Dans son testament littéraire qui permit de jeter enfin la lumière sur l'affaire Ajar, Romain Gary explique : « J'étais un auteur classé, catalogué, acquis, ce qui dispensait les

professionnels de se pencher vraiment sur mon œuvre et de la connaître. Vous pensez bien, pour cela, il faudrait relire ! Et encore quoi ? Je le savais si bien que, pendant toute la durée de l'aventure (...) je n'ai jamais redouté qu'une simple et facile analyse de texte vînt me tirer de mon anonymat. » Amélie Vrla s'emploie à mener cette analyse de texte, qui aurait pu permettre de prouver qu'AJAR n'était autre que Gary...

In this book Ralph Schoolcraft explores the extraordinary career of the modern French author, film director, and diplomat—a romantic and tragic

figure whose fictions extended well beyond his books. Born Roman Kacew, he overcame an impoverished boyhood to become a French Resistance hero and win the coveted Goncourt Prize under the pseudonym—and largely invented persona—Romain Gary. Although he published such acclaimed works as *The Roots of Heaven* and *Promise at Dawn*, the Gaullist traditions that he defended in the world of French letters fell from favor, and his critical fortunes suffered at the hands of a hostile

press. Schoolcraft details Gary's frustrated struggle to evolve as a writer in the eye of a public that now considered him a known quantity. Identifying the daring strategies used by this mysterious character as he undertook an elaborate scheme to reach a new readership, Schoolcraft offers new insight into the dynamics of authorship and fame within the French literary institutions. In the early 1970s Gary made his departure from the conservative literary establishment, publishing works that boasted a quirky, elliptical style under a variety of pseudonymous personae, the most successful of which was that of an Algerian immigrant by the name of Emile Ajar. Moving behind the mask of his new creation, Gary was able to win critical and popular acclaim and a second Goncourt in 1975. But as Schoolcraft suggests, Gary may have "sold his shadow"—that is,

lost his authorial persona—by marketing himself too effectively. Going so far as to recruit a cousin to stand in as the public face of this phantom author, Gary kept the secret of his true authorship until his violent death in 1980 from a self-inflicted gunshot wound. The press reacted with resentment over the scheme, and he was shunned into the ranks of literary oddities. Schoolcraft draws from archives of the several thousand documents related to Gary housed at the French publishing firms of Gallimard and Mercure de France, as well as the Butler Library at Columbia University. Exploring the depths of a story that has long remained shrouded in mystery, *Romain Gary: The Man Who Sold His Shadow* is as much a fascinating biographical sketch as it is a thought-provoking reflection on the assumptions made about identities in the public sphere.

Romain Gary ' s bittersweet final masterpiece is " epic and empathetic " (BBC) and " one of his best " (The New York Times) *The Kites* begins with a young boy, Ludo, coming of age on a small farm in Normandy under the care of his eccentric kite-making Uncle Ambrose. Ludo ' s life changes the day he meets Lila, a girl from the aristocratic Polish family that owns the estate next door. In a single glance, Ludo falls in love forever; Lila, on the other hand, disappears back into the woods. And so begins Ludo ' s adventure of longing, passion, and love for the elusive Lila, who begins to reciprocate his feelings just as Europe descends into World War II. After Germany invades Poland, Lila and her family go missing, and Ludo ' s devotion to saving her from the Nazis becomes a journey to save his love, his loved ones, his country, and ultimately himself. Filled with unforgettable characters who fling all they have into the fight to keep their hopes—and themselves—alive, *The Kites* is Romain Gary ' s poetic call for resistance in whatever form it takes. A war hero himself, Gary embraced and fought for humanity in all its nuanced complexities, in the belief that a hero might be anyone who has the courage to love and hope.

J'écris ces lignes à un moment où le monde, tel qu'il tourne en ce dernier quart de siècle, pose à un écrivain, avec de plus en plus d'évidence, une question mortelle pour toutes les formes d'expression artistique : celle de la futilité. De ce que la littérature se crut et se voulut être pendant si longtemps - une contribution à l'épanouissement de l'homme et à son progrès - il ne reste même plus l'illusion lyrique. J'ai donc pleinement conscience que ces pages paraîtront sans doute dérisoires au moment de leur publication, car, que je le veuille ou non, puisque je m'explique ici devant la postérité, je présume forcément que celle-ci accordera encore quelque importance à mes œuvres et, parmi celles-ci, aux quatre romans que j'ai écrits sous le pseudonyme d'Émile Ajar. The Life Before Us by Romain Gary (Book Analysis) Fantagraphics Books
Travel narratives abound in French cinema since the 1980s. This study delineates recurrent travel tropes in films such as departures and returns, the chase, the escape, nomadic wandering, interior voyages, the unlikely travel, rituals, pilgrimages, migrants' narratives and emergencies,

women's travel, and healing narratives. *Hocus Bogus* A&C Black
In what may be the most in-depth study yet published of a film star's body of work, Susan Hayward charts the career of Simone Signoret, one of the great French actresses of the 20th Century. Signoret - who won an Oscar in 1960 for her performance in *Room at the Top* - was a key figure in French cinema for 40 years. But it is not so much her longevity that impresses, as it is the quality of work she produced as her career progressed. She started out as a stunningly beautiful woman, winning major international awards five times for her roles, and yet was only moderately in demand during those years. From the 1960s onwards, when her looks began to decline significantly, Signoret was in greater demand, and produced most of her output. She insisted on playing roles consonant with her real age, and often chose to play roles that portrayed her as even more ugly than she had become. Simone Signoret: The Star as Cultural Sign is a remarkable

achievement, a labor of love from one of the world's leading scholars of French cinema.

Anaïs Barbeau-Lavalette never knew her grandmother Suzanne, an artist who abandoned her husband and children in her youth and never looked back. *The Escape Artist* is a fictionalized account of Suzanne's life over 85 years, taking readers through Québec's Quiet Revolution and the American civil rights movement, offering a portrait of a volatile woman on the margins of history.

Detailed Summary, Analysis and Reading Guide Momo

"[This book] follows Morel, a Frenchman

who survives the Holocaust--a survival he credits to imagining elephants roaming the wilderness. Once free, he travels to French Equatorial Africa with the aim of saving his beloved elephants from being hunted and killed for meat and ivory. Realizing his more conventional tactics are not eliciting a response, however, he turns militant, and the story takes a dark turn. This novel examines the corrosive force of human desensitization, and it is one of the first classic ecological novels of our time" --

THE WILDER SHORES OF LOVE New Directions Publishing

Ideal reading for anyone looking for adventure and romance in unusual settings. Lesley Blanch writes about four strong women in *The Wilder Shores of Love*. Turning East, away from 19th Century Europe and conventional living, they found emancipation through escape and adventure. Isabel Burton married the Arabist and explorer Richard Burton; they worked together on his translation of *A Thousand and One Nights*; Jane Digby el-Mezrab (Lady Ellenborough, the society beauty), had four husbands and numerous lovers, including Honoré de Balzac and King Ludwig I of Bavaria. She ended up living in the Syrian desert with a young Bedouin chieftain; Aimée Dubucq de Rivery was a French convent girl who was captured at sea by pirates and became the consort of Sultan Abdul Hamid I; and Isabelle Eberhardt was a Swiss linguist who went to Algeria where she lived

among tribesmen in the Sahara, converted to Islam, and dressed as a man. ANAIS NIN — “I read *The Wilder Shores of Love* by Lesley Blanch and became completely devoted to her writing. It is a book of great vitality, superb storytelling. She is herself Scheherazade telling about four remarkable women. I was fascinated by the charm and with which she tells biographical facts. The four women became my heroines. I read the book several times. My admiration for her was total. *The Wilder Shores of Love* would have made colourful and entrancing films.” CARSON McCULLERS — “*The Wilder Shores of Love* is a book of such radiance and strength.” FREYA STARK — “A book as excellent as its title.” WASHINGTON POST BOOK WORLD — “Love, wanderlust, faraway places – all that Romance implies – make up this delicious book.” NEW YORKER — “Four seething but most enjoyable studies in headlong nonconformity.” DAILY TELEGRAPH — “Enthralling to read.”

Œuvre emblématique de Romain Gary qui s'est longtemps caché derrière le mystérieux Émile Ajar, *La Vie devant soi* raconte l'histoire de Momo, un jeune garçon musulman, qui s'est choisi comme mère adoptive Madame Rosa, une vieille dame juive. À travers les mots de ce jeune garçon, l'on découvre leur quotidien dans cet immeuble où Madame Rosa s'occupe des enfants des prostituées. Mais aussi et surtout la tendresse entre une vieille dame qui se meurt et un jeune garçon qui a la vie devant lui... Avant de résumer l'histoire de Momo et de Madame Rosa, Karolin Brohee nous raconte la vie de Romain Gary. Car, sans elle, il est difficile de comprendre toute la profondeur de l'œuvre de cet artiste insaisissable. C'est que Romain Gary déteste par-dessus tout être catalogué dans des cases bien souvent trop étroites pour son génie. Lui qui se plaît à se réinventer à chaque instant. C'est à l'aune de cette personnalité multiple qu'il faut lire *La Vie devant soi* et qu'il faut décrypter ses personnages ô combien attachants. Car derrière Momo, c'est bien Roman Kacew qui se cache, et derrière Madame Rosa, Romain Gary l'adulte. À travers des thématiques

aussi fortes que la recherche identitaire et la solitude, l'on sent toutes les angoisses de l'auteur, celles qui le hantent depuis l'enfance.
