[War and the Art of Governance](#) Shortcut Edition

Forget everything you think you know about strength, strategy and success. This brilliant adaptation of the ancient masterpiece *The Art of War* shows women how to use Sun Tzu's philosophy to win in every aspect of life. Would you like to transform your weaknesses into strengths? Succeed at work without compromising your ethics? Integrate your style and personal philosophy into every action you take? If so, this book is for you. In *The Art of War for Women*, bestselling author Chin-Ning Chu brings the eternal wisdom of philosopher-general Sun Tzu to women looking to gain a better understanding of who they are--and, more importantly, who they want to be. Although Sun Tzu's book is about the application of strategies and determining the most efficient way of gaining victory with the least amount of conflict, every one of those strategies begins with having a deep understanding of the people and the world around us. They also require us to understand ourselves--our strengths and weaknesses, our goals and fears. In other words, the aim is not to apply a series of rules coldly and dispassionately, but rather to integrate ourselves and our unique talents into the strategies we will employ. This is not a feel-good book. (But you will feel good after reading it.) It is not a motivational book. (But you will be motivated to achieve what you want, once you are done.) Ultimately, its purpose is to provide women with the strategies we all need to overcome the obstacles that stand in the way of our goals and dreams. Sun Tzu's *Art of War* is the most influential book on strategy ever published, selling tens of millions of copies worldwide in several editions. Written by one of today's foremost authorities on Sun Tzu, *The Art of War for Women* is sure to become a classic in its own right.

**The Story Behind THE LEGEND OF BAGGER VANCE** If you've read his books *THE WAR OF ART* and *TURNING PRO*, you know that for thirty years Steven Pressfield (*GATES OF FIRE*, *THE AFGHAN CAMPAIGN* etc.) wrote spec novel after spec novel before any publisher took him seriously. How did he finally break through? Ignoring just about every rule of commercial book publishing, Pressfield's "first" novel not only became a major bestseller (over 250,000 copies sold), it was adapted into a feature film directed by Robert Redford and starring Matt Damon, Will Smith, and Charlize Theron. Where did he get the idea? What magical something did *THE LEGEND OF BAGGER VANCE* have that his previous manuscripts lacked? Why did Pressfield decide to write a novel when he already had a well established screenwriting career? How does writing a publishable novel really work? Taking a page from John Steinbeck's classic *JOURNAL OF A NOVEL*, Steven Pressfield offers answers for these and scores of other practical writing questions in *THE AUTHENTIC SWING*.

**Winning the War in Your Mind** Penguin

Over two and a half millennia ago, Chinese military strategist Sun Tzu taught that size alone does not guarantee victory--strategy, positioning, planning, and leadership all play equally significant roles in overpowering the opposition. Today, this classic treatise is perfect for adapting to the world of small business, with entrepreneurs entrenched in fierce competition for customers, market share, and talent. Featuring inspiring examples of entrepreneurial success, *The Art of War for Small Business* centers its 12 timeless lessons on how to:

- Choose the right ground for your battles
- Leverage strengths while overcoming limitations
- Strike competitors' weakest points and seize every opportunity
- Focus priorities and resources on conquering key challenges
- Go where the enemy is not
- Build and leverage strategic alliances
- And more

Countless military, political, and business leaders across the world and throughout time have learned how to utilize these brilliant strategies to outsmart, outmaneuver, and outstrategize their larger adversaries' seemingly overwhelming forces. Now it's time for the small business owner to learn how they, too, can capture crucial sectors, serve unmet needs, and emerge victorious.

*The War of Art* Bantam

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Drawing upon Scripture and the latest

findings of brain science, Groeschel lays out practical strategies that will free you from the grip of harmful, destructive thinking and enable you to live the life of joy and peace that God intends you to live. *Winning the War in Your Mind* will help you: Learn how your brain works and see how to rewire it Identify the lies your enemy wants you to believe Recognize and short-circuit your mental triggers for destructive thinking See how prayer and praise will transform your mind Develop practices that allow God's thoughts to become your thoughts God has something better for your life than your old ways of thinking. It's time to change your mind so God can change your life.

*An Artist of the Floating World* Tuttle Publishing

Blasting clichéd career advice, the contrarian pundit and creator of *Dilbert* recounts the humorous ups and downs of his career, revealing the outsized role of luck in our lives and how best to play the system. Scott Adams has likely failed at more things than anyone you've ever met or anyone you've even heard of. So how did he go from hapless office worker and serial failure to the creator of *Dilbert*, one of the world's most famous syndicated comic strips, in just a few years? In *How to Fail at Almost Everything and Still Win Big*, Adams shares the game plan he's followed since he was a teen: invite failure in, embrace it, then pick its pocket. No career guide can offer advice that works for everyone. As Adams explains, your best bet is to study the ways of others who made it big and try to glean some tricks and strategies that make sense for you. Adams pulls back the covers on his own unusual life and shares how he turned one failure after another—including his corporate career, his inventions, his investments, and his two restaurants—into something good and lasting. There's a lot to learn from his personal story, and a lot of entertainment along the way. Adams discovered some unlikely truths that helped to propel him forward. For instance:

- Goals are for losers. Systems are for winners.
- "Passion" is bull. What you need is personal energy.
- A combination of mediocre skills can make you surprisingly valuable.
- You can manage your odds in a way that makes you look lucky to others.

Adams hopes you can laugh at his failures while discovering some unique and helpful ideas on your own path to personal victory. As he writes: "This is a story of one person's unlikely success within the context of scores of embarrassing failures. Was my eventual success primarily a result of talent, luck, hard work, or an accidental just-right balance of each? All I know for sure is that I pursued a conscious strategy of managing my opportunities in a way that would make it easier for luck to find me."

*Summary of The War of Art by Steven Pressfield* Black Irish Entertainment LLC

**NATIONAL BESTSELLER** • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

**A Man at Arms: A Novel** Speedy Publishing LLC

*The Art of War* is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu's teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, *The Art of War* is a must-read for anybody who works in a competitive environment.

**The Art of War for the New Millennium** Yale University Press

From the acclaimed master of historical fiction comes an epic saga about a reluctant hero, the Roman Empire, and the rise of a new faith. Jerusalem and the Sinai desert, first century AD. In the turbulent aftermath of the crucifixion of Jesus, officers of the Roman Empire acquire intelligence of a pilgrim bearing an incendiary letter from a religious fanatic to insurrectionists in Corinth. The content of this letter could bring down the empire. The Romans hire a former legionary, the solitary man-at-arms, Telamon of Arcadia, to intercept the letter and capture its courier. Telamon operates by a dark code all his own, with no room for noble causes or lofty beliefs. But once he overtakes the courier, something happens that neither he nor the empire could have predicted. In his first novel of the ancient world in thirteen years, the best-selling author of *Gates of Fire* and *Tides of War* returns with a gripping saga of conquest and rebellion, bloodshed and faith.

**Gates of Fire** Penguin

Are you ready to fight this blocking force? \*Buy now the summary of this book for the modest price of a cup of coffee!

**The Legend of Bagger Vance** Black Irish Entertainment LLC

BONUS: This edition contains an excerpt from Steven Pressfield's *The Profession*. The author of the international bestsellers *Gates of Fire* and *Tides of War* delivers his most gripping and imaginative novel of the ancient world—a stunning epic of love and war that breathes life into the grand myth of the ferocious female warrior culture of the Amazons. Steven Pressfield has gained a passionate worldwide following for his magnificent novels of ancient Greece, *Gates of Fire* and *Tides of War*. In *Last of the Amazons*, Pressfield has surpassed himself, re-creating a vanished world in a brilliant novel that will delight his loyal readers and bring legions more to his singular and powerful restoration of the past. In the time before Homer, the legendary Theseus, King of Athens (an actual historical figure), set sail on a journey that brought him into the land of tal Kyrte, the “free people,” a nation of proud female warriors whom the Greeks called “Amazons.” The Amazons, bound to each other as lovers as well as fighters, distrusted the Greeks, with their boastful talk of “civilization.” So when the great war queen Antiope fell in love with Theseus and fled with the Greeks, the mighty Amazon nation rose up in rage. *Last of the Amazons* is not merely a masterful tale of war and revenge. Pressfield has created a cast of extraordinarily vivid characters, from the unforgettable Selene, whose surrender to the Greeks does nothing to tame her; to her lover, Damon, an Athenian warrior who grows to cherish the wild Amazon ways; to the narrator, Bones, a young girl from a noble family who was nursed by Selene from birth and secretly taught the Amazon way; to the great Theseus, the tragic king; and to Antiope, the noble queen who betrayed tal Kyrte for the love of Theseus. With astounding immediacy and extraordinary attention to military detail, Pressfield transports readers into the heat and terror of war. Equally impressive is his creation of the Amazon nation, its people, its rituals and myths, its greatness and savagery. *Last of the Amazons* is thrilling on every page, an epic tale of the clash between wildness and civilization, patriotism and love, man and woman.

**The Man in the High Castle** AMACOM

“An insightful memoir that uncovers unique stories about matters of the heart.” —Essence The inspiring New York Times bestseller from Common—the Grammy Award, Academy Award, and Golden Globe–winning musician, actor, and activist—explores how love and mindfulness can build communities and allow you to take better control of your life through actions and words. Common believes that the phrase “let love have the last word” is not just a declaration; it is a statement of purpose, a daily promise. Love is the most powerful force on the planet, and ultimately the way you love determines who you are and how you experience life. Touching on God, self-love, partners, children, family, and community, Common explores the core tenets of love to help us understand what it means to receive and, most importantly, to give love. He moves from the personal—writing about his daughter, to whom he wants to be a better father—to the universal, where he observes that our society has become fractured under issues of race and politics. He knows there’s no quick remedy for all of the hurt in the world, but love—for yourself and for others—is where the healing begins. In his first public reveal, Common also shares a deeply personal experience of childhood molestation that he is now confronting...and forgiving. Courageous, insightful, brave, and characteristically authentic, *Let Love Have the Last Word* shares Common’s own unique and personal stories of the people and experiences that have led to a greater understanding of love and all it has to offer. It is a powerful call to action for a new generation of open hearts and minds, one that is sure to resonate for years to come.

*The Artist's Journey* Black Irish Books

Since launching the so-called "War on Terror" in the aftermath of the attacks of September 11, 2001, the United States has become adept at militarily quashing perceived terrorist threats. The U.S. homeland has arguably never been safer than it is today, and al-Qaeda's leadership has been forced into hiding, operating as a shadow of its former self. However, the onset of crippling instability that hit swathes of the Middle East and North Africa beginning in 2010 and 2011 created conditions in which terrorist organizations have not only recovered, but thrived. The dramatic growth of ISIS in Iraq and Syria in 2014 represented the emergence of the world's most powerful terrorist organization and facilitated its expansion across all corners of the world. Faced with new competition, al-Qaeda affiliates adapted, often experimenting with new modes of operation. Iran, meanwhile, empowered by its Lebanese proxy Hezbollah, has developed extensive militant networks in the region, transforming power dynamics in Iraq, Syria, and Yemen. In the midst of this chaotic environment, in which terrorist threats have multiplied and diversified, the U.S. and its allies have won a great many battles, but are still losing the war.

**Without Their Permission** Currency

From the bestselling author of *Gates of Fire* and *Killing Rommel*, the thrilling true story of one of the most unlikely and astonishing military victories in history.

June 5, 1967. Israel is surrounded by enemies who want nothing less than her utter extinction. The Soviet-equipped Egyptian Army has massed a thousand tanks on the nation’s southern border. Syrian heavy guns are shelling her from the north. To the east, Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack. June 10, 1967. The Arab armies have been routed, their air forces totally destroyed. Israel’s citizen-soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt, the Golan Heights from Syria, East Jerusalem and the West Bank from Jordan. Moshe Dayan has entered the Lion’s Gate of the Old City of Jerusalem to stand with the paratroopers who have liberated Judaism’s holiest site—the Western Wall. Drawing on hundreds of hours of interviews with veterans of the war—fighter and helicopter pilots, tank commanders and Recon soldiers, paratroopers, as well as women soldiers, wives, and others—bestselling author Steven Pressfield tells the story of the Six Day War as you’ve never experienced it before.

*Sun Tzu for Women* Georgetown University Press

The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind." --Steven Pressfield **TURNING PRO IS FREE, BUT IT'S NOT EASY.** When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. **TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE.** The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. **WHAT WE GET WHEN WE TURN PRO.** What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

**The Artist's Way** W. W. Norton & Company

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.
