843. A defender of icons, St John of Damascus wrote three treatises against "those who attack the holy images." He differentiates between the veneration of icons, which is a matter of expressing honor, and idolatry, which is offering worship to something other than God. *The Dog Cancer Survival Guide* Wiley-Blackwell For many congregations, there is a lack of clarity about what a disciple is and what a disciple does. Your congregation might find it helpful to have a larger conversation in worship or as a small group series around this theme.

---

Disciple Like Jesus could provide the framework for this conversation. At the conclusion of each section, you will find a set of discussion questions that could support this conversation. Small Group Study There are many small groups of different varieties meeting at thousands of churches every week. They are forming bonds, supporting each other, often studying, and sometimes serving together. And yet, many people in many congregations sense there is something missing. They just don't know what that might be. Disciple Like Jesus could launch them on a new way of engaging life both within and outside of the Church. Accountability

y Group Each of the dimensions of discipleship described in this book includes specific suggestions for behaviors that help develop the "life of" Jesus. Accountability is vital to this process. Whether through mentoring, apprenticing, coaching, small groups, or triads, partners can and should process this resource together. They should commit to specific behaviors, and hold each other accountable for progress. Leadership Training The greatest form of leadership in the Church is the leading of disciples toward maturity in becoming more like Jesus. There are skills, presented in Disciple Like Jesus, that can help develop more

effective leadership toward this goal. In a strong sense, every disciple is called to be this kind of leader. But those publicly identified as leaders (in whatever role) have a biblically mandated special responsibility to be modeling this kind of discipleship development. Personal Study Disciple Like Jesus provides many tools for exploration for individuals into the ways in which they can become more like Jesus and disciple like Jesus did. There are also many references for further study and personal growth. We do believe, however, that while this is a great resource for individual study, it is even better to study with a friend or two.

**Grove and Other Retreats** Life Remotely Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England – and of the worldwide Anglican Communion – are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGBTBI+ people. *Living in Love and Faith* sets out to inspire people to think more deeply

both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the *Living in Love and Faith* project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological

sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do

---

Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask

us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of Living in Love and Faith. The Living in Love and Faith book is accompanied by a range of free digital resources including films, podcasts and an online library, together with Living in Love and Faith: The Course, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing. **New Church Member Certificate (Pad of /25)** B&H Publishing Group

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a

long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

### Prosperity

Broadman Church  
Supplies

God wants you to prosper and it is He who gives the power to get

wealth. But thou shalt remember the LORD thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as it is this day. Deuteronomy 8:18 So if God gives the power to get wealth as the scripture above shows, then he must have principles that we can seek to understand and engage to get wealth. Unlike the natural ways of acquiring wealth, God's principles are built on His integrity hence they are unchanging and cannot fail. The people of this world practice only the

natural principles but these can work today and fail tomorrow depending on the economic situation. This explains why someone may be so rich today and become so poor and helpless tomorrow. The recent crash of Wall Street and the more recent devaluation of some global currencies are pure examples of how fickle and unstable the natural principles of wealth are. We therefore cannot rely on natural ways of getting wealth alone, we need to understand supernatural principles and how they work. Our primary focus in this

---

book would be on how you can prosper by seeking the kingdom of God and his righteousness and how to prosper by the covenant of prosperity.

**Women Leading Women**  
Beacon Press

Based on the precept that a biblical paradigm for women's leadership must occur under the authority of the local church, *Women Leading Women* fills the void of research-based textbooks that address academic requirements for the core women's

leadership course curriculum and guide pastors on how women can help fulfill the church's purpose. Women will be encouraged to lead and train other women, to engage the culture to reach women for Christ, to involve women in ministry, and much more. Anticipated for primary use in colleges and seminaries, this book is designed for a fifteen-week semester and will include a link to a Web site where teaching outlines and PowerPoint notes for each chapter are

We live in an age

when younger African-American Christians are asking tough questions that previous generations would dare not ask. This generation doesn't hesitate to question the validity of the Scriptures, the efficacy of the church, and even the historicity of Jesus. Young people are becoming increasingly curious about what role, if any, did people of African descent play in biblical history? Or, if the Bible is devoid of Black presence, and is merely a book by Europeans, about Europeans and for Europeans to the exclusion of other races and

ethnicities? Dr. Theron D. Williams makes a significant contribution to this conversation by answering the difficult questions this generation fearlessly poses. Dr. Williams uses facts from the Bible, well-respected historians, scientists, and DNA evidence to prove that Black people comprised the biblical Israelite community. He also shares historical images from the ancient catacombs that vividly depict the true likeness of the biblical Israelites. This book does not change the biblical text, but it will change how you understand it. This Second

Edition provides updated information and further elucidation of key concepts. Also, at the encouragement of readership, this edition expands some of the ideas and addresses concerns my readership felt pertinent to this topic.

us, until we believe that God is more desirable than life itself (Psalm 63:3). Only the power of God's superior promises in the gospel can emancipate our hearts from servitude to the shallow promises and fleeting pleasures of sin. Delighting in the bounty of God's glorious gospel promises will free us for a less sin-encumbered life, to the glory of Christ. Rooted in solid biblical reflection, this book aims to help guide you through the battles to the joys of victory by the power of the gospel and its superior pleasure.

Scholastic Inc.  
After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and

heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in
