One of the Spectator's Books of the Year 2012 'Farewell and adieu to you fair Spanish ladies Farewell and adieu to you ladies of Spain For we've received orders for to sail for old England But we hope in a short while to see you again' One of the great English popular art forms, the folk song can be painful, satirical, erotic, dramatic, rueful or funny. They have thrived when sung on a whim to a handful of friends in a pub; they have bewitched generations of English composers who have set them for everything from solo violin to full orchestra; they are sung in concerts, festivals, weddings, funerals and with nobody to hear but the singer. This magical new collection brings together all the classic folk songs as well as many lesser-known discoveries, complete with music and annotations on their original sources and meaning. Published in cooperation with the English Folk Dance and Song Society, it is a worthy successor to Ralph Vaughan Williams and A.L.Lloyd's original Penguin Book of English Folk Songs. 'Her keen eye did glitter like the bright stars by night The robe she was wearing was costly and white Her bare neck was shaded with her long raven hair And they called her pretty Susan, the pride of Kildare' In association with EFDSS, the English Folk Dance and Song Society

Fodor's See It Scotland Waverley Books Limited

A critical edition of Scott's first novel about Edward Waverley, a young, cultured man whose sensibilities lead to his involvement in the Jacobite Rising of 1745.

Scottish Place Names Waverley Books Limited

First published in 1977 and now reprinted in its original form, *A Source-book of Scottish Witchcraft* has been the most authoritative reference book on Scottish Witchcraft for almost thirty years. It has been invaluable to the specialist scholar and of interest to the general reader. It provides, but provides much more than, a series of lists of the 'names and addresses' of long-dead witches. However, although it is widely quoted and held in high esteem, few copies were ever printed and most are owned by libraries or similar institutions. Until now, it has been difficult to obtain and even more difficult to buy. In 1938, George F. Black, a Scotsman who was in charge of New York Public Library, published *A Calendar of Cases of Witchcraft in Scotland 1510-1727*. This was a fairly comprehensive compilation of brief accounts of references, in printed sources, to Scottish witchcraft cases. The Source-book built upon this study but went beyond it by including, through an examination of actual ancient manuscripts, information on previously unpublished cases. It also presented the material in a more systematic way in relation, where known, to the names of the accused witches, their sex, their fate, the place of the case, its date and the type of court that dealt with it. Some such information is presented in the form of tables. Transcriptions of documents pertaining to witchcraft trials- such as examples of the evidence of supposed witnesses, and other salient legal documents - including, for instance, an ancient account of when and why the testimony of female witnesses might be legally acceptable in Scottish courts - are also presented.

[Edinburgh History of Scottish Literature: From Columba to the Union \(until 1707\)](#) Waverley Books

Limited

The work of Walter Scott, one of the most globally influential authors of the nineteenth century, provides us with a unique narrative of the changing ecologies of Scotland over several centuries and writes this narrative into the history of environmental literature. Farmed environments, mountains, moors and forests along with rivers, shorelines, islands and oceans are explored, situating Scott's writing about shared human and nonhuman environments in the context of the emerging Anthropocene. Susan Oliver attends to changes and losses acting in counterpoint to the narratives of 'improvement' that underpin modernization in land management. She investigates the imaginative ecologies of folklore and local culture. Each chapter establishes a dialogue between ecocritical theory and Scott as storyteller of social history. This is a book that shows how Scott challenged conventional assumptions about the permanency of stone and the evanescence of air; it begins with the land and ends by looking at the stars.

Waverley + Guy Mannering + The Antiquary (3 Unabridged and fully Illustrated Classics with Introductory Essay and Notes by Andrew Lang) Rick Steves

Let warlocks grim, an wither'd hags, Tell, how wi you, on ragweed nags, They skim the muirs an dizzy crags, Wi wicked speed; And in kirkyards renew thier leagues, Owre howkit dead. Robert Burns's famous poem "Address to the Deil" describes the hag-like appearance and demonic presence that for most people epitomizes the image of the witch. But just what is a witch, and who are the figures that Scotland has accused of witchcraft? *Scottish Witches* aims to explain. All over Europe in the 16th and 17th centuries a wave of paranoia and hysteria was taking hold. All the ills of society were blamed on witchcraft, and Scotland did not escape this obsession with the supernatural. This book gives the stories of Scotland's witches, the accused, the confessed, the trials, and the superstitions. This fascinating book will also explain about the beliefs of modern white witches and the place of Wicca in society today.

[Scottish Witchcraft](#) Llewellyn Worldwide

Bringing together an international group of experts, this companion explores a distinctly Scottish Romanticism. Discussing the most influential texts and authors in depth, the original essays shed new critical light on texts from Macpherson's Ossian poetry to Hogg's Confessions of a Justified Sinner, and from Scott's Waverley Novels to the work of John Galt. As well as dealing with the major Romantic figures, the contributors look afresh at ballads, songs, the idea of the bard, religion, periodicals, the national tale, the picturesque, the city, language and the role of Gaelic in Scottish Romanticism. Key Features* The first and only student guide to Scottish Romanticism capturing the best of critical debate while providing new approaches* Contributors include: Ian Duncan (UC Berkeley), Angela Esterhammer (Zurich University), Peter Garside (Edinburgh University), Andrew Monnickendam (Barcelona University), Fiona Stafford (Oxford University), Fernando Toda (Salamanca University) and Crawford Gribben (Trinity College, Dublin) - who have themselves helped to define approaches to the period

[A Source-Book of Scottish Witchcraft](#) Penguin Group

The most romantic parts of this narrative are precisely those which have a foundation in fact. Edward Waverley, a young English soldier in the Hanoverian army, is sent to Scotland where he finds himself caught up in events that quickly transform from the stuff of romance into nightmare. His character is fashioned through his experience of the Jacobite rising of 1745-6, the last civil war fought on British soil and the unsuccessful attempt to reinstate the Stuart monarchy, represented by Prince Charles Edward. Waverley's love for the spirited Flora MacIvor and his romantic nature increasingly pull him towards the Jacobite cause, and test his loyalty to the utmost. With Waverley, Scott invented the historical novel in its modern form and profoundly influenced the development of the European and American novel for a century at least. Waverley asks the reader to consider how history is shaped, who owns it, and what it means to live in it - questions as vital at the beginning of the twenty-first century as the nineteenth. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Rick Steves Scotland Fodors Travel Publications

This carefully crafted ebook: "Waverley + Guy Mannering + The Antiquary (3 Unabridged and fully Illustrated Classics with Introductory Essay and Notes by Andrew Lang)" is formatted for your eReader with a functional and detailed table of contents. Waverley is a historical novel by Sir Walter Scott. Published anonymously in 1814 as Scott's first venture into prose fiction, it is often regarded as the first historical novel. It relates the story of a young dreamer and English soldier, Edward Waverley, who was sent to Scotland in 1745. He journeys North from his aristocratic family home, Waverley-Honour, in the south of England first to the Scottish Lowlands and the home of family friend Baron Bradwardine, then into the Highlands and the heart of the 1745 Jacobite uprising and aftermath. *Guy Mannering or The Astrologer* is a novel published anonymously in 1815. Set in the period of the French Revolution, the novel's hero, Lovel, struggles to gain repute and the hand of his beloved despite his uncertain parentage. During these pursuits, he befriends the title's antiquary, Johnathan Oldbuck, who finds Lovel a captive audience to his scholarly studies and a tragic likeness to his own disappointments in love. *The Antiquary* (1816) is a is Scott's gothic novel, redolent with family secrets, stories of hidden treasure and hopeless love, with a mysterious, handsome, young man, benighted aristocracy and a night-time funeral procession to a ruined abbey, no less. But the romance and mystery is counterpoised by some of Scott's more down-to-earth characters, and grittily unromantic events. Sir Walter Scott (1771-1832) was a prolific Scottish historical novelist and poet popular throughout Europe during his time. In some ways Scott was the first English-language author to have a truly international career in his lifetime, with many contemporary readers all over Europe, Australia, and North America.

[Waverley](#) Oxford University Press, USA

The History begins with the first full-scale critical consideration of Scotland's earliest literature, drawn from the diverse cultures and languages of its early peoples. The first volume covers the literature produced during the medieval and early modern period in Scotland, surveying the riches of Scottish work in Gaelic, Welsh, Old Norse, Old English and Old French, as well as in Latin and Scots. New scholarship is brought to bear, not only on imaginative literature, but also law, politics, theology and philosophy, all placed in the context of the evolution of Scotland's geography, history, languages and

material cultures from our earliest times up to 1707.

A List of Works Relating to Scotland Cambridge University Press

"Castle Dangerous" is the last of Walter Scott's "Waverley" cycle of historical novels. The story takes place shortly after the death of William Wallace in the Scottish War of Independence. Basically a romantic tale, the narrative follows a fair lady and her pledge of marriage. With romantic triangles, mysterious identities, battles, and sword duels, "Castle Dangerous" is a satisfying conclusion to Scott's longish tradition of historical novels. Despite being his "swan song", it still remains a pleasant and highly recommendable read. Sir Walter Scott (1771-1832) was a Scottish writer, poet, and historian. A jurist by formation, he was also judge, and an active member of the Highland Society, the Royal Society of Edinburgh and the Society of Antiquaries of Scotland. He also played a major role in bringing the Sturm und Drang literary movement to the United Kingdom, both through translations, but also through his own creations. He wrote numerous well-known historical novels, including "Waverley," "Rob Roy", and "Ivanhoe", which have inspired countless authors ever since.
