### **A Smaller History of Greece** CreateSpace

A history of Rome from the earliest times to the establishment of the empire.

Teachers Monographs: The National Journal of the Public Schools Library of Alexandria

A'Beckett and Leech were original contributors to "Punch, or the London Charivari" magazine, established 1841. It became the famous "Punch" magazine and remained in publication to 2002. A'Beckett also wrote editorials for a similar concept magazine, "Figaro in London" that ceased publication in 1839. "In commencing this work, the object of the Author was, as he stated in the Prospectus, to blend amusement with instruction, by serving up, in as palatable a shape as he could, the facts of English History. He pledged himself not to sacrifice the substance to the seasoning; and though he has certainly been a little free in the use of his sauce, he hopes that he has not produced a mere hash on the present occasion. His object has been to furnish something which may be allowed to take its place as a standing at the library table, and which, though light, may not be found devoid of nutriment."--Preface.

The History of Rome Forgotten Books

Denied citizenship by the Roman Empire, a soldier named Alaric changed history by unleashing a surprise attack on the capital city of an unjust empire. Stigmatized and relegated to the margins of Roman society, the Goths were violent "barbarians" who destroyed "civilization," at least in the conventional story of Rome's collapse.

But a slight shift of perspective brings their history, and ours, shockingly alive. Alaric grew up near the river border that separated Gothic territory from Roman. He survived a border policy that separated migrant children from their parents, and he was denied benefits he likely expected from military service. Romans were deeply conflicted over who should enjoy the privileges of citizenship. They wanted to buttress their global power, but were insecure about Roman identity; they depended on foreign goods, but scoffed at and denied foreigners their own voices and humanity. In stark contrast to the rising bigotry, intolerance, and zealotry among Romans during Alaric's lifetime, the Goths, as practicing Christians, valued religious pluralism and tolerance. The marginalized Goths, marked by history as frightening harbingers of destruction and of the Dark Ages, preserved virtues of the ancient world that we take for granted. The three nights of riots Alaric and the Goths brought to the capital struck fear into the hearts of the powerful, but the riots were not without cause. Combining vivid storytelling and historical analysis, Douglas Boin reveals the Goths' complex and fascinating legacy in shaping our world.

*A Smaller History of Rome, from the earliest times to the establishment of the Empire.*

*A Smaller History of Rome* W. W. Norton & Company

Excerpt from Smaller History of Rome: From the Earliest Times to the Establishment of the Empire The present History has been drawn up chiefly for the lower forms in schools, at the request of several teachers, and is intended to range with the author's Smaller History of Greece. It will be followed by a similar History of England. The author is indebted in this work to several of the more important articles upon Roman history in the Dictionary of Greek and Roman Biography. The Table of Contents presents a full analysis of the work, and has been so arranged that the teacher can frame from it questions for the examination of his class, the answers to which will be found in the corresponding pages of the volume. The restoration of the Forum has been designed by Mr. P. W. Justyne. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*A Smaller History of Rome* Princeton University Press

New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In SPQR, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, SPQR will to shape our view of Roman history for decades to come.

Escape from Rome Cambridge University Press

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

*A Smaller History of Rome: From the Earliest Times to the Establishment of the Empire* Palala Press

Any travel guide to Rome will urge visitors to go the Colosseum, but none answers a simple question: Why is it called the Colosseum? The History of Rome in 12 Buildings: A Travel Companion to the Hidden Secrets of The Eternal City is compelling, concise, and fun, and takes you behind the iconic buildings to reveal the hidden stories of the people that forged the Roman Empire. Typical travel guides provide torrents of information but deny their readers depth and perspective. In this gap is the really good stuff--the stories that make the buildings come alive and vividly enhance any trip to Rome. The History of Rome in 12 Buildings will immerse you in the world of the Romans, one full of drama, intrigue, and scandal. With its help, you will be able to trace the rise and fall of the ancient world's greatest superpower: Find the last resting spot of Julius Caesar. Join Augustus as he offers sacrifices to the gods. Discover the lie on the faade of the Pantheon. Walk in the footsteps of Jesus. And so much more.

### **The Nation**

A definitive history of the great commanders of ancient Rome, from bestselling author Adrian Goldsworthy. "In his elegantly accessible style, Goldsworthy offers gripping and swiftly erudite accounts of Roman wars and the great captains who fought them. His heroes are never flavorless and

generic, but magnificently Roman. And it is especially Goldsworthy's vision of commanders deftly surfing the giant, irresistible waves of Roman military tradition, while navigating the floating logs, reefs, and treacherous sandbanks of Roman civilian politics, that makes the book indispensable not only to those interested in Rome and her battles, but to anyone who finds it astounding that military men, at once driven and imperiled by the odd and idiosyncratic ways of their societies, can accomplish great deeds." —J. E. London, author of *Soldiers and Ghosts: A History of Battle in Classical Antiquity*

### **SMALLER HIST OF ROME**

The gripping story of how the end of the Roman Empire was the beginning of the modern world. The fall of the Roman Empire has long been considered one of the greatest disasters in history. But in this groundbreaking book, Walter Scheidel argues that Rome's dramatic collapse was actually the best thing that ever happened, clearing the path for Europe's economic rise and the creation of the modern age. Ranging across the entire premodern world, *Escape from Rome* offers new answers to some of the biggest questions in history: Why did the Roman Empire appear? Why did nothing like it ever return to Europe? And, above all, why did Europeans come to dominate the world? In an absorbing narrative that begins with ancient Rome but stretches far beyond it, from Byzantium to China and from Genghis Khan to Napoleon, Scheidel shows how the demise of Rome and the enduring failure of empire-building on European soil launched an economic transformation that changed the continent and ultimately the world.
