The Lord said only a few will make it. This book will open the truth of God's Word making certain you know the way to eternal life. The life you live in this earth is only a whisper and how you live during that whisper determines where you will spend eternity. If our minds are unable to grasp even the concept of eternity, how can we possibly understand the many biblical truths written from the perspective of eternity? When we misunderstand each other using the written and spoken word, why does God use these means to communicate with us? Reaching for Eternal Truths begins with the understanding that definitive answers to these questions are elusive for finite minds. Yet author Donald Rhody demonstrates the merit in the endeavor as he

examines such difficult questions as: bull; How is it possible for the sovereignty of God and the free will of man to coexist? bull; If we are saved by grace, what is the role of good works? bull; When God desired to give the early Israelites a covenant sign, why did he choose circumcision? bull; What is our relationship to creation? Reaching for Eternal Truth will guide you as you begin your own explorations into these questions. It provides a scriptural foundation, not the entire structure; beginnings of discovery, not complete answers. The goal is to bring us closer to understanding God and our place in his world. Whatever you finally discover, you will emerge from your quest spiritually stronger, intellectually more alert, and with a new realization that there is much more to learn in the continual search for truth.

"Jesus - The Way, The Truth and The Life" will prove that Jesus is the only Way to God, the very embodiment of all Truth and the very essence of Life, just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying, "I am the way, the truth, and the life and that no one comes to the Father except through Me." This book will show using systematic theology, proofs and truth arguments that Jesus is exactly who He says He is, confirmed by God the Father, the Holy Spirit and by Christ Himself. Jesus said in Mark 8; 27 of scripture "Who do you say I Am." This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that "You are the Christ, the Son of the Living God". Time is getting short and Jesus is on His way back to earth. It's not a time to be confused or wrong on issues having eternal consequences. Though the book reads as a college textbook it forces you to think and study the word of God. The book is most valuable in a curriculum setting or for those interested in Christian apologetics. Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way, truth and the life and all others are false. This book stands on the foundation that a relationship with God thru Christ is by faith alone (Sola Fide), by grace alone (Sola Gratia), by Christ alone (Solus Christus), by scripture alone (Sola Scriptura) and with glory to God alone (Soli Deo Gloria). Dr. Ronald N Bish, ThD. received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering. A Life-Changing Spiritual Adventure Memoir by the author of Spirituality For Dummies and Secrets of Spiritual Happiness. The purpose of this memoir is to awaken readers to new ways of looking at their own lives as they join author Sharon Kumuda Janis on a metaphysical cruise through her interesting and educational life, with stories that reveal the humor and pathos of a quest for eternal truth in our modern-day world. Sharon's eclectic journey includes taking a three-month course in hypnosis with her psychology teacher parents at age seven, explorations of consciousness while studying neuroscience at the University of Michigan, ten years living a monastic style life in the Siddha Yoga ashram of Baba Muktananda and Gurumayi Chidvilasananda, then a transition from the ashram to Hollywood, where the author jumps into an award-winning television and film career, editing and producing some of the most popular shows of the 1990s, and helping to start or uplift the career of many famous, nonfamous, and infamous people, before retreating to a peaceful life of creative solitude and service, writing books including Spirituality For Dummies, and creating the well-stocked Night Lotus website of free multimedia spiritual resources. A beautiful and poignant spiritual odyssey that is equally provocative and touching, informative and enlightening, humorous and heartbreaking. - Joseph Chilton Pearce In a larger sense,

this memoir is a dialogue between Indian spirituality and Western psychology. The question that Janis answers is: "Can a westerner come to know Indian spirituality and flourish in its depths, even when it is alien to western ways of knowing?" She answers with a resounding "yes." - Publishers Weekly It's a good story, and for those of us who are interested in what exactly goes on in those ashrams, it's hard to put down... Few writers so far have told the tale of what it is like to live and study, heart and soul, with the likes of Muktananda. - RALPH: Review of the Arts, Literature, Philosophy and the Humanities Inspired by deep guidance and inner listening, this book aims to bring readers to "a sense of wonder and respect for their own journey" and a greater regard for others on their paths. - NAPRA ReVIEW It is a book that is very difficult to put down-the kind that keeps you up at night beyond your bedtime. - 21st Century Books

The set to which this volume belongs is informally entitled "The Eternal Series," because each volume of the set unfolds an aspect of the reality of God's relationship with humanity that reaches from eternity past to eternity future. The formal title of the series is "An Evangelical Introduction to Reformational Theology." Here are the volume titles: Part I: Scripture: The Revealed Source For Theology I/1 The Eternal Word: God Speaking To Us I/2 The Eternal Torah: Living Under God Part II: God: The Personal Source Behind Theology II/1 The Eternal God: God Revealing Himself To Us II/2 The Eternal Christ: God With Us II/3 The Eternal Spirit: God Living In Us Part III: Redemption: The Christ-Centered Heart of Theology III/1 The Eternal Purpose: Living In Christ III/2 Eternal Righteousness: Living Before God III/3 Eternal Salvation: Christ Dying For Us III/4 Eternal Life: Christ Living In Us Part IV: Consummation: The Lived Shape of Theology IV/1 The Eternal People: God in Relation To Israel IV/2 The Eternal Covenant: Living With God IV/3 The Eternal Kingdom: Living Under Christ Part V: Method: The Comprehensive Foundation of Theology V/1 Eternal Truth: The Prolegomena of Theology These volumes have been written for the informed Christian who is somewhat familiar with both the Bible and Christian theology. As you will learn in these volumes, that order-first Bible and then theology-is crucially important. So too is the distinction (but not the separation!) between these two: the Bible is not theology, and theology is not the Bible. Both following that order and honoring that distinction are prerequisites for healthy, charitable, and enduring Christianity. Dr. Willem J. Ouweneel is a Dutch author whose three doctorates-one each in biology, philosophy, and theology-rank him among the premier Bible scholars of this generation, and equip him with breadth of vision and depth of insight. When these volumes are read alongside an open Bible, the patient reader will acknowledge the authority of the claims being defended. The reader's certitude will ultimately come to rest, not in any particular theological system or model, but in the inspired, infallible Word of God, and more importantly, in the God of that Word. As such, this entire series and these volumes are fresh and faithful reformulations of the essence of biblical faith and life as that was transmitted throughout the centuries, was rediscovered in the Reformation, and has come to be known as Reformational theology: sola Scriptura, sola gratia, sola fide, solus Christus, soli Deo gloria.

This book is about how the living soul can attain eternal peace and hence eternal life as a living soul would yield it when abiding in the Lord Jesus Christ. Tapping the Lords Prayer as the authorized spiritual vehicle to communicate with God, this book attests that the name of the Lord Jesus Christ is the foundation, the seal of salvation, and the bearing point to overcome the world. By showing the intrinsic relationship of the invisible with the manifested world, the heavenly and the earthly, this book lucidly defines why the soul should glorify God as an end to lifes purpose while seeking righteousness and fulfilling the commandments. By presenting ground breaking revelations about the spiritual realm and hence the living God through the spiritual compass, this book would help the reader to discern wisdom about how to worship the Lord in truth and spirit to see the glimpse of eternal life and enjoy eternal peace, not as the world offers it but as the Lord Jesus confers it on the living soul.

God's Eternal Truth is a tapestry of food for thought, poems, and prayers that touch the fabric of our spirituality and faith. Each selection separately attempts to reach a clearer understanding of our relationship with God and one another. Collectively they are woven into an expressive quilt of warm spiritual uplift. Too often, we unnecessarily complicate our divine connection with a shroud of pomp and circumstance. We see only what we want in a kaleidoscope of alternative colorful images that misrepresent the true reality of our life experience. This book is not a personal journal but one individual's illuminating lightbulb moments. It sheds light on issues and concerns we all share in our life journey. The divine threads of love, faith, and hope presented at birth are like a ball of yarn. This book is a compilation of these elements knitted together to form a constantly expanding garment of truthful awareness. It is by sharing the basic life lessons learned that we begin to wear a suit of truthful understanding. This collection of spiritual reflections are my food for thoughts, poems, and prayers resulting from my ongoing travels along the soul-stirring river of truth. They consist of my internal visions inspired by the Holy Spirit. We all have pieces of the collective puzzle of divine truth. When we share and compare them with one another in fellowship, we come a little closer to understanding the big picture of God's eternal truth. With eyes wide-open, we see glimpses of the truth that God has for us, spirit divine!

The Angel responded.... To truly discover the fullness of love, you must go deeper within and look to experience the selfless qualities of love. Look to remove your need for its return, and it will come back to you in abundance. To experience the greater joys of the Father's love, you must freely bestow it upon your fellows. Freely you have received, freely shall you give. Love is abundantly replaced in the heart which gives it forth freely. Much of your journey to peace and joy and to God starts with learning to love yourself. You must first forgive yourself and know that those above you have already done so. You are loved with an eternal and supreme affection by those above you. Every child is infinitely and compassionately cared for from above, so much so, that if you truly knew of its fullness, you would be prone to lose all motor functioning and collapse in tears of joy. The Father hears the cry of all His children, and He resplendently responds to the faintest flicker of faith in the deepest depths of a lost and lonely child's soul. Upon the sincere cry of a confused child compassionately comes the Creator of all creation to meet you right where you are. Open your heart and soul to Him and let in His glorious ways. The Father you have many names for, but His Son, who walked this world as Jesus of Nazareth, has more unseen loyal faithfuls than the human mind has the capacity to comprehend, serving Him in ways a finite and mortal mind can yet begin to grasp. Other than the manifold gravitational sources of Spirit synchrony, alongside a vast and widespread congregation of faithful guides and Spirit personalities, you have all of us—your Seraphic Guardians. What are Seraphic Guardians? What you call angels.
