#1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES \* THE WASHINGTON POST \* NPR \* PEOPLE \* TIME MAGAZINE\* VANITY FAIR \* GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal* "A story of absolute, universal timelessness ...For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be..." - Entertainment Weekly From The New York Times-bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times-bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

Rework shows you a better, faster, easier way to succeed in business.

Most business books give you the same old advice: Write a business plan, study the competition, seek investors, yadda yadda. If you're looking for a book like that, put this one back on the shelf. Read it and you'll know why plans are actually harmful, why you don't need outside investors, and why you're better off ignoring the competition. The truth is, you need less than you think. You don't need to be a workaholic. You don't need to staff up. You don't need to waste time on paperwork or meetings. You don't even need an office. Those are all just excuses. What you really need to do is stop talking and start working. This book shows you the way. You'll learn how to be more productive, how to get exposure without breaking the bank, and tons more counterintuitive ideas that will inspire and provoke you. With its straightforward language and easy-is-better approach, *Rework* is the perfect playbook for anyone who's ever dreamed of doing it on their own. Hardcore entrepreneurs, small-business owners, people stuck in day jobs they hate, victims of "downsizing," and artists who don't want to starve anymore will all find valuable guidance in these pages.

Doms of Submission is a thrilling erotic romance Novel full of explicit scenes of sexual depravity, rough sex and BDSM. Join Lisette in this world of sex-crazed shifters, strong, commanding, dominant male lovers. Read on for a small taste of what's inside: This time Lisette spit out a "Yes, Master!" and licked her lips, tasting herself. She wanted to spit on him, but she knew that she was in no position to become rebellious now. It did occur to her that someday she might have an opportunity to turn the tables on this man, and how much she would enjoy that day. Joseph loved every minute he had punishing this uppity broad. What he really loved was that he had gotten her permission to dominate her. Once again he gripped the flogger. Only this time, he began to use the handle to tease her pussy. He never tried to enter her with it, but ran its hard leather handle through her dripping slit. The swollen flesh was beautiful to him. He watched her face as he continued the tease, but if she were receiving any pleasure she was not showing it to him. He wanted her to react. He pulled the handle away and began to explore the hot wet folds with his fingers. As he found her clit, he began to knead it with his thumb and forefinger, then slid two fingers inside of her. This did elicit a response from her, which made him desire more. "So, the filthy slut likes to be finger fucked," he snorted, and continued to push his fingers farther up in her canal. Within seconds she spewed a stream of fluid that ran down her legs. While the achievement of his efforts filled him with confidence and satisfaction, his response to her was one of disgust. "Now look at the mess you made, bitch. You should be ashamed of yourself." He drew back and began to flog her again and again. He had become so involved with his

punishment that he no longer was being careful with the intensity of his strikes and the size of the welts he was raising on her body. He also had become deaf to the volume and intensity of her cries and screams. Lisette was unable to control the cries and screams wrenched from her by the constant sting of the flogger. Each time the leather tentacles struck her tender flesh, they burned her more than the last. Finally, she bravely shouted at Joseph that he had to stop. He was so shocked by her plea that he held the flogger back, looking at her in disbelief. "Did you speak to me, bitch?" he asked incredulously. "Did you forget how you should address me?" "Master... please don't stop," She whispered to him.

the three virile, well-hung werewolves roughly have their way with her, one after another. "Intrusion" - Married scientists Monty and Nerissa think they're about to make history with a new invention that offers glimpses of alternate dimensions. But during the device's trial run, a hulking monster appears in the lab, and when it lays eyes on Nerissa, its only aim is to have its way with her. After his attempt to stop the alien intruder leaves him pinned beneath a piece of heavy equipment, Monty can only watch, helpless and horrified yet strangely aroused, as the hugely hung brute claims his wife...and in the process gives her pleasure light-years beyond anything she has ever felt with her nerdy husband. "Orced Raw" - After finding evidence of orc activity near the border of her forest homeland, Elara the elvish ranger sets out to investigate. When she recklessly gets too close to their lair, the petite warrior is captured and taken to their arena, where she learns that she has been chosen to become the tribe's latest broodmare and must now face off against every healthy male orc of the tribe in a battle/mating ritual. In the process, it emerges that her hatred of the orcs masks other, more shameful feelings, and as the brawny, well-hung monsters overwhelm her and roughly have their way with her, she finds herself wracked with bliss the likes of which she has never felt before.

A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR "A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we've all been doing it wrong for a long, long time." -Elizabeth Gilbert, author of Big Magic and Eat Pray Love No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you're not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren't found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama,

Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, Breath turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

"For sheer adventure L'Amour is in top form."-Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L'Amour's hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux.
