Scream meets Happy Death
Day in this terrifying stand-
alone horror novel from YA
scream queen Danielle
Valentine. Alice Lawrence is the
sole witness in her sister ' s
murder trial. And in the year
since Claire ' s death, Alice ' s
life has completely fallen apart.
Her parents have gotten
divorced, she ' s moved into an

apartment that smells like bologna, and she is being forced to face her sister ' s killer and a courtroom full of people who doubt what she saw in the corn maze a year prior. Claire was an all-American girl, beautiful and bubbly, and a theater star. Alice was a nerd who dreamed of becoming a forensic pathologist and would rather stay at home to watch her favorite horror movies than party. Despite their differences, they were bonded by sisterhood and were each other ' s best friends. Until Claire was taken away from her. On the first day of the murder trial, as Alice prepares to give her testimony, she is knocked out by a Sidney Prescott look-alike in the courthouse bathroom. When she wakes up, it is Halloween night a year earlier, the same day Claire was murdered. Alice has until midnight to save her sister and find the real killer before he claims another victim.
