So forget the endless searching, this amazing collage art and journaling paper book has it all - so order now! Happy Crafting!

Cut and Collage Storey Publishing, LLC

First published in 1971, *Rules for Radicals* is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know “the difference between being a realistic radical and being a rhetorical one.” Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him,

Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

The Art of Expressive Collage Sterling Publishing Company, Inc.

Requiring nothing more than paper, pen, scissors, and glue, collage is a highly accessible craft that offers a myriad of possibilities for creative self-expression and visual journaling. Artist and teacher Melanie Mowinski combines in-depth technique instructions with dozens of inspiring examples and prompts to assist crafters, artists, and creatives of all levels in developing their own personal style of using collage to create distinctive memory books, journals, and records of daily life

---

experiences.

*Mixed-Media Collage* Penguin

**Collage Sourcebook** North Light Books

This book is a critical reappraisal of contemporary theories of urban planning and

design and of the role of the architect-planner in an urban context. The authors, rejecting the grand utopian visions of "total planning" and "total design," propose instead a "collage city" which can accommodate a whole range of utopias in miniature.

Every collage has a tale to tell. Tell your story in paper, fabric, and objects collected from your world. *Storytelling With Collage* will inspire you to capture your poetic thoughts,

---

fond memories and passionate daydreams in a soft and simple style. Using simple tools and supplies that delight you, you'll learn to work with a variety of prompts and will discover how each element you select--from small shells collected on your last trip to the pretty paper you unwrapped from a recent gift--has its own part of a complete narrative. Nine collage prompts will walk you step-by-step through a collage creation as you work with textured papers, fabric, stitching, found objects, images, natural materials, color, wax and metal. In addition, inside you will find:

- Numerous Tasks--ideas for combing your world for collage fodder
- Beautiful photos to inspire you to customize your own worktable
- Perspective on finding inspiration outside your window through the seasons
- Extra inspiration in each chapter from the Collage Stories and works by 25 contributing artists

Capture the textures and colors of your moments today through your own Storytelling With Collage!

*The Complete Book of Mixed Media Art* Ilex Press

If You Can Cut, You Can Collage is specially designed for people who feel like they can't make art. Want to know a secret? You can! You just need a little inspiration, instruction, and confidence. Collage is a wonderful creative outlet, particularly for people who want to make art, but don't feel they have the skills or confidence for other endeavors. You can still explore and experiment with color, composition, and various themes and end up with exciting and often unexpected results. If you Can Cut, You Can Collage takes some of the mystery out of collage through easy illustrated pages that show you the basic techniques of collecting and cutting imagery, composing and adhering compositions, and then provides a wealth of exercises that get readers going on their own creative projects.

---

We'll get you started with simple, focused, projects like making a collage with only circles, where you'll learn important concepts like how to create a focal point, how to use repetition successfully, how to achieve contrast, balance, symmetry, and more. You'll be incorporating vintage ephemera, typography and lettering, and even urban and found materials in no time!

### Collage City Rockport Publishers

Collage is a fine art combination of paper and shape, color and texture, imagination and vision. This book can help you bring all of these together in one beautiful creation. Here you'll see magnificent collages by leading artists who show you—in step-by-step demonstrations—how to begin, how to design, how to apply collage techniques in exciting ways. Plus you'll get your

chance to use those techniques with nearly fifty projects that challenge you to do your most creative work.

### *The Art of Expressive Collage* Anthology Editions

This book describes a new technique, developed by the author, which makes it possible to adhere collage elements without liquid adhesives. This technique eliminates wrinkling and drying time from collage-making, offering new opportunities for creative spontaneity. Also included is information on "paperless" transfer of printed and photocopied images, alternatives to adhesives, archival concerns, framing and presentation of finished works, and more.

### *Mixed Media Techniques for Art Journaling* Quarry Books

---

Conscious Creativity: The Workbook is an exciting, interactive journal to help readers connect with their creative impulses.

**Storytelling with Collage** Taylor & Francis Introduces the basics of collage, covering the tools required, where to find images, and the creative process, and features fifty creativity exercises intended to increase proficiency with color, layering, and transfer techniques.

*Playing with Collage* North Light Books With this gem of a book, readers are invited to trust their instincts -- and play -- as they follow the advice of an award-winning collage artist. Whether using dried flowers or tiny shells, spaghetti or postage stamps, Jeannie Baker draws from the world around her to make work that is singularly beautiful and imaginative. Incorporating a wide range

of textures, her arresting collage pieces have earned her international acclaim. Now she shares her secrets and encourages readers to get creative: each of the four main sections in *Playing with Collage* presents an abstract collage by the artist and offers suggestions and starting points for anyone aspiring to master the art. *The Art of Vintage Journaling and Collage* Laurence King Publishing Would you like to access a treasury of incredibly bizarre and beautiful images to create dynamic and impressive collages? *Cut & Collage: Sea Life* will provide you with precisely what you have been searching for. This offering from the team at Vault Editions features

---

stunning full-colour sea life artwork, including octopi, squid, tropical fish, sharks, whales, seahorses, shells, deep-sea fish, rays, seaweed, sea sponges and more. Features: We understand that mistakes happen when working with paper crafts, which is why we have included a unique download link that will provide you with access to a print-ready PDF of all artwork featured. Reuse your favourite images as many times as you like without having to scan or purchase the publication again. Accessing the PDF will allow you to scale the size of the images so that the pieces of your collage fit together perfectly. The reverse side of each page is lined with unusual decorative patterns and

ornamental motifs so that your offcuts can be used to add stunning textural elements to your designs. When accessing your downloadable PDF, you will also get the Vault Editions Skulls and Anatomy sample pack completely free. About the author: This book was curated and authored by the creative director of Vault Editions, Kale James. Kale has published over 30 acclaimed books within the art design space and has worked with brands including Nike, Samsung, Adidas and Rolling Stone. Kale's artwork is published in numerous titles, including No Cure, Semi-Permanent, Vogue and more. Whether you're an advanced collage artist or a first-timer looking to explore creative

---

outlets, this book will provide you with the necessary means to make artwork that will impress both your clients and peers. Gain access to your files and start creating bizarre and beautiful collages today.

*Collage Workshop for Kids* North Light Books

A wide range of techniques borrowed from both traditional and digital art has recently begun to blend into one art form, known as altered art. *The Complete Guide to Altered Imagery* is the only book currently on the market that provides fascinating tips and creative ideas solely focused on this new form of art. An in-depth discussion manipulation techniques is supplied, making this an essential handbook for all artists and crafters looking for creative ways to alter and enhance various types of imagery in new and traditional ways, and then to integrate this altered art into

their work.

*If You Can Cut, You Can Collage*  
Vintage
