Colloquial Swahili: The Complete Course for Beginners has been carefully
developed by an experienced teacher to provide a step-by-step course to
Swahili as it is written and spoken today. Combining a clear, practical and
accessible style with a methodical and thorough treatment of the language,
it equips learners with the essential skills needed to communicate

confidently and effectively in Swahili in a broad range of situations. No
prior knowledge of the language is required. Colloquial Swahili is
exceptional; each unit presents a wealth of grammatical points that are
reinforced with a wide range of exercises for regular practice. A full answer
key, a grammar summary, bilingual glossaries and English translations of
dialogues can be found at the back as well as useful vocabulary lists
throughout. Key features include: A clear, user-friendly format designed to
help learners progressively build up their speaking, listening, reading and
writing skills Jargon-free, succinct and clearly structured explanations of
grammar An extensive range of focused and dynamic supportive exercises
Realistic and entertaining dialogues covering a broad variety of narrative
situations Helpful cultural points explaining the customs and features of
life in Swahili-speaking countries. An overview of the sounds of Swahili
Balanced, comprehensive and rewarding, Colloquial Swahili is an
indispensable resource both for independent learners and students taking
courses in Swahili. Audio material to accompany the course is available to
download free in MP3 format from www.routledge.com/cw/colloquials.
Recorded by native speakers, the audio material features the dialogues and
texts from the book and will help develop your listening and
pronunciation skills.

Kamusi ya sheria DL2A - BULUU PUBLISHING

Haji Gora Haji, born in 1933 on the island of Tumbatu, Zanzibar, represents a living archive of poetic and philosophical knowledge, which is transformed into verses with a characteristic voice enriched by dialectal features (from Tumbatu and Unguja). As a recognition of his life-long commitment to Swahili language and literature, the editors, Flavia Aiello and Irene Brunotti, with Nathalie Arnold Koenings for translation, decided to work hard on conceiving a publishing project of Shuwari, his poetical

anthology or diwani, fashioned as a bilingual Swahili-English edition which, along with the poems, could offer some analytical insights into Haji Gora Haji's artistry.

A Glossary in English, Kiswahili, Kikuyu and Dholuo. Kamusi Ya Lugha Ya Kiingereza, Kiswahili, Kikuyu Na Kijaluo Institute of Kiswahili Research University of Dar Es Salaam

A dictionary of composition writing.

Religious Discourse, Social Cohesion and Conflict Oxford University Press, USA

Of interest to linguists, artists, ma-youth, scholars of urban studies, educationalists, policy makers and language planners who are grappling with the challenges of multilingualism and language of education in Kenya.

Colloquial Swahili Dar Es Salaam University Press

A concise and portable dictionary developed by two experienced and well respected teachers of Swahili. In this work they have taken into account not only the difficulties which non-Swahili speakers from many different language backgrounds have in learning the language, but also the importance of making Swahili equivalents of English words, correspond to those of the best speakers of Swahili. The English-Swahili Pocket Dictionary will be of benefit to English speakers who are learning Swahili, while Swahili speakers who are learning English will also find it invaluable.

Kenya National Assembly Official Record (Hansard)

Routledge

Kamusi yoyote ni kazi ya maarifa, ni chemchemi ambayo maji yake hayakauki, hutiririsha maarifa na kuchochea watumiaji kutaka kuijua zaidi. Kamusi ya Ukristo inazo sifa hizi, na za ziada kwani ni kamusi ya kwanza kwa lugha ya Kiswahili ambayo inaweka pamoja, tafsiri ya dhana mbalimbali, majina mbalimbali ya Wakristo na desturi za Makanisa ya Kikristo. Kamusi ya Ukristo ni kamusi ambayo kwa umahili mkubwa mwandishi amefatilia na kufanikiwa kukusanya vitomeo vinavyowakilisha madhehebu mbalimbali ya Kikristo. Kuna vidahizo ambavyo hutumiwa zaidi na dhehebu moja kuliko lingine, lakini mwandishi amewiweka pamoja ili kuuondoa umadhehebu na kuujenga umoja wa Ukristo. Ni ukweli usiopingika kuwa waamini wengi hawaelewi misamiati na istilahi nyingi za dini zao. Hivyo basi kwa msaada wa Kamusi hii msomaji atafaidi maarifa ya maana na matumizi ya maneno si tu ya dhehebu moja, dhehebu lake, bali Ukristo kwa ujumla wake. Kamusi ya Ukristo is the first dictionary in Swahili language which puts together the interpretation of various concepts, different names for Christians and customs of the Christian churches.

Kamusi ya methali za Kiswahili Routledge

"This landmark publication in comparative linguistics is the first comprehensive work to address the general issue of what kinds of words tend to be borrowed from other languages. The authors have assembled a unique database of over 70,000 words from 40 languages

from around the world, 18,000 of which are loanwords. This database allows the authors to make empirically founded generalizations about general tendencies of word exchange among languages." --Book Jacket.

Shuwari Mkuki Na Nyoka Pub

This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and provides lexicographical information needed by current dictionary users. There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.

Loanwords in the World's Languages Createspace Independent Publishing Platform

This book analyzes socio-religious transformation in Tanzania. Some scholars claim that religion has returned to the public domain since the collapse of Tanzanian socialism, and that there is a tension between Muslims and Christians. Based on focus group discussions in Dar es Salaam, author Thomas Joseph Ndaluka acquires insight into Muslim - Christian relations using Critical Discourse Analysis. He analyzes how Muslims and Christians identify and position themselves in relation to each

other and the conditions which make them elevate their religious identity over other identities. Ndaluka reveals that some peripheral voices threaten social cohesion, but, in general, Muslims and Christians maintain friendly relations and avoid conflict. He also shows individualization or de-institutionalization as dominant trends in the country. However, educational institutions have remained strong and influence other institutions, such as the family. (Series: Interreligious Studies - Vol. 5)

Kamusi ya semi za Kiswahili Langham Publishing

Kitabu hiki cha kiongozi cha mwalimu, kimekusudia kuwa mwongozo kwa ajili ya kuwafundisha wageni. Kitabu hiki ni muhimu kwa mtu yeyote anayetaka kufundisha lugha ya Kiswahili kwa wageni.

A Concise English-Swahili Dictionary East African Publishers

Spoken originally along the eastern coast of Africa (the name *kiSwahili* means 'coastal language'), and now the official language of Tanzania as well as a major language in Kenya, Uganda and the eastern Congo, Swahili is the lingua franca of Eastern Africa. A significant fraction of Swahili vocabulary is derived from Arabic through contact with Arabic-speaking Muslim inhabitants of the Swahili Coast. It has also incorporated German, Portuguese, English, Hindustani and French words into its vocabulary through contact with empire builders, traders and slavers during the past five centuries. The earliest known documents written in Swahili are letters written in Kilwa in 1711 A.D. in the Arabic script that were sent to the Portuguese of Mozambique and their local allies. Another ancient written document dated to 1728

is an epic poem in the Arabic script titled *Utendi wa Tambuka* (The History of Tambuka). One key step in spreading Swahili was to create a standard written language. In June 1928, an inter-territorial conference took place at Mombasa, at which the Zanzibar dialect, *Kiunguja*, was chosen to be the basis for standardising Swahili. Today's standard Swahili, the version taught as a second language, is for practical purposes Zanzibar Swahili. Swahili has become a second language spoken by tens of millions in three African Great Lakes countries (Tanzania, Kenya, and the Democratic Republic of the Congo (DRC)) where it is an official or national language. The neighbouring nation of Uganda made Swahili a required subject in primary schools in 1992. Some 80 percent of approximately 49 million Tanzanians speak Swahili in addition to their first languages. Many of the rising generation of Tanzania, however, speak Swahili as a primary language because of a decrease of the traditional cultures and the rise of a more unified culture in urban areas. Kenya's population is comparable as well, with a greater part of the nation being able to speak Swahili. Most educated Kenyans are able to communicate fluently in Swahili since it is a compulsory subject in school from grade one to high school and a distinct academic discipline in many of the public and private universities. The five eastern provinces of the DRC are Swahili-speaking. Nearly half the 66 million Congolese reportedly speak it, and it is starting to rival Lingala as the most important national language of that country. Swahili speakers may number 120 to 150 million. This English - Swahili and Swahili - English Dictionary (*Kamusi ya Kiswahili - Kiingereza*), contains 11,000 entries. It is based on our Words R Us - Wordnet implementation (www.wordsrus.info) which enables pairing the Swahili language with hundreds of others. It was created using dozens of sources including academic papers on the language as well as native speakers.

Kamusi Ya Kiingereza-Kiswahili Mkuki na Nyota Publishers

This book is intended for university students and anyone interested in learning Standard Swahili grammar as spoken in the East African Community of Tanzania, Kenya and Uganda. The most comprehensive grammar book currently available, some of the concepts covered in this book are greetings, numerals, telling the time, the Noun Class system, simple tenses such the past, present and future, adjectives and possessives. The book then progresses to more complex concepts such as Direct and Reported Speech, various verb typologies, other tenses, prepositions and conjunctions, adverbs and relative pronouns. Each chapter includes many examples and sample sentences, easy to read charts, practice questions, answers to the practice questions, and a list of new vocabulary used within the chapter. On completing this book, the reader will be able to read, write and converse in Swahili with confidence.
