"He was a Fula. I say 'was', because I haven't seen him

for a long time. I don't know if he's still alive or where he might be. He just disappeared." Maria is independent, unconventional and unafraid. She is trying to find an explanation for the disappearance of Ishmael, a refugee from Sierra Leone who came to her door as a newspaper boy and stayed for seven years. He was like a son to her. Vincent is a psychologist. Once he and Maria had an all-encompassing relationship, but since their break-up he has been living in a kind of haze. One day, Maria asks for his help. In the encounters that follow, Ishmael is pushed into the background by a rekindling of the old love between Vincent and Maria. The stories and memories that resurface come to replace the sadness at the loss of the boy. But despite the distraction of their new situation, Ishmael proves impossible to forget. Otto de Kat is known for concise novels that are beautifully observed, subtle and precise, and Freetown is no exception. Translated from the Dutch by Laura Watkinson

"Enthralling ... A great read."—Philippe de Montebello, former director of the Metropolitan Museum of Art October 16, 1943, inside the Vatican as darkness descends upon Rome. Having been alerted to the Nazi plan to round up the city's Jewish population the next day, Monsignor F. dispatches an envoy to a nearby palazzo to bring Ludwig Pollak and his family to safety within the papal premises. But Pollak shows himself in no hurry to leave his home and accept the eleventh-hour offer of refuge. Pollak's visitor is obliged to take a seat and listen as he recounts his life story: how he studied archaeology in Prague, his passion for Italy and Goethe, how he became a renowned antiquities dealer and advisor to great collectors like J. P. Morgan and the Austro-Hungarian emperor after his own Jewishness barred him from an academic career, and finally his spectacular discovery of the missing arm from the majestic ancient sculpture of Laocoön and his sons. Torn between hearing Pollak's spellbinding tale and the urgent mission to save the archaeologist from certain annihilation, the Vatican's anxious messenger presses him to make haste and depart. This stunning novel illuminates the chasm between civilization and barbarism by spotlighting a little-known figure devoted to knowledge and the power of artistic creation.

On the rooftop of a theater in an African

port, a ten-year-old boy lies slowly dying of bullet wounds. He is Nelio, a leader of street kids, rumored to be a healer and a prophet, and possessed of a strangely ancient wisdom. One of the millions of poor people 'forced to eat life raw,' Nelio tells his unforgettable story over the course of nine nights. After bandits cruelly raze his village, he joins the legions of abandoned children living in the city's streets. An act of the imagination, an effort to prove to his comrades that life must be more than mere survival, cuts short Nelio's life.

Drawing on fifteen years of work in the antislavery movement, Austin Choi-Fitzpatrick examines the systematic oppression of men, women, and children in rural India and asks: How do contemporary slaveholders rationalize the subjugation of other human beings, and how do they respond when their power is threatened? More than a billion dollars have been spent on antislavery efforts, yet the practice persists. Why? Unpacking what slaveholders think about emancipation is critical for scholars and policy makers who want to understand the broader context, especially as seen by the powerful. Insight into those moments when the

powerful either double down or back off provides a sobering counterbalance to scholarship on popular struggle. Through frank and unprecedented conversations with slaveholders, Choi-Fitzpatrick reveals the condescending and paternalistic thought processes that blind them. While they understand they are exploiting workers' vulnerabilities, slaveholders also feel they are doing workers a favor, often taking pride in this relationship. And when the victims share this perspective, their emancipation is harder to secure, driving some in the antislavery movement to ask why slaves fear freedom. The answer, Choi-Fitzpatrick convincingly argues, lies in the power relationship. Whether slaveholders recoil at their past behavior or plot a return to power, Choi-Fitzpatrick zeroes in on the relational dynamics of their self-assessment, unpacking what happens next. Incorporating the experiences of such pivotal actors into antislavery research is an immensely important step toward crafting effective antislavery policies and intervention. It also contributes to scholarship on social change, social movements, and the realization of human rights.

it after himself. But then he impulsively adopts a young San orphan, a boy he christens Daniel and brings with him back to Sweden--a quite different specimen than he first contemplated. Daniel is told to call Bengler "Father," taught to knock on doors and bow, and continually struggles to understand this strange new land of mud and snow that surrounds and seemingly entraps him. At the same time, he is haunted by visions of his murdered parents calling him home to Africa. Knowing that the only way home is by sea, he decides he must learn to walk on water if he is ever to reclaim his true place in the world.

When Swiss aid worker David Hohl arrives in Rwanda in 1990, he wants to know what it feels like to make a difference. Instead, he finds himself among expats, living a life of postcolonial privilege and boredom, and he begins to suspect that the agency is more concerned with political expedience than improving lives. But are his own motives any more noble? When civil war breaks out and David goes into hiding, he is forced to examine his own relationship to the country he wants to help and to the cosmopolitan Rwandan woman he wants to possess. As the genocide rages over the course of one hundred desperate days, the clear line David has always drawn between idealism and complicity quickly begins to blur.

In sparkling, imaginative prose, celebrated Czech writer Radka Denemarkova depicts a world of absurdity and darkness. Money from Hitler tells the story of Gita Lauschmanova, who as a young girl in 1945 leaves a concentration camp as an orphan to face the stunning realization that there is in fact nowhere to return, and that the oppression and savagery of the holocaust are far from over. For Gita, living is no longer a question of right or wrong. It is purely a question of survival. Money from Hitler received the Czech Republic's prestigious Magnesia Litera award for Czech Literature in the prose category for 2007. It is no being made into a feature film.

down to spend the summer with their great-aunt. It is a strange chance for happiness for Annie. But against that happiness moves the figure of Billy Kerr, with his ambiguous attentions to Sarah, threatening to drive Annie from her last niche of safety in the world. The world of childish innocence also proves darkened and puzzling to her, and she struggles to find clear ground, clear light - to preserve her sense of love and place against these subtle forces of disquiet. A summer of adventure, pain, delight and ultimately epiphany unfolds for both the children and their elderly caretakers in this poignant and exquisitely told story of innocence, loss and reconciliation.

The story of an enigmatic man through the voices of ten remarkable women who have loved him at one point in their lives. Each woman has succumbed, even if only for an hour, to that seductive, imprudent, and furtively feline man who drifted so naturally into their lives. Still clinging to the vivid memory of his warm breath and his indecipherable sentences, ten women tell their stories as they attempt to recreate the image of the unfathomable Nishino. Like a modern Decameron, this humorous, sensual, and touching novel by one of Japan's best-selling and most beloved writers is a powerful and embracing portrait of the human

comedy in ten voices. Driven by desires that are at once unique and common, the women in this book are modern, familiar to us, and still mysterious. A little like Nishino himself . . . Winner 2020 Pen Translation Prize Praise for *The Ten Loves of Nishino* "If you like Haruki Murakami and Yoko Ogawa, it's a safe bet that you'll love *The Ten Loves of Nishino*." -DozoDomo (France) "Agile, inventive fiction." -Booklist "An intriguing portrayal of romantic attachment." -The New Yorker "The women in this collection are vibrant, lusty, and clearly the agents of their own love lives . . . . Kawakami's novel treats its feminist themes with a light hand but still slyly lands its points." -Kirkus Reviews
