### German Phrases For Dummies John Wiley & Sons

"In the three years since *The Silent Passage* was originally published, Gail Sheehy, a member of the National Institutes of Health Advisory Committee to the Women's Health Initiative, has been at the forefront of the newest research on menopause. She has also continued to interview countless women throughout the country on the subject. In this revised and expanded edition, she presents essential new data that will enable women to custom design their own hormone replacement regime. Candid, enlightening, inspiring, and witty, with the latest information on everything from early menopause to Chinese medicine and natural remedies, *The Silent Passage* is an indispensable reference for every woman."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. ### Menopause For Dummies John Wiley & Sons

In *The Testosterone Factor*, the first practical all-natural guide for midlife men, Dr. Shafiq Qadri offers a groundbreaking strategy for assessing and overcoming—without hormonal supplements—the symptoms of male menopause, including depression, fatigue, explosive anger, loss of ambition, and, perhaps most widely recognized, loss of virility. He offers comprehensive worksheets to help readers quantify their symptoms and gauge their level of andropause, then arms them with specific, personalized strategies for improving their overall wellness. He also tackles that most sensitive of issues—"plumbing problems"—and discusses the pros and cons of Viagra and its cousins. By offering clear information in an upbeat tone, as well as a variety of lifestyle approaches, natural exercises, and step-by-step techniques, *The Testosterone Factor* helps the midlife andropausal man identify his priorities and follow a strategy that's best for him.

### **Healthy Mind and Body All-in-One For Dummies** John Wiley & Sons

Although menopause is a natural and inevitable stage in every woman's life, its physical, mental, and emotional manifestations can vary greatly from one person to the next. Add to this all of the conflicting "expert" information about the benefits, risks, and side effects to which women are exposed on a daily basis, and it's easy to see why most find it difficult to make informed choices about how to deal with their menopausal symptoms.

Authored by a team of acknowledged experts in treating menopausal symptoms, *Menopause For Dummies* arms you with all the information you need to stay in control every step of the way. In plain English, it explains the role menopause plays in a variety of common health problems, such as osteoporosis, stroke, and heart disease. It walks you through proven measures for minimizing your risk of developing complications through including diet and exercise, stress management, hormone replacement, and other techniques. And it arms you with authoritative, up-to-the-minute coverage of: Premenopause how to identify it and what it means The stages of menopause How menopause can affect your body, emotions, and libido The latest facts about hormone replacement therapy The pros and cons of various alternative treatments The best ways of handling hot flashes Easing symptoms with diet and exercise Preventing bone loss Helpful lifestyle changes With *Menopause For Dummies* in your corner you'll have a kinder, gentler "change of life."

### *Hormone Repair Manual* Harvest House Publishers

A member of the Energy Therapies family - which includes, acupuncture, acupressure and shiatsu - Emotional Freedom Technique is a simple and increasingly popular self- development therapy used to treat a wide range of physical and emotional issues. Popularised by figures including Paul McKenna, EFT is based on the theory that negative emotions are caused by disturbances in the body's energy. Often referred to as acupuncture without needles, EFT involves locating and tapping on meridian points in the body while thinking of a negative emotion and using positive suggestion and thoughts to alter the body's energy flow, restore balance and reprogram thought processes. This no-nonsense guide introduces readers to the theories and methods behind the technique and shows them how to use it to reduce the physical and emotional impact of a wide range of issues including, depression, fears, phobias, anger, addictions, sleeplessness and pain. It's simple, safe, anyone can practice it at home and with EFT For Dummies readers can banish bad habits for good. Includes information on: The path to emotional freedom - explaining EFT Understanding your emotions Basic EFT tapping routines Improving emotional health with EFT Practising EFT on yourself and others Helena Fone is a registered EFT practitioner and trainer and an advanced hypnotherapist. She has a diploma in advanced holistic hypnotherapy and practices CBT and NLP. Find out more about Helena at [www.EFTRegister.com](http://www.EFTRegister.com)

### Managing PCOS For Dummies John Wiley & Sons

"FOR THE WOMAN WHO IS IN ON, OR ABOUT TO HIT MENOPAUSE" You need to arm your self quick, to handle and cope with this phase of your life. And this book will do just that! What you will learn This book has been organized into six parts, so you can head to the topic that interests you the most: Chapter I: Menopause Defined – This chapter will help you know what menopause is, and why women experience it at one point in their lives. It will also give you an overview on what happens in a woman ' s body before, during, and after menopause. Chapter II: Coping with Early Menopause – Not every woman goes through menopause at the expected age range. There are certain factors that can cause a woman to experience early menopause, such as after a surgical procedure. Chapter III: Familiarizing Yourself with the Symptoms – There are many symptoms associated with menopause, but how do you know if it is really the cause of those hot flushes and headaches? Chapter IV: Sex Life and Menopause – Going through menopause does not mean you will no longer appreciate sex. Chapter V: Alternative Non-Hormone Therapies – Hormone therapy is a controversial treatment plan because of the possible negative effects on the woman ' s body. If you are concerned about its effects, then you can consider the many alternative options available that do not require using hormones. Chapter VI: Menopausal Myths Busted – There are a lot of misconceptions about menopause that continue to brainwash a lot of people until today, and you should not be one of them. Get informed and check out these myth busters. After reading this book, you will learn that menopause is a natural process that involves different stages. It will also talk about the controversial and alternative approaches that can help protect you from the health risks associated with menopause. Always remember that you deserve to be happy, and be well-informed on what is happening in your body as you continue to enjoy life. Menopause is not a medical condition Nobody is going to die from menopause or any of its symptoms. However, women die every day from the effects of low estrogen levels. Your risks of certain health problems rise after menopause. It is true that estrogen has a role in a woman ' s overall health, including protecting your organs, slowing down degeneration, and increasing your immunity. The transformation caused by menopause impacts your health in significant ways, and this book will help you understand the story behind each symptom and disease. **DOWNLOAD YOUR COPY TODAY!**

### Discover Your Menopause Type John Wiley & Sons
