Curvy girls deserve a happy ever after too. Vanessa hasn't let her curvylicious plus-size body keep her from having a solid career, great friends and a crappy love life. Oh, wait - yeah, her sex life blows, and not in the fun way. A string of unsatisfying relationships and a best friend who drags her to a BDSM club help her step full swing into her dirty thirties. Cade the Stoic Dom, always in control but never in love, is drawn to Vanessa's size 20 submissive streak. He can't keep his hands (or his tongue or any other part of his body) off this voluptuous new sub. Her open and honest exploration of her new found kinks excite him like no one else he's ever been with. Amazing orgasms and intimate cuddles soon grow into love for Vanessa, but Cade's the one person everyone has told her not to develop feelings for. Cade drops his subs the moment they express deeper feelings for him. What's a girl to do? She'll have to dump his ass before he discovers how she feels or be the curvy temptation he can't resist. If you like curvy girl BBW romance, a hot alpha hero, and some BDSM power exchange between a sexy Dominant and a new submissive, you'll love this book!

His Curvy Cougar Wise Mind Media

One Woman's Choice depicts a heartfelt and emotional story about a young woman who faced difficult decisions: abortion, single parenting, and adoption. Lingering in sorrow and guilt can be destructive. Examining the past and reanalyzing life and previous choices can help one to cope with emotional pain. Karen Whitaker delves deep within her past and shares her own story to help other women overcome fear and helplessness. Facing the realities of abortion and adoption can empower women and establish a voice of strength that heals the heart and restores faith. *One Woman's Choice* is a story about faith and the undying will to persevere and survive, no matter the obstacle. This is not a debate over Pro-choice or Pro-life, but an inspiring example of how one woman overcame the odds.

The Bloomsbury Introduction to Popular Fiction Harlequin

There's two things I know about myself with certainty. The first is that I will not sleep with a man for money. I know this, because I just slapped the face of the slimeball who propositioned me. Prostituting myself will never be an option, no matter how badly I need the cash. The second thing is that I love Jacob King, with all my heart. When I slapped that man, it was Jacob who came to my rescue. I'm a nobody, but he treated me like a princess. He gave me a job, and in the process, self-respect. But that's where things get difficult. Because I won't sleep with someone for money, but Jacob King is giving me money, and I want to sleep with him. Doesn't that cross some sort of line? Not that it's going to matter soon, I guess. His ex-girlfriend is back on the scene. She's gorgeous-I mean, she's a freaking movie star! I've got no chance-she's got curves in all the right places. I've just got curves. I'm not going down without a fight though. Because there's two things I know about myself, and at least one of them I'm sure of-I love Jacob King. The other one, about morals, is up for debate-because I'll do anything to keep my man. Even if it means stripping for him. Or sleeping with his ex-girlfriend. *Billionaire Attraction* is a standalone romance with a happy ending. But be warned: This book contains smoking hot scenes between a curvy woman and a devilishly handsome Billionaire, including a lap dance scene, office encounters, light handcuff play, a girl on girl experience and a very sexy introduction to the mile high club by a smitten

Billionaire. It's ideal for readers looking for a great romance read with the naughty bits left in, described in glorious detail!

Risking Forever - A Single Dad Nanny Romance iUniverse

An Heiress in Distress Breanna Dawson hears wedding bells in her future. The curvy heiress is engaged to Silicon Valley billionaire William Keys, and her parents are certain the marriage of convenience is the answer to her family's humiliating money problems. Breanna would do almost anything to win her parents' approval, but the thought of spending the rest of her life with a cold, cruel man is too much to bear - even for a dutiful daughter like her. The closer she gets to saying "I do," the more suffocated she feels. In a moment of white-hot panic, her survival instinct flares, and she flees. But her escape goes awry when she crashes her stolen car in the middle of a raging blizzard and wakes up half-dressed in a handsome stranger's bed. Trapped in the wilderness with no way to get home, Breanna should be afraid. So why is she so aroused by the tall, mysterious man who rescued her? A single look from his emerald green eyes makes her body hum with need. His sexy smile, his possessive touch, and his deep, rumbling voice flood her mind with fantasies and leave her aching to submit to his every desire. A Bear Shifter Meets His Mate Bear shifter Rafe Cabello just wants to be left alone. Balancing the needs of his inner bear with running a multi-million dollar company is hard enough without the distraction of a relationship. But when a voluptuous woman wrecks her car right in front of him, he can't turn away. He pulls the unconscious woman from the crash and carries her back to his cabin to patch her up. He has every intention of getting rid of her as soon as possible. But his bear has other ideas. Every glimpse of her pouty lips makes him salivate with want. Every swish of her ample hips, every flutter of her lashes, every graze of her skin against his sets his body on fire. Rafe knows that if he acts on his growing attraction to Breanna, there's no going back. His bear insists she's their fated mate, and with every day that passes, it gets harder and harder to deny his animal's fierce desire. A Secret Revealed But before Rafe can give into the passion flaring between them, he has to reveal his secret. And that

secret may just send his sweet, curvy mate running as fast as she can all the way back to civilization... This steamy novella is a standalone BBW billionaire bear shifter paranormal romance.

This book cracks the supposedly indecipherable code of marketing to the New Chinese Consumer—all 1.3 billion of them. It distills what Tom Doctoroff has learned over the past eleven years in Greater China with JWT, one of the region's largest advertising agencies. Marketers of some of the world's leading brands come to China with mistaken ideas of how to apply Western thinking to the marketplace. But the same rules do not apply in China. Doctoroff delves into the psyches of contemporary Chinese consumers to explain the importance of culture in shaping buying decisions. He provides tools to help readers harness the power of insight into consumers' fundamental motivations and reveals the pitfalls into which many multinational competitors often fall. Anyone who plans to do business in China shouldn't get on the plane without this book.

When he wins a sexy bet, billionaire Linc Blair can't wait to get Lauren Neill naked. He's never gone for her type in the past, and he's pretty certain it has more to do with her buttoned-up hotness than the nagging sense that something is missing from his life. But when he gets a glimpse of the vulnerable woman beneath the conservative, yet oh-so-sexy clothes, it's a game changer. Lauren can't believe she's spending a few days with one of sexiest, and most annoying men she's ever met. But she can't deny the chemistry between them, and for once in her life she's letting down her guard so she can explore a different side of herself. The side only Linc brings out in her. Taking it slow, he unleashes her sexuality and it quickly occurs to him that what started out as a bet for him has become something more. With their weekend nearly over, and her ex showing interest in this new confident version of Lauren, Linc will have to risk it all if he wants to win the game of love.

Everything about this mission stinks. Including falling for his sexy new boss. FBI Agent Jace Quinn has a massive chip on his shoulder. Held back to an inferior rank because he hasn't finished his degree, the decorated former SEAL has a problem with authority, especially the female kind. So when his new boss turns out to be the woman he flirted with at a cousin's wedding, he's horrified. Worse, so is she. Assigned to infiltrate a dangerous white supremacist group, Jace seizes the opportunity to prove to her this lone-wolf lawman doesn't need handling. ATF supervisor Heidi Hall is still reeling from the suicide of an agent under her command, and her quest for redemption means that in this joint task force op she's going to work extra closely with the arrogant hottie who nearly talked her into bed. But in getting past Jace's defenses, every intimate debrief only deepens her desire. And her rookie undercover agent seems headed for disaster—personally and professionally, which will bring down both their careers. When Jace's intel reveals a staggering terror plot is about to go down and Heidi discovers a traitor on her team, the pair race against time to thwart the deadly conspiracy before the city is blown sky high.
