Melanie is concerned by the ghosts connected to it that have suddenly invaded her life and her house—and at least one of them is definitely not filled with holiday cheer.... And these relics aren ' t the only precious artifacts for which people are searching. A past adversary is convinced there is a long-lost Revolutionary War treasure buried somewhere on the property Melanie inherited—untold riches rumored to have been brought over from France by the Marquis de Lafayette himself and intended to help the Colonial war effort. It ' s a treasure literally fit for a king, and there have been whispers throughout history that many have

already killed—and died—for it. And now someone will stop at nothing to possess it—even if it means destroying everything Melanie and Jack hold dear.

Kitchen Confidential Updated Ed Penguin Longlisted for the 2019 Center for Fiction First Novel Prize, Ryan Chapman 's "gritty, bracing debut" (Esquire) set during a prison riot is "dark, daring, and laugh-out-loud hilarious...one of the smartest—and best—novels of the year" (NPR). A largescale riot rages through Westbrook prison in upstate New York, incited by a poem in the house literary journal. Our unnamed narrator, barricaded inside the computer lab, swears he 's blameless—even though, as editor-in-chief, he published the piece in question. As he awaits violent interruption by his many, many enemies, he liveblogs one final Editor 's Letter. Riots I Have Known is his memoir, confession, and act of literary revenge. His tale spans a childhood in Sri Lanka, navigating the postwar black markets and hotel chains; employment as a Park Avenue doorman, serving the widows of the one percent; life in prison, with the silver lining of his beloved McNairy; and his stewardship of The Holding Pen, a "masterpiece of post-penal literature" favored by Brooklynites everywhere. All will be revealed, and everyone will see he 's really a good guy, doing it for the right reasons.

"Fitfully funny and murderously wry," Riots I Have Known is "a frenzied yet wistful monologue from a lover of literature under siege" (Kirkus Reviews).

Big Book of Gory Stories Little, Brown

From Brooklyn's sizzling restaurant scene, the hottest cookbook of the season... From urban singles to families with kids, local residents to the Hollywood set, everyone flocks to Frankies Spuntino—a tin-ceilinged, brick-walled restaurant in Brooklyn's Carroll Gardens—for food that is "completely satisfying" (wrote Frank Bruni in The New York Times). The two Franks, both veterans of gourmet kitchens, created a menu filled with new classics: Italian American comfort food re-imagined with great ingredients and greenmarket sides. This witty cookbook, with its gilded edges and embossed cover, may look old-fashioned, but the recipes are just what we want to eat now. The entire Frankies menu is adapted here for the home cook—from small bites including Cremini Mushroom and Truffle Oil Crostini, to such salads as Escarole with Sliced Onion & Walnuts, to hearty main dishes including homemade Cavatelli with Hot Sausage & Browned Butter. With shortcuts and insider tricks gleaned from years in gourmet kitchens, easy tutorials on making fresh pasta or tying braciola, and an amusing discourse on Brooklyn-style Sunday "sauce" (ragu), The Frankies Spuntino Kitchen Companion & Kitchen Manual will seduce both experienced home cooks and a younger audience that is newer to the kitchen.

The Luberon Garden Skylight Press

DIVNick Evans runs the popular food blog macheesmo.com, and he came up with a simple yet effective concept for everyday cooking: Create one foundation dish, in decent quantity, when you have the time--perhaps on a lazy Sunday afternoon--and then repurpose it to make other delicious dishes throughout the week. Cooking this way saves time and money and allows busy people to eat well every night. Love Your Leftovers includes breakfast, lunch, dinner, and dessert options as well as a wide range of cuisines. Each main dish will have eight to ten creative recipes for leftovers. So, if you make a Roast Chicken one night, you can then make Chicken Tortilla Soup, Creamy Chicken Pesto Pasta, or Chicken and Dumplings another night. A Flank Steak can morph into Spicy Beef Wontons or Vietnamese Noodle Salad. Spicy Black Beans can become Black Bean Burgers or Crunchy Black Bean Tacos. Love Your Leftovers will also feature chapters on kitchen and pantry basics and Meal Planning 101, as well as a helpful index of vegetarian and thirty-minute meals. /div

Words You Should Know How to Spell Artisan Books

An innkeeper who reads minds. An ornery detective. And a trail of bodies. Cider Cove is the premiere destination for murder. My name is Bizzy Baker, and I can read minds-not every mind, not every time but most of the time and believe me when I say it's not all it's cracked up to be. A seminar on how to catch the perfect man is being held at the Country Cottage Inn-but with a killer on the loose, the only thing in store for the guests is a lesson on murder. Not only do I have another homicide on my hands but Jasper's ex is in town and she's looking to take back what once belonged to her. It's October in Cider Cove. There's a fright around every corner-and a killer closer than I'm willing to believe. Bizzy Baker runs the Country Cottage Inn, has the ability to pry into the darkest recesses of both the human and animal mind, and has just stumbled upon a body. With the help of her kitten, Fish, a mutt named Sherlock Bones and an ornery yet dangerously good looking homicide detective, Bizzy is determined to find the killer. Cider Cove, Maine is the premiere destination for fun and relaxation. But when a body turns up, it's the premiere destination for murder. The Country Cottage Inn is known for its hospitality. Leaving can be murder. A laugh out loud cozy mystery by New York Times Bestseller Addison Moore and her partner in cozy crime, Bellamy Bloom.

Tristes Tropiques Penguin

A deliciously funny, delectably shocking banquet of wild-but-true tales of life in the culinary trade from Chef Anthony Bourdain, laying out his more than a quarter-century of drugs, sex, and haute cuisine—now with all-new, never-before-published material

The Judge Ed Rosenthal

This book is the first published statement of the fruits of some years' work of a largely philological nature. It presents a new appreciation of the relationship of the languages of the ancient world and the implication of this advance for our understanding of the Bible and of the origins of Christianity.
