Understanding

Employment Law strikes a balance between comprehensiveness and selectivity. It provides the substantive material needed to succeed in practice and in the classroom and on final examinations, without overwhelming the reader with details that are unduly esoteric or tangential. The book begins first with common-law employment doctrines such as employment-at-will, employment contracts, employment torts, workplace privacy

history.itead.cc by guest

issues, and restrictive covenants. It then turns to federal and state statutory regulation of the workplace, covering topics such as compensation (including wage and hour legislation and unemployment insurance), employee benefits (including leave time, pensions, and health insurance), and workplace safety legislation.

Going Public

Handbook Wolters Kluwer

Includes methods and perspectives on global logistics and supply chain management that have emerged from

logistics, marketing, management, economics, sociology, personnel, information systems, and international relation. Provides a comprehensive understanding and assessment of the field of global logistics and supply chain management.

Describes and critically examines the key perspectives guiding global logistics and supply chain management, taking stock of what we know (and don't know) about them.

Identifies emerging developments and delineate their significance to the practice of global logistics and supply

chain management.

Handbook -- A Companion Book to Ohio Family Law LexisNexis Volume 1A covers corporate finance: how businesses allocate capital - the capital budgeting decision - and how they obtain capital - the financing decision. Though managers play no independent role in the work of Miller and Modigliani, major contributions in finance since then have shown that managers maximize their own objectives. To understand the firm's decisions, it is therefore necessary to understand the forces that lead managers to maximize the wealth of shareholders. West's Federal Supplement IGI Global NOTE: NO

Handbook of Global Supply Chain Management

Wolters Kluwer Mandated Benefits 2016 Compliance Guide is a comprehensive and practical reference manual covering key federal regulatory issues that must be addressed by human resources managers, benefits

specialists, and company executives in all industries. This comprehensive and practical guide clearly and concisely describes the essential requirements and administrative processes necessary to comply with all benefits-related regulations. It covers key federal regulatory issues that must be addressed by human resources managers, benefits specialists, and company executives across all industries.

Mandated Benefits 2016 Compliance Guide includes in-

depth coverage of these and other major federal regulations: Patient Protection and Affordable Care Act (PPACA) Health Information Technology for Economic and Clinical Health (HITECH) Act Mental Health Parity and Addiction Equity Act (MHPAEA) Genetic Information Nondiscrimination Act (GINA) Americans with Disabilities Act (ADA) Employee Retirement Income Security Act (ERISA) Health Insurance

Portability and Accountability Act (HIPAA) Heroes Earnings Assistance and Relief Tax Act (HEART Act) Consolidated Omnibus Budget Reconciliation Act (COBRA) Mandated Benefits 2016 Compliance Guide helps take the guesswork out of managing employee benefits and human resources by clearly and concisely describing the essential requirements and administrative processes necessary to comply with each regulation. It

offers suggestions for protecting employers against the most common litigation threats and recommendations for handling various types of employee problems. Throughout the Guide are numerous exhibits, useful checklists and forms, and do's and don'ts. A list of HR audit questions at the beginning of each chapter serves as an aid in evaluating your company's level of regulatory compliance. Mandated Benefits 2016 Compliance

Guide has been updated to include: The latest trends in successful Ethics and Compliance Programs Information on the Department of Labor (DOL) proposed changes to the FLSA white collar exemptionsThe latest DOL guidelines on the determination of independent contractor status The new regulations and guidelines for health care reform as mandated by the Patient Protection and Affordable Care Act (PPACA), specifically updates

and new information on Summary of Benefits and Coverage (SBC); limits on cost-sharing; the employer shared responsibility (pay or play) requirements, information reporting--Forms 1094 and 1095 SHOP--the small group market of the health care marketplace; and the so-called Cadillac Tax--the 40 percent excise tax on high cost health plansThe major revisions to excepted benefits under the Health Insurance Portability and

Accountability Act (HIPAA), including limited wraparound benefits, EAPs, non-coordinated excepted benefits, and supplemental excepted benefits. The reinstated Trade Adjustment Assistance (TAA) Information on the proposed definition of fiduciary and the Supreme Court's first ever ruling on fiduciary standards. Expanded information about joint employer relationships. An expanded section describing the employment application

process; information about the status of the Deferred Action for Parents of Americans and Lawful Permanent Residents (DAPA); and proposed changes to E-Verify. New material on proposed sex discrimination guidelines. And much more. Labor Cases SAGE Buy a new version of this textbook and receive access to the Connected eBook with Study Center on CasebookConnect, including: lifetime access to the online ebook

with highlight, annotation, and search capabilities; practice questions from your favorite study aids; an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. Learn more about Connected eBooks. A problem-based Evidence coursebook that presents the Federal Rules of Evidence in context, illuminates the rules' underlying theories and perspectives, and provides a fully

updated and systematic account of the law in a student-friendly hornbook-style format. The material is accompanied with straightforward and systematic explanations. Lively discussion and interesting problems (rather than numerous appellate case excerpts) engage students in understanding the principles, policies, and debates that surround evidence law. The book also contains self-assessment sections in each chapter that teach students how to identify

and resolve legal issues and succeed in the final exam. To sum up: this book stands out as “ all in one ” : it gives students of evidence an up-to-date comprehensive account of the law; it explains complex evidentiary issues in a straightforward and systematic fashion; and it also tells students what their exam will look like and how to succeed in it. New to the Seventh Edition: A new case file to introduce numerous evidence issues throughout the

semester, with spin-off problems in each chapter. Updated doctrine, including application of evidence rules to electronic evidence and the online environment. Professors and students will benefit from: An opening case file introducing students to the process of analyzing evidence in terms of the essential elements of a legal dispute, serving as an effective introduction to much of the course to follow A wide range of real-world problems exposes

students to the depth and complexity of the Rules of Evidence Every chapter addresses basic rules interpretation, essential policy, and connects theory to practice Assessment problems (modeled on exam questions) at the end of each chapter, including answers with explanations Teaching materials Include: Updated and streamlined Teacher 's Manual, including sample syllabi for both 4- and 3-credit courses, transition guide for each chapter,

teaching guidance, and answers to all the problems in the book Problems Supplement that includes most problems deleted from prior editions Ohio Annotated Workers' Compensation Law Handbook Routledge Diversity in the workforce can be attributed to both a popular, cultural shift and legislative intervention. Despite these forces, discrimination endures in all aspects of Western society from education to employment.

Unequal pay and opportunities for promotion are symptoms of a systematic discrimination of individuals based on race and gender. The Handbook of Research on Race, Gender, and the Fight for Equality provides a critical look at race, gender, and modern day discrimination. Focusing on workplace and educational dynamics, the research found within this book addresses equal opportunity and diversity requirements from

a myriad of perspectives. This book is an essential reference source for professionals and researchers working in equality as well as managers and those in leadership roles.

Handbook of the Economics of Finance
SET: Volumes 2A & 2B Elsevier
The Handbook of Major Events in Economic History aims to introduce readers to the important macroeconomic events of the past two hundred years. The chapters endeavour to explain what went on and why during the most significant economic epochs of the nineteenth,

twentieth and early twenty-first centuries and how where we are today fits in this historical timeline. Its short chapters reflect the most up-to-date research and are written by well-known economists who are authorities on their subjects. The Handbook of Major Events in Economic History was written with the intent of presenting the professional consensus in explaining the economics driving these historical events.

Texas Personal Injury Handbook

provides insurance professionals, legal assistants,

attorneys, and others in the field of personal injury litigation, an accessible and

authoritative "one-stop" handbook

on personal injury cases. Case law, statutes, and policies concerning a variety of different subjects have been assembled into one source, focusing exclusively on Texas law. The Handbook can be used in a number of different ways. Insurance professionals may use the Handbook in evaluating personal injury claims, and determining coverage. It also may be used as a portable basic reference book by attorneys and paralegals engaged in the prosecution

or defense of personal injury actions.

Additionally, corporate counsel and others who may potentially be involved in evaluating personal injury claims of employees or third parties will also find the Texas Personal Injury Handbook to be an easy-to-use reference.

Individual Employment Rights Cases Elsevier

Across the world, most people are well aware of ordinary criminal harms to person and property. Often committed by the powerless and poor, these individualized crimes

are catalogued in the statistics collected annually by the FBI and by similar agencies in other developed nations. In contrast, the more harmful and systemic forms of injury to person and property committed by powerful and wealthy individuals, groups, and national states are neither calculated by governmental agencies nor annually reported by the mass media. As a result, most citizens of the world are unaware of the routinized "crimes of the powerful", even though they are more likely to experience harms and injuries from these types of organized offenses than they are from the atomized offenses of the powerless. Research on the crimes of the powerful

brings together several areas of criminological focus, involving organizational and institutional networks of powerful people that commit crimes against workers, marketplaces, taxpayers and political systems, as well as acts of torture, terrorism, and genocide. This international handbook offers a comprehensive, authoritative and structural synthesis of these interrelated topics of criminological concern. It also explains why the crimes of the powerful are so difficult to control. Edited by internationally acclaimed criminologist Gregg Barak, this book reflects the state of the art of scholarly

research, covering all the key areas including corporate, global, environmental, and state crimes. The handbook is a perfect resource for students and researchers engaged with explaining and controlling the crimes of the powerful, domestically and internationally. Handbook of Health Economics LexisNexis This Handbook provides a state-of-the-art overview of the changing world of global production. Chapters cover the geography of why and where jobs are moving in both manufacturing and services. The

authors discuss topics relating to the human and natura Texas Personal Injury Handbook LexisNexis A comprehensive guide to the burgeoning hedge fund industry Intended as a comprehensive reference for investors and fund and portfolio managers, Handbook of Hedge Funds combines new material with updated information from Francois-Serge L ' habitant ' s two other successful hedge fund books. This book features up-to-date regulatory and

historical information, new case studies and trade examples, detailed analyses of investment strategies, discussions of hedge fund indices and databases, and tips on portfolio construction. Francois-Serge L ' habitant (Geneva, Switzerland) is the Head of Investment Research at Kedge Capital. He is Professor of Finance at the University of Lausanne and at EDHEC Business School, as well as the author of five books, including Hedge Funds: Quantitative Insights (0-470-85667-X)

and Hedge Funds: Myths & Limits (0-470-84477-9), both from Wiley. Handbook on the Economics of Retailing and Distribution John Wiley & Sons What new theories, evidence, and policies have shaped health economics in the 21st century? Editors Mark Pauly, Thomas McGuire, and Pedro Pita Barros assemble the expertise of leading authorities in this survey of substantive issues. In 16 chapters they cover recent developments in health economics, from medical spending growth to the demand for health care, the markets for pharmaceutical products, the medical

workforce, and equity in health and health care. Its global perspective, including an emphasis on low and middle-income countries, will result in the same high citations that made Volume 1 (2000) a foundational text. Presents coherent summaries of major subjects and methodologies, marking important advances and revisions. Serves as a frequently used non-journal reference. Introduces non-economists to the best research in health economics.

Edward Elgar

Publishing

Ohio Elder Law - A Companion Book to Ohio Family Law is a one volume publication intended to serve as an

accompanying piece to the highly successful Ohio Family Law. As our elderly population grows, this topic is a rapidly growing part of family law practice. Ohio Elder Law expands statutory material previously contained in Ohio Family Law and in addition features important administrative code sections critical to the practitioner. Securities Law Handbook Routledge This Handbook explores and critically examines current research in economics and marketing science on key issues in retailing and distribution. Providing a rich perspective for the discussion of public policy, contributions from several disciplines and

continents range from the history of chains and the impact of multinational retailers on international trade patterns to US merger policy in the retail context, the rise of the Internet, and consumer-to-consumer sales. The chapters address methodological issues such as the structural estimation of entry games between retailers, productivity measurement when both inputs and output are not fully observable, and demand estimation with variable assortment. Policy issues explored include mergers, zoning, and the regulation of buyer power, while other chapters address some of the recent exciting developments in technology, retail

formats, and data availability. The book goes on to study the changes in online retailing and 'big data', and to examine competition in specific retail sectors including gasoline stations, automobile dealerships, supermarkets, and 'big box' retail. This state-of-the-art Handbook is an essential reference for students and academics of economics and marketing science, and offers an outsider's perspective to specialists in operations research, data analytics, geography, and sociology.
