Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Christopher Ben Simpson tells the story of modern Christian theology against the backdrop of the history of modernity itself. The book tells the many ways that theology became modern while seeing how modernity arose in no small part from theology. These intertwined stories progress through four parts. In Part I, Emerging Modernity, Simpson goes from the beginnings of modernity in the late Middle Ages through the Protestant Reformation and Renaissance Humanism to the creative tension between Enlightenment and Awakenings of the eighteenth-century. Part II, The Long Nineteenth-Century, presents the great movements and figures arising out of these creative tension - from Romanticism and Schleiermacher to Ritschlianism and Vatican I. Part III, Twentieth-Century Crisis and Modernity, proceeds through the revolutionary theologies of period of the World Wars such as that of Karl Barth or nouvelle theologie; this part includes a thorough section on modern Eastern Orthodox theology. Finally, Part IV, The Late Modern Supernova, lays out the diverse panoply of recent theologies - from the various liberation theologies to the revisionist, the secular, the postliberal, and the postsecular. Designed for classroom use, this volume includes the following features: - boxes/chart/diagrams/visual organizations of the information presented included throughout: e.g. lists of key points, visual organizations of systematic ideas in a given thinker, lists of significant works, lists of significant dates, brief outlines of the basic structure of some major theological works - both a one-page chapter title table of the contents and an expanded(multipage) table of contents - chapter at-a-glance overview/outline at the beginning of each chapter - specific references to secondary works and key primary works in English translation at the end of chapters

Until Christ Returns Thomas Nelson Incorporated

"Behold, I stand at the door and knock. If anyone hears My

voice and opens the door, I will come in to him and dine with him, and he with Me." (Rev. 3:20) Wouldn't it be great if you could open the door, invite Jesus into your home, and ask Him when He's coming back? All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you. You would have your own "Emmaus Road journey." Like the apostles and first-century disciples, you could say that He opened the eyes of your understanding. That's exactly what this series does by unfolding in an easy-to-follow manner what God's Word shows us and what Jesus taught. Each of the three books focuses on three critical end-time revelations that open the door of our understanding surrounding the events of Christ's return. The New Testament apostles received these keys from Jesus Himself. Over the centuries, these revelations were lost or watered down, leaving us flustered and even fearful. That's not God's will. It's time to let the Word speak for itself with a message of comfort, hope, and victory. The Coming of the Son of Man brings you to your final destination--literally. It shows you what Jesus taught His disciples about the end of this age, the rapture, and the sign when all "these things will be fulfilled." The journey will expose the misidentification of key terms that distorted the Church's understanding of Christ's return. Along the way, Jesus's teaching known as the Olivet Discourse and the book of Revelation will become clear. No more confusion. No more questioning how to prepare. Simply the truth of God's plans and purposes.

The Return of the Native - Thomas Hardy - One of Thomas Hardy's most powerful works, The Return of the Native centers famously on Egdon Heath, the wild, haunted Wessex moor that D. H. Lawrence called 'the real stuff of tragedy.' The heath's changing face mirrors the fortunes of the farmers, inn-keepers, sons, mothers, and lovers who populate the novel. The 'native' is Clym Yeobright, who comes home from a cosmopolitan life in Paris. He; his cousin Thomasin; her fiancé, Damon Wildeve; and the willful Eustacia Vye are the protagonists in a tale of doomed love, passion, alienation, and melancholy as Hardy brilliantly explores that theme so familiar throughout his fiction: the diabolical role of chance in determining the course of a life.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Coming of the Son of Man The Church of Jesus Christ of Latter-day Saints

Oser examines the twentieth-century literary clash between a dogmatically relativist modernism and a robust revival of Christian humanism. Reviewing English literature from Chaucer to Beckett, and the thoughts of philosophers, theologians, and modern literary critics, Oser challenges the assumption that Christian orthodoxy is incompatible with humanism, freedom, and democracy"--Provided by publisher.

A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness, in the final generation before Jesus Christ returns in glory, is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this – or that Christ's return is therefore now almost upon us! How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God. In God's saving plan for the world, everyone must in time make a free will choice to become part of the 'Israel of God' in order to access eternal life in the kingdom of God. The route to take is the "strait and narrow" way (Mat 7:13-14) that very few have so far found, and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to: be challenged about some basic Christian preconceptions, be a serious open-minded Bible student, and trust what the Bible teaches - but remember that time is short. "What the Bible has taught me I see as both vital and urgent for our eternal salvation; yet I know of no church or individual theologian who teaches what this book deals with in any substantive way" "Be prepared for major challenges to your understanding just as God has challenged me." "In the epistles, Paul refers to two Israels whom he calls Israel after the flesh (I Cor 10:18) and the Israel of God (Gal 6:16); I focus mainly on the latter (but I also explain an unexpected but critically important connection between them)" "Dependent on the teaching, nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me. Looking back, I find this absolutely staggering!" "Very few [Christians] understand that the new covenant also only applies to Israel (as I will clearly show)." "I no longer believe that the NT [New Testament] can be fully understood without this extra Israel dimension" "Had I felt I could deliver this in a more light-hearted way I would have done so, but its implications are too awesome and fundamental to our eternal life prospects for that"

Desiring God David C Cook

The Church was put here to do the work of ministry but somehow we have gotten off course. We spent decades arguing among ourselves about everything from our naval, the rapture, hymns versus choruses and eternal security while the devil laughs his butt off. In the meantime, abortion became legal, evolution became fact, living together became a way of life and the divorce rate in the church became higher than in the world. Hell risks being over-crowded, the homeless starve, young girls are sold as sex slaves and the church has become irrelevant. I don't believe this is what Christ had in mind when He gave His life on the cross of Calvary.

Steven (Red) Salas was born into a traditional Catholic family in Racine, Wisconsin. His life seemed to be a contradiction from the very beginning. It was not a loving Catholic home, instead his parents divorced when he was quite young (six years old), and he and his brother lived with his physically and verbally abusive mother. Even though he went to weekly church services, he actually felt a deeper connection to the Christian programming found on TV. As Red grew into adolescence, he quickly found himself in trouble with the law on multiple occasions and forsaking his faith. He didn't start hanging out with the wrong crowd; instead, he was the wrong crowd. His mother eventually gave up and sent him to live with his father, but the courts finally ordered Red to live with a foster family, hoping that this would get him back on the straight and narrow. He returned back to his wild ways when he was allowed to go home to his father. When the time came that Red became a young father himself, he knew he had to do something different. So he defied the odds and joined the US Army. The military proved to be a positive change that Red needed. He accepted Christ as his Lord and Savior, learned respect, and was achieving success in his military job. Until one day, an army work-related accident happened; he suffered a traumatic brain injury. The side effects began to take over, but being a "strong" man, he pushed things aside. He got out of the army and started a new life with his family in San Antonio, Texas. The side effects of his TBI by then had helped to make it difficult to hold down a job, his first marriage fell apart, and his faith seemed to be drained. Red was left raising three daughters by himself and still seeking the unconditional love from a woman that had always been a void in his life. Time passes and wounds heal. He found himself praying to God but still not fully allowing him to work in his life. Red met his second wife, the love of his life. But between the process of climbing the ranks and finally achieving the rank of vice president of the notorious San Antonio chapter of the Bandidos MC (one of the most well-known and dangerous outlaw motorcycle clubs in the world) and the continued side effects of his TBI, their marriage fell apart. Red hit rock bottom. The pain from the TBI became too much and he checked himself into the VA hospital. Finally, he got the medical help that he needed for so many years. He reconciled his marriage and retired from the Bandidos MC after ten years of loyalty. Follow the story of a young Catholic boy turned born-again Christian as he defies his faith, gets mixed up with the law, and becomes a member of the Infamous Bandidos MC. But like the Prodigal Son, he returns home because of God's mercy and Red's faith in Jesus Christ.

Experience eternity. Today. During His life and ministry, Christ assured the apostles that He would one day return for His people. But how should this future event affect our lives today? In Paul's letter to the Thessalonians, he reveals that the promise of Christ's return is more than a doctrine of our faith. It is a remarkable truth that can shape how we live, how we connect, and how we view ministry. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, Be Ready has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe balances the prophetic with the practical, and shares how Christ's powerful promise can impact every aspect of life. So be encouraged. Be revived. And Be Ready.

The Smokin Hot Bride of Christ

"And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also." John 14:3 ESV Jesus Christ was very clear: One day He will return-and none of us knows when. Vocal fanatics claim to know the details of the Second Coming, causing many Christians to all but ignore the good news that Jesus is coming again. Yet God's own Word commands us to know the signs of the times, to remain watchful, and to be ready-whenver Christ comes. This book is a straightforward, in-depth exploration of the key biblical texts regarding the Second Coming; most notably, Christ's longest and most important eschatological message, the Olivet Discourse. As you study what the Word of God says about these matters, it will stir in your heart an earnest longing for Christ's return-as well as a certainty about how to live expectantly until He comes again.

Revelation

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."
