Blood Skies Omnibus Vol. 1 Crossroad Press

Written in the fearless voice of Detective Alex Cross, Alex Cross's Trial is a #1 New York Times bestseller of murder, love, and above all, bravery. From his grandmother, Alex Cross has heard the story of his great uncle Abraham and his struggles for survival in the era of the Ku Klux Klan. Now, Alex passes the family tale along to his own children in a novel he's written—a novel called Trial. As a lawyer in turn-of-the-century Washington D.C., Ben Corbett represents the toughest cases. Fighting against oppression and racism, he risks his family and his life in the process. When President Roosevelt asks Ben to return to his home town to investigate rumors of the resurgence of the Ku Klux Klan there, he cannot refuse. When he arrives in Eudora, Mississippi, Ben meets the wise Abraham Cross and his beautiful granddaughter, Moody. Ben enlists their help, and the two Crosses introduce him to the hidden side of the idyllic Southern town. Lynchings have become commonplace and residents of the town's black quarter live in constant fear. Ben aims to break the reign of terror—but the truth of who is really behind it could break his heart. Written in the fearless voice of Detective Alex Cross, Alex Cross's Trial is a gripping story of courage in the face of prejudice and terror.

Maya Caciques in Early National Yucatán Simon and Schuster

Drawing on anthropology and ethnohistory as well as the 'new military history' Indian Wars of Mexico, Canada and the United States, 1812-1900 interprets and compares the way Indians and European Americans waged wars in Canada, Mexico, the USA and Yucatán during the nineteenth century. Fully illustrated with sixteen maps, detailing key Indian settlements and crucial battles, Bruce Vandervort rescues the New World Indian Wars from their exclusion from mainstream military history, and reveals how they are an integral part of global history. Indian Wars of Mexico, Canada and the United States: * provides a thorough examination of the strategies and tactics of resistance employed by Indian peoples of the USA which contrasts practices of warfare with the Métis (the French Canadian-Indian peoples), their Canadian-Indian allies, and the Yaqui and Mayan Indians of Mexico and Yucatán * presents a comparison of the experience of Indian tribes with concurrent resistance movements against European expansion in Africa, exposing how aspects of resistance that seem unique to the New World differ from those with broader

implications * draws upon concepts used in recent rewritings of the history of imperial warfare in Africa and Asia, Vandervort also analyzes the conduct of the US Army in comparison with military practices and tactics adopted by colonialist conquests worldwide. This unique and fascinating study is a vital contribution to the study of military history but is also a valuable addition to the understanding of colonialism and attempts to resist it.

Trejo Fine Arts Department of Thailand

An interdisciplinary collection of essays, addressing such diverse topics as the history of Brazilian football and the concept of masculinity in the Mexican army. It provides insights into questions of identity in 19th- and 20th-century Latin America. It analyses a variety of identity-bearing groups, from small-scale communities to nations.

Royal Courts Of The Ancient Maya Simon and Schuster

In a time when surplus technology dominates the world, a timeless touching narrative where children, families, and nature become the main priorities invites the readers to dive mindfully into the purity, aliveness, and complexity that make life valuable. Four years old Quinn cares about one thing only. Therefore, to obtain his permanent membership to enter the Tree-House Club he celebrates his four and a half birthday in the gardens. The Camellia, an abandoned flower longing to become human, tricks the children into marriage. At this point the universe appears to be simple, just lovely. Even if Stella and Reuben say I do, an occurrence will alter everything they know. When lost, Mr. Science's display of harsh realities and grief could wake the children up from the innocence of their infant lives; thus, questioning the importance of all humanity.

The Savage Horde University of Texas Press

The two volumes of Royal Courts of the Ancient Maya provide current archaeological perspectives on Maya courts conceived as vital, functioning social groups composed of lords, courtiers, scribes, priests, and entertainers, among many others. In addition to archaeological data on the architecture and other spatial attributes of courts, the studies in the two volumes bring to bear on the topic the most recent evidence from inscriptions, vase paintings, murals and friezes, and ethnohistoric records in order to flesh out a portrait of the actors and roles that made up Maya courts through time and across space. The attributes of courts are explored in the Maya highlands and lowlands, from the origins of early kingship

through the Classic period to the Postclassic and Terminal epochs. Pertinent comparisons are also drawn from the Aztecs and other ancient and contemporary societies. Volume 1: Theory, Comparison, and Synthesis establishes a carefully considered framework for approaching the study of courts and their functions throughout the world of the ancient Maya. Volume 2: Data and Case Studies provides authoritatively current data and insights from key Maya sites, including Cop Tikal, Caracol, Bonampak, and Calakmul.

A World History of Railway Cultures, 1830-1930 Lulu.com

John Thomas Rourke, M.D., ex-CIA covert operations Officer, weapons expert, and survival authority on the move again—searching for a cache of eighty megaton warhead missiles secreted on the New West Coast. It begins with a firefight between Brigands and a unit of U.S. II armed forces, a battle that ends with Rourke, and a seriously wounded Natalia, taking refuge on a submarine. The sight of the sunken remains of San Francisco is a grisly reminder of the Night of the War; the horde of half-dressed savages waiting on the shore, a deadly example of the madness of this brutal post-holocaust world. Surrounded now by murderous madmen and threatened by a mysterious officer who has been travelling with him, Rourke must call on all his training to escape and continue the search for his family. He must go on—he is THE SURVIVALIST.

The Machete and the Cross Vision

"If you're searching the horror horizon for a dark star, your next must-read, the silhouette you see coming your way is Jonathan Janz."— Josh Malerman, New York Times best selling author of Bird Box Book 2 in The Raven series Three years ago the world ended when a group of rogue scientists unleashed a virus that awakened long-dormant strands of human DNA. They awakened the bestial side of humankind: werewolves, satyrs, and all manner of bloodthirsty creatures. Within months, nearly every man, woman, or child was transformed into a monster...or slaughtered by one. A rare survivor without special powers, Dez McClane has been fighting for his life since mankind fell, including a tense barfight that ended in a cataclysmic inferno. Dez would never have survived the battle without Iris, a woman he's falling for but can never be with because of the monster inside her. Now Dez's ex-girlfriend and Iris's young daughter have been taken hostage by an even greater evil, the dominant species in this hellish new world: Vampires. The bloodthirsty creatures have

transformed a four-story school building into their fortress, and they're holding Dez's ex-girlfriend and Iris's young daughter captive. To save them, Dez and his friends must risk everything. They must infiltrate the vampires' stronghold and face unspeakable terrors. Because death awaits them in the fortress. Or something far worse. Indian Wars of Canada, Mexico and the United States, 1812-1900 Xlibris Corporation

Tells the dual story of the growth in popularity in the United States from the 1860s onwards and the remarkable role it played in Central American history as a result of the chicle used in its production farmed on the Yucatan peninsula.

See How They Run University of Calgary Press

Synthesizing a wealth of primary and secondary sources, *Conflict and Carnage in Yucatán* offers a fresh study of the complex and violent history of Mexico's easternmost Gulf Coast region that expands and revises perceptions of liberal as well as Second Empire politics from 1855 to 1876.

Conflict and Carnage in Yucatán Routledge

Andrés Canché became the cacique, or indigenous leader, of Cenotillo, Yucatán, in January 1834. By his retirement in 1864, he had become an expert politician, balancing powerful local alliances with his community's interests as early national Yucatán underwent major political and social shifts. In *Maya Caciques in Early National Yucatán*, Rajeshwari Dutt uses Canché's story as a compelling microhistory to open a new perspective on the role of the cacique in post-independence Yucatán. In most of the literature on Yucatán, caciques are seen as remnants of Spanish colonial rule, intermediaries whose importance declined over the early national period. Dutt instead shows that at the individual level, caciques became more politicized and, in some cases, gained power. Rather than focusing on the rebellion and violence that inform most scholarship on post-independence Yucatán, Dutt traces the more quotidian ways in which figures like Canché held onto power. In the process, she presents an alternative perspective on a tumultuous period in Yucatán's history, a view that emphasizes negotiation and alliance-making at the local level. At the same time, Dutt's exploration of the caciques' life

stories reveals a larger narrative about the emergence, evolution, and normalization of particular forms of national political conduct in the decades following independence. Over time, caciques fashioned a new political repertoire, forming strategic local alliances with villagers, priests, Spanish and Creole officials, and other caciques. As state policies made political participation increasingly difficult, Maya caciques turned clientelism, or the use of patronage relationships, into the new modus operandi of local politics. Dutt's engaging exploration of the life and career of Andrés Canché, and of his fellow Maya caciques, illuminates the realities of politics in Yucatán, revealing that seemingly ordinary political relationships were carefully negotiated by indigenous leaders. Theirs is a story not of failure and decline, but of survival and empowerment.

Blood Country Steven Montano

Forsaking his life of leisure, Peter Macdonald prepares for a confrontation on a vacation island with psychopathic killers-for-hire Damian and Carrie Rose

Evolution of Production Organization in a Maya Community U of Nebraska Press

This is the first volume in a series of manuals on the Pro-Systems combat machete system.

Night of the Jaguar University of Alabama Press

The #1 New York Times–bestselling author takes an “unfailingly funny” look at global problems and offers his own political perspective (The Washington Times). In this volume, the political humorist and former National Lampoon editor-in-chief attacks fashionable worries—all those terrible problems that are constantly on our minds and in the news, but about which most of us have no real clue—and crisscrosses the globe in search of solutions to today's most vexing issues, including overpopulation, famine, plague, and multiculturalism. In the process, he produces a hilarious and informative book which ensures that the concept of political correctness will never be the same again. “One of the funniest, most insightful, dead-on-the-money books of the year.” –Los Angeles Times “O'Rourke's best work since Parliament of Whores.” –The Houston Post “Bottom line: Buy the book.” –The Wall Street Journal

All the Trouble in the World Weiser Books

INSTANT NEW YORK TIMES BESTSELLER “If you're a fan like I am this is definitely the book for you.” –Pete Davidson, actor, producer, and cast member on Saturday Night Live “Danny's incredible life story shows that even though we may fall down at some point in our lives, it's what we do when we stand back up that really counts.” –Robert Rodriguez, creator of Spy Kids, Desperado, and Machete Discover the full, fascinating, and inspirational true story of Danny Trejo's journey from crime, prison, addiction, and loss—it's “enough to make you believe in the possibility of a Hollywood ending” (The New York Times Book Review). On screen,

Danny Trejo the actor is a baddie who has been killed at least a hundred times. He's been shot, stabbed, hanged, chopped up, squished by an elevator, and once, was even melted into a bloody goo. Off screen, he's a hero beloved by recovery communities and obsessed fans alike. But the real Danny Trejo is much more complicated than the legend. Raised in an abusive home, Danny struggled with heroin addiction and stints in some of the country's most notorious state prisons—including San Quentin and Folsom—from an early age, before starring in such modern classics as Heat, From Dusk till Dawn, and Machete. Now, in this funny, painful, and suspenseful memoir, Danny takes us through the incredible ups and downs of his life, including meeting one of the world's most notorious serial killers in prison and working with legends like Charles Bronson and Robert De Niro. An honest, unflinching, and “inspirational study in the definition of character” (Kevin Smith, director and actor), Trejo reveals how he managed the horrors of prison, rebuilt himself after finding sobriety and spirituality in solitary confinement, and draws inspiration from the adrenaline-fueled robbing heists of his past for the film roles that made him a household name. He also shares the painful contradictions in his personal life. Although he speaks everywhere from prison yards to NPR about his past to inspire countless others on their own road to recovery and redemption, he struggles to help his children with their personal battles with addiction, and to build relationships that last. Redemptive and painful, poignant and real, Trejo is a portrait of a magnificent life and an unforgettable and exceptional journey.

Machete Season University Press of Colorado

Vampires. Magic. War. Welcome to the world After the Black. This collected edition includes the first three novels of the Blood Skies saga – BLOOD SKIES, BLACK SCARS and SOULRAZOR – plus the all-new short story CRUCIFIX POINT. Completely re-edited and featuring exciting new cover art by Barry Currey, the BLOOD SKIES OMNIBUS is a must-have for any Dark Fantasy or Military Sci-Fi collection! BLOOD SKIES Southern Claw warlock Eric Cross is a member of Viper Squad, ordered to pursue the renegade witch called Red across a war-torn wasteland before she can betray vital secrets to the Ebon Cities. BLACK SCARS Cross and a band of unlikely allies find themselves on the trail of a recently released evil as it stalks the land in search of its ancient enemy, leaving a trail of madness and destruction in its wake. CRUCIFIX POINT Sent to investigate a series of mysterious

vanishings in the wastelands, Cross and his newly-formed mercenary team learn the true fate of those killed during the massacre at Crucifix Point. SOULRAZOR Cross and his team are tasked with halting enemy activity near the remote city-state of Fane, where vampire agents have teamed up with a former Revenger to locate a deadly weapon called Soulrazor.

"A" Time for Machetes Stanford University Press

Cool and glamorous, they appear to be a successful couple on a holiday. Yet Damian and Carrie Rose are psychopathic murderers for hire. On this picture-perfect vacation island, their target is Peter Macdonald, a dashing young American who forsakes a life of leisure to confront cold-blooded terror. But when they clash in a shocking endgame, a hideous truth will emerge - one that can destroy them all.

The Season of the Machete Open Road + Grove/Atlantic

From a writer whose novels have been acclaimed for their unflinching exploration of evil comes a brilliant collection of short stories—some never before published—that distill dread back down to its essence—and inject it straight into the reader's back brain. Andrew Vachss might have scissored his characters from today's headlines: a stalker prowling around an anonymous high-rise; a serial killer whose transgressions reflect a childhood of hideous abuse; an inner-city gunman who is willing to take out a blockful of victims in order to win a moment of acceptance. Tautly written and endowed with murderous ironic spin, *Born Bad* plunges us into the hell that lies just outside our bedroom windows.

The Cross on the Drum Wipf and Stock Publishers

In a world where nightmares stalk the earth and the few survivors must battle the vampire legions of the Ebon Cities, a team of soldiers races to save mankind when a traitor threatens to destroy the future of humanity. Southern Claw warlock Eric Cross is a member of Viper Squad, and his mission is to pursue the witch called Red across the wastelands. His hunt takes him through haunted forests and blighted tundra, into war-torn cities and to the edge of a twisted necropolis. And before the journey is done Cross will uncover the dark origins of magic, and learn the true meaning of sacrifice...

[Alex Cross's TRIAL](#) Penguin

In *The Evolution of Production Organization in a Maya Community*, Dean E. Arnold continues his unique approach to ceramic ethnoarchaeology, tracing the history of potters in Ticul, Yucatán, and their production space over a period of more than four decades. This follow-up to his 2008 work *Social Change and the Evolution of Ceramic Production and Distribution* uses narrative to trace the changes in production personnel and their spatial organization through the changes in production organization in Ticul. Although several kinds of production units developed, households were the most persistent units of production in spite of massive social change and the reorientation of pottery production to the tourist market.

Entrepreneurial workshops, government-sponsored workshops, and workshops attached to tourist hotels developed more recently but were short-lived, whereas pottery-making households extended deep into the nineteenth century. Through this continuity and change, intermittent crafting, multi-crafting, and potters' increased management of economic risk also factored into the development of the production organization in Ticul. Illustrated with more than 100 images of production units, *The Evolution of Production Organization in a Maya Community* is an important contribution to the understanding of ceramic production. Scholars with interests in craft specialization, craft production, and demography, as well as specialists in Mesoamerican archaeology, anthropology, history, and economy, will find this volume especially useful.

Season of the Machete Little, Brown

The project of developing a contextual theology for the Caribbean was first articulated in the early 1970s in Trinidad and Jamaica. In the years since, many evangelical churches and theologians in the Caribbean have been ambivalent about the validity of this project, assuming that an emphasis on context was somehow antithetical to the pure gospel. But the crisis of the times, along with a more mature hermeneutic, has led to a re-evaluation of this assumption. Here a group of evangelical Caribbean theologians enter the discussion, with substantive proposals for how the gospel addresses the Caribbean context. They are joined by other theologians from mainline Protestant and Catholic traditions in the Caribbean. The result is an ecumenical dialogue on the diverse ways in which orthodox Christian faith may provide both challenge and hope for the Caribbean context. Half the essays in this volume were originally presented at the Forum on Caribbean Theology held in 2010 at the Jamaica Theological Seminary; the rest were invited especially for this volume.
